

The Systematic Killing of America, Part 1 of 4

By Reverend Glynn Adams

November 7, 2023

“My people are destroyed for lack of knowledge. Because you have rejected knowledge, I will also reject you from being my priest. Since you have forgotten the law of your God, I will forget your children.” (Hosea 4:6)

“For certain persons have crept in unnoticed, those who were marked out for this condemnation, ungodly persons who turn the grace of our God into licentiousness and deny our only Master and Lord Jesus Christ.” (Jude 4)

We must change our mindset in this nation and realize the fact that since the early 1800s, ungodly men have crept into America with the sole purpose of killing this nation and as a consequence, we are in a war for our very survival. But it is not a conventional war waged with tanks and planes in conventional battlefields – at least not yet. It is a secret, insidious type of war whose battleground is the people’s minds. Its main weapons are propaganda and mass brainwashing by disinformation, cunning, deception, and lies in a large scale, not used against the people of any nation since Nazi Germany.

If an unfriendly foreign power had carried out against the American people the actions carried out by Wall Street bankers, Oil magnates, CEOs of transnational corporations loyal to the Committee of 300 and its demonic occults, we

might well had considered it an act of war. But most Americans have ignored this war because we have become passive, disengaged, dumbed down, and have forgotten God and His ways.

Like you, I have more questions than answers, but in my research but mostly the research help of others, you will understand who it is that controls and manages the United States government in secret. There are also multiple well-known demonic secret societies such as the Royal Institute for International Affairs (RIIA), The Council on Foreign Relations (CFR), the Bilderbergers, Trilateral, the Zionists, Freemasonry, Bolshevism, Rosicrucianism, Klaus Schwab and the World Economic Forum, and all the spinoffs of these secret societies which I don't have the room to name here.

Also, there are others operating in this nation and around the world who are unknown to the average person. Names like the Order of St. John of Jerusalem, Club of Rome, the German Marshall Fund, the Cini Foundation, the Round Table, the Fabianists, the Venetian Black Nobility, the Mont Pelerin Society, Hellfire Clubs, and many others who are not known here or their functions in governments. Take all the occults above and hundreds more and put them under the influence of one organization called The Committee of 300 and in The Committee of 300 you have the fountain head of the shadow government in this nation and around the world!!!

This Committee of 300 is unbelievable rich and very powerful. They have an intelligence group around the world and they play deadly hardball with politicians and leaders of the world who will not play their way. In addition, they control the infrastructure and routes of the drug trade around the world. In what is an open conspiracy against God and man which includes enslaving the majority of humans left on this earth after the wars, plagues, and mass murder they initiate is not well hidden. One only has to listen to Klaus Schwab and the World Economic Forum for their latest updates of what they are

doing. In the intelligence community, it is taught that the best way to hide something is to place it in open view.

There is an open attack on Christianity, the middle class, and the slow but sure disintegration of industrial nation states, the destruction of hundreds of millions of people, referred to by the Committee of 300, as "surplus-population or eaters" and any leader who dared to stand in the way of the Committee's global planning will suffer grave consequences.

The upper-level parallel secret government of the Committee does not operate from dark basements and secret underground bunkers. It places itself in full view of the White House, Congress, and in Number 10 Downing Street and the House of Parliament. These men are in open view. These men are the servants of the One World Government-New World Order of the Committee. Does this not explain what is happening to our Presidents, House Members, and Senate? They play ball or they are neutralized. They are bought or blackmailed into doing the bidding against this nation.

"A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. For the traitor appears not a traitor – He speaks in the accents familiar to his victims, and he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation—he works secretly and unknown in the night to undermine the pillar of a city he infects the body politics so that it can no longer resist. A murderer is less to be feared" (Cicero 42 BC)

We must understand our government has been hijacked by these globalist elites and our Presidents in the past back to Theodore Roosevelt and all current Presidents, with the exception of Trump, Nixon, Kennedy, and Taft, all were treasonous puppets of the Committee. Ronald Reagan got the message after he was shot!!! Our House and Senate have cooperated with the Committee to pass the legislation they wanted. A crisis is created and initiated, the people cry

for help to solve the problem, and the puppets of the Committee get the legislature to pass the bill they want. Can I say Patriot Act passed by George Bush and our Congress to better "help" identify terrorist but the act is now being used against citizens of this nation. No more Muslim terrorists now; the real terrorist today are Christians and middle-class white people!!!

It was our treasonous House and Senate that voted to move our factories to China and Mexico as requested by the Committee destroying our manufacturing base so we would no longer be independent. Every member of the House and Senate are guilty of treason. Those who would claim they are not traitors to this nation knew what was going on and remained silent instead of warning the citizens. That makes them an accessory to the crime.

It is time we understand how serious our situation is in this nation. Their intention is to kill America with her liberty and rights. This is not a battle between Democrats and Republicans. This is a battle of God against Satan, good against evil, and right against wrong. These people have but one goal and that is to enslave the rest of the world and eliminate Christians and the ways of Christ!!!

Regardless of what people are saying today, America is the greatest experiment of a people, under the rule of God, governing themselves that the world has ever seen but she is dying – a slow and painful death. As the late Russian Christian Alexander Solzhenitsyn said before his death, "To destroy a people, you must first sever their roots." I am almost 86, and the America most of us grew up in is gone. All that is left is the memories of what she used to be.

In her wake, this country has been systemically transformed by our Presidents, politicians, globalists, demonic occults and The Committee into a place unrecognizable. A place plagued by drugs, poverty, pornography, and violence, that is by

systematic design. Our American work ethic has been changed to "give me", again by design. There is no faith that unites us. Modern Americans remain almost completely oblivious of their history with the vast majority (84%) unable to identify the author of the Constitution, again all by design to dumb down this nation. Slaves have no need to know anything!!!

The demise of America was caused by a group of aristocrats who sought the riches of this world and to establish a globalist's government. The citizens, living the life of comfort and ease, turned the nation over to the politicians who under the yoke of the wealthy cabal, developed a secret, stealth shadow government that has been ruling America behind the scene for years. It all begin in the 1800s with Freemason Cecil Rhodes of Rhodes Scholar fame whose American students at Oxford were taught globalism, and wealthy bankers such as the Rothschild Family, and J. P. Morgan provided the money and agenda. Morgan constructed the Peace Palace at The Hague. This was the first attempt to dissolve nation sovereignty and national law under an institution with global jurisdiction. This led to the creation of the League of Nations.

At the same time, Andrew Carnegie set up his foundation to use its cash to control America's educational and political institutions. Wealthy steel magnate Andrew Carnegie, who provided the blueprint for the formation of a shadow government that was to rule over America. Carnegie knew that a global government required social engineering so he established in 1905, the Carnegie Foundation for the Advancement of Teaching (CFAT) to gain control of America's educational system. By 1909, CFAT was the national unofficial accrediting agency for colleges and universities and it possessed the power to create the curricula. Since Carnegie was an Anglophile, a freemason, a practitioner of the occult, avowed socialists, an agnostic, a globalist, most of our universities throughout America began to reflect his ideology and beliefs. Carnegie was not alone in seeking control of

the political and educational systems to further a New World Order.

In 1905, wealthy John D. Rockefeller, Sr. established the General Education Board (GEB). In no time at all, the GEB was working in tandem with the CFAT to develop standardized curricula with standardized textbooks for all American children. It was at this time that the Rockefeller Foundation was formed. In 1914, the newly formed National Education Association passed a resolution that they viewed with alarm the activity of the Carnegie and Rockefeller Foundations, agencies in no way were responsible to the people but little came of their resolution.

The effects of the Carnegie Foundation on America's religious were being felt across America. John D. Rockefeller, Jr. maintained a close relationship with Carnegie and the Fosdick brothers. With Rockefeller Jr. initiating a policy of funding seminaries that complied with the dictates of Higher Criticism (some parts of the Bible are not true) and the debunking of the New Testament, a new breed of ministers who believed neither the account of the resurrection nor the divinity of Jesus was unleashed on the American people.

Truly, the Bible is correct that says the love of money is the root of all evil. Pride, greed, and power drive men to do the unthinkable. The Ponzi scheme of Bernie Madoff was called the crime of the century but it was not. The crime of all crimes is the legalized central banking system of the globe, where, with the help of the politicians, the banks fabricate and print money out of nothing and pillage billions of people.

The House of Morgan which was bound to the House of Rothschild, emerged as the dominate force in the creation of a deep state which would rule the United States from the shadows. It would give the nation the Federal Reserve System. On November 22, 1910, at the behest of Morgan, U.S. Senator Aldridge and a small group of Wall Street bankers were

invited to a “duck shooting party” at Jekyll Island, off the coast of Georgia. Paul Warburg, a banker from Germany, told the group that the bill that they would compose for Congress must avoid any reference to a “central bank,” since several American presidents, including Thomas Jefferson and Andrew Jackson, had railed against the establishment of such an entity. Note here the Congress did not write this bill but someone else – it has not changed today my fellow Americans!!!

Warburg further instructed the group that legislation for a central bank must create the illusion that control of the system would reside with the government, since the chairman of the Federal Reserve in Washington DC would be appointed by the president and would remain answerable to the Congress. It is a profit-making cartel and owned by bankers who have purchased shares of stock in the Federal Reserve. For further camouflage, Warburg insisted that the legislation must be presented as a regional system, with the fifteen branches responsible for overseeing the financial conditions within their jurisdiction.

Such measures were necessary since the cabal of millionaires at Jekyll Island were plotting the greatest financial and political coup d’etat in American history, the usurpation of Congress’s authority as provided in the Constitution, to create and control the country’s money supply. Interest rates, and the value of the dollar. This bill would also shift inevitable financial losses from the money trust to the US taxpayer. Even the name Federal is misleading since the Federal Reserve is no more federal than Federal Express who delivers our packages. Where were the “ole time religious” people back then? ASLEEP/DISENGAGED!!!!

With opposition to the bill, Republican President William Taft hastened the Congress’s instantaneous rejection of the Aldrich Plan by vowing to veto the bill as soon as it arrived on his desk. The plan went down in flames before it was brought up for a vote. President Taft by vowing to veto, had unwittingly

secured his own political demise for reelection. But the money trust was undeterred by the setback. To defeat Taft, Morgan told former President Theodore Roosevelt to run as a candidate for the newly created Progressive (Bull Moose) Party to split the vote against Taff. See how demonic power works folks?

The Democrats choose Woodrow Wilson, who lived in the shadows of Wall Street and was close to Andrew Carnegie and shared Carnegie's ideology. It is said that Banker Bernard Baruch brought Wilson to the Democrat Headquarters in New York like a "poodle on a string" where Wilson agreed, if elected president, to support the revision of the Aldrich Plan, to advance a graduated income tax and to seek the approval of Wall Street for appointees to his cabinet. Most of the votes that went to Roosevelt would have gone to Taft so Wilson won the election by 42% of the vote.

On Christmas Eve, 1912, with a minimum forum present, the bill passed and on December 23, 1913, the Federal Reserve Act became law and Woodrow Wilson signed the bill. Shares in the Federal Reserve were purchased by American bankers but the fact that foreign bankers purchased substantial shares in the Federal Reserve ensured that the economic course of the United States no longer would be controlled and directed solely by representatives of the American people or duly appointed officials of the Treasury Department but by a clique of very wealthy bankers from London, Paris, Hamburg, Berlin and Rome.

Be sure to read "[The Coming Battle](#)" written during the civil war and published in 1899. READ – how the legislation was signed and passed into law pledging every America citizen as collateral for the repayment of all government debts in gold and silver. By reading this book you will better understand the events taking place today. Nothing new under the sun. History is repeating itself. Different players, the same game. World domination.
