

The Ten Commandments Are Not Requests

"I tremble for my country when I reflect that God is just; that his justice cannot sleep forever." – Thomas Jefferson

To command: an *order* given by one in authority. Request: the act of *asking* for something to be given or done.

There is but one God of the entire universe. God gave Moses a list of commandments for all his children to live by and obey. God did not request, He commanded: ((X) Thou shalt not covet thy neighbor's wife or possessions.)

The pilgrims so long-ago left Europe for religious freedom. They were *Christians* of different denominations who got fed up with the English Crown – specifically the Church of England – persecuting them. America: A new nation where you could practice the religion of your choice whether Baptist, Lutheran, Methodist or Catholic.

Eventually, individuals came to America bringing their god(s) to our shores. Craven images. For example: [Hinduism Beliefs, Symbols](#) – Their big god is “Brahman,” but still recognize other gods and goddesses (A total of 12). Their followers believe there are multiple paths to reaching their god.

“[Most Buddhists](#) believe that death marks the end of this life and the passage into the next. It is just one spoke among infinite spokes in *samsara*, the cycle of birth, death, and rebirth. According to the Buddha, beings go through countless births and deaths until they gain enlightenment.

“We are reborn, according to Buddhist scripture, because of the same kind of clinging and desire that causes us to suffer.

The engine of the ego is so powerful that even when the body dies, the mind continues its clinging and searching. In this way, according to Buddhism, it builds a bridge to another body and takes birth again.”

God **commanded** Thou shalt not have any other gods before me. If people want to believe the teaching those religions above or newer ones, fine with me. It’s your soul at risk.

Islam cannot be categorized as a religion and should be stripped of their religious exemption: [Islam: A Political Party of Death, Violence & Oppression](#), November 17, 2023

Yes. Islam is an ideology which should no longer be afforded the protection of a religion because Islam is a political party. [Vote Every Muslim Out of Office](#), June 17th, 2024

[Page 5](#) (Emphasis mine): What Jihad Really is?

‘But the truth is that Islam is not the name of a ‘Religion’, nor is ‘Muslim’ the title of a ‘Nation’. In reality Islam is a revolutionary ideology and programme which seeks to alter the social order of the whole world and rebuild it in conformity with its own tenets and ideals. ‘Muslim’ is the title of that International Revolutionary Party organized by Islam to carry into effect its revolutionary programme. And ‘Jihād’ refers to that revolutionary struggle and utmost exertion which the Islamic Party brings into play to achieve this objective.”

Pgs 6, 7 (emphasis mine): “Islam has no vested interest in promoting the cause of this or that Nation. The hegemony of this or that State on the face of this earth is irrelevant to Islam. The sole interest of Islam is the welfare of mankind. Islam has its own particular ideological standpoint and practical programme to carry out reforms for the welfare of mankind. Islam wishes to destroy all states and governments anywhere on the face of the earth which are opposed to the ideology and programme of Islam regardless of the country or the Nation which rules it.

“The purpose of Islam is to set up a state on the basis of its own ideology and programme, regardless of which nation assumes the role of the standard-bearer of Islam or the rule of which nation is undermined in the process of the establishment of an ideological Islamic State. Islam requires the earth—not just a portion, but the whole planet—not because the sovereignty over the earth should be wrested from one nation or several nations and vested in one particular nation, but because the entire mankind should benefit from the ideology and welfare programme or what would be truer to say from ‘Islam’ which is the programme of well-being for all humanity.”

Pae 27: “However, Islamic ‘Jihad’ does not recognize their right to administer state affairs according to a system which, in the view of Islam, is evil. Furthermore, Islamic ‘Jihad’ also refuses to admit their right to continue with such practices under an Islamic government which fatally affect the public interest from the viewpoint of Islam.

“For instance, as soon as the Ummah of Islam captures state power it will ban all forms of business prosecuted on the basis of usury or interest; it will not permit the practice of gambling; it will curb all forms of business and financial dealings which are forbidden by Islamic law; it will close down all dens of prostitution and other vices and for all; it will make it obligatory for non-Muslim women to observe the minimum standards of modesty in dress as required by Islamic law, and will forbid them to go about displaying their beauty like the days of ignorance; the Muslim Party will clamp censorship on the Cinema.”

Melanie Phillips book, *Londonistsan* published in 2006: “Melanie Phillips has compiled a unique record that fearlessly, brilliantly and wittily exposes this problem. *Londonistan* builds on and goes beyond her prior work by showing the role of what she calls the British “spiral of decadence” in permitting Islamist ideas and demands to ride roughshod over the UK’s traditional ways. Phillips warns

Americas of the acute dangers for them, too..." England, like so many other European countries are now crap holes from the poison spread by Islam. Muslims are getting elected here in the U.S even as judges by ignorant, 'tolerant" voters. Melanie's book IS today over there and other countries stupid enough to allow tens of thousands of illegals into their country getting "free" housing, food and bux while their citizens suffer from such stupidity – most of them Muslims.

Patrick Buchanan's excellent book (2002) was an even earlier warning: *The Death of the West: How Dying Populations and Immigrant Invasions Imperil Our County and Civilization*. Buchanan's books IS today, just like Melanie's. Last week the Internet was flooded regarding 20,000 uncivilized heathens, Haitians, dumped into a red state into a town of 58,000 completely overwhelming their health care system, schools and every other infrastructure.

But, let me get back to the Ten Commandments, not requests, particularly IX: Though shalt not bear false witness against they neighbor. In other words, God has commanded, not requested you must not lie. People lie all the time when it used to be considered a sin. It just makes me sick as lying seems to have become the norm. I watched the waste of time “debate” between Ho Harris, Queen of the Casting Couch and Donald Trump last week. I was absolutely astonished as **everything she memorized that came out of her mouth was a lie.** Provable lies protected by the “moderators”.

I say memorized (over her 7-day prep sessions) because that woman as someone commented, has a 5-year-old brain in an adult body. **Harris is a tried-and-true Marxist who should never be allowed near the WH, never mind become president.**

Maybe she won't as things aren't going quite as planned. When the whores in the print media (especially her big cheerleaders on the Communist News Network CNN), the boob tube and cable start questioning and making subtle hints about how dumb Ho Harris is and a polished, professional liar, the shadow

government running the show must be getting very worried. Not to mention their pick for VP, Tampon Tim Walz; J.D. Vance (if the debate does take place), will chew Walz up and spit him out like a rotten piece of meat. Ever hear of an “October Surprise”? Something must be in the works behind closed doors. Ho Harris can’t draw 10 people to a rally so hundreds are being bussed in to make it appear she’s popular. Fact.

And, oh BTW – not that most people care or don’t even understand – the same as most Americans have no understanding and importance of the Electoral College – Ho Harris is NOT a natural born citizen and cannot serve as president. TRUTH based on documented facts:

[The Parallel Usurpers](#): Obama and Harris: “At Birth Their Father Was Not a U.S. Citizen; At Birth Their Father Was Not Even An Immigrant to the USA

“At Birth Their Father Was a Foreign National Sojourning in the USA on a Temporary Student VISA; For Both Obama and Harris, Their Father Ultimately Returned to Their Respective Home Country

“For Both Obama and Harris, Their Father Was a Marxist Believing Economist; At Birth Both Obama and Harris Were Born a Subject of the Queen and King of England Inherited via Their Father Being a Subject of the Queen and King of England

“At Birth Both Were Born (And to This Day Still Are) a Dual-Citizen With Divided Allegiance and Loyalty Requirements to More Than One Country; Both Spent Their Formative Years Growing up in Foreign County – Indonesia for Obama and Canada for Harris

“Ancestors of Both Kamala Harris and Barack Obama Were Slave

Traders

“Both Are Not a Constitutional “natural born Citizen” of the United States – They Are Not a Person Born with [Unity of Citizenship and Sole Allegiance](#) to the USA

“Both Had a Father Who Was a Marxist/Socialist Sympathizer; Both Had a Mother Who Was a Marxist/Socialist Sympathizer; They Themselves are a Marxist/Socialist Sympathizer; Both When Given Power Have Been Practicing the Marxist/Socialist Cloward-Piven Strategy to Overload, Undermine, and Destroy Our Constitutional Republican Form of Government – Especially With The Direct Effects of Open Border Policies and the Secondary and Tertiary Effects of That Policy.”

Book: Natural Born Citizen: A Presidential Eligibility Qualification Requirement in Article II Section 1 Clause 5 of the United States Constitution – “This new book discusses the who, what, when, where, why, and how the “natural born Citizen” term was put into the presidential eligibility clause of our new U.S. Constitution in July of 1787 at the suggestion of John Jay who became the first Chief Justice of the U.S. Supreme Court and with the agreement of General George Washington who was the President of the Constitutional Convention being held in Philadelphia PA, and who later became the first President and Commander in Chief of the United States of America under the new Constitution.”

Never have I seen so much outright lying by the prostitute media ‘stars’, Hollywood narcissists (who think I give a damn about them or their movies), members of Congress and in state capitols or pop ‘stars’. I’ve been at this 31-years damn near 7 days a week and **the decay of our moral foundation as a Christian nation is being smothered and persecuted just like when Jesus Christ, our Lord and Savior walked this earth and it worsens by the day.**

God's Commandments – not requests – mean nothing to half the country anymore in this country except for devout Christians who do understand and *know there will be a judgment day – the moment you take your last breath. And much of the blame can be laid right at the doors of churches throughout this country.*

A dear friend of mine and his wife moved from Oregon to Texas three years ago. He and his wife went to several churches and settled on one. Last month he was shocked when the pastor (finally) chewed out his congregation for doing nothing to save this country. My friend said it was so powerful, if only other churches in this country would stop worrying about not offending someone (depleting their coffers) and start warning their congregations about the true goal of wiping out Christianity in this country.

From Mel Gibson's movie, The Patriot (one of my favorites):

["Charlotte"](#): You have done nothing for which you should be ashamed.

[Benjamin Martin](#): I have done nothing. And for that I am ashamed.

America is becoming a lawless, terrorizing nation between lying politicians who betray us daily to illegals/migrants raping, murdering and robbing Americans. The video clip is not to incite violence but rather to motivate congregations across this country in churches of all denominations to tell their pastor, minister: Stop with the feel-good stuff and start warning your flock what's just over the horizon if they don't get off their duffs while waiting "for Jesus to save us". My late mother used to say, God helps those who help themselves.

Yes, do pray because without divine intervention (think the Revolutionary War), we will lose. When America lived by the

Ten Commandments from the only true God, our country flourished and we were loyal Americans. Now America's children are taught to hate and mutilate their bodies.

Get out the vote. Volunteer to drive legal voters to the appropriate voting spot who might have mobility problems or no transportation. Tomorrow I'll be at our election main office volunteering to sign up *legal* voters.

Sheriffs across this country are doing their best, but we must get Trump elected to begin the massive deportation operation. Countries in Europe over run with illegals should take a lesson from him: [‘Welcome to the Club’: Conservative Hungarian PM Orbán Mocks German Chancellor Scholz’s Decision to Close Borders to Illegal Migrants](#), Sept. 14, 2024 (Hungarian Prime Minister Viktor Orbán (He has stood firm -closed their borders- while the EU beats up on him and now they're groveling.)

We must take control of the House and Senate to pass former Senator Harry Reid's 1993 anti-illegals bill – the strongest one ever written.

[Demoting Islam's Religion Status](#) by Martel Sobieskey. An Impostor Religion: “To put it bluntly Islam's religion status should be rescinded because it is a wolf in sheep's clothing, a Trojan horse, an impostor religion that has arrived on our shore with malicious intent, deathly determined to replace our constitution with the Koran, and turn America into an Islamic nation controlled by Sharia law.

“Robert Spencer in his excellent book, “Stealth Jihad” (How Radical Islam Is Subverting America Without Guns or Bombs), explains how so-called moderate Islam is having greater success at invading America than its counterpart militant Islam. Shockingly, one may rightly conclude that America is now being conquered without Islam even having to fire a shot. **Have we really become that docile, self-complacent and pathetic? The answer is Yes!”**
