"Government is not the solution to our problem, government is the problem." – Ronald Reagan

"I've been told that some members of Congress disagree with my tax cut proposal. Well, you know it's been said that taxation is the art of plucking the feathers without killing the bird. It's time they realized the bird just doesn't have any feathers left." – Ronald Reagan

"The end may justify the means as long as there is something that justifies the end." – Leon Trotsky, [*Their Morals and Ours: The Class Foundations of Moral Practice*](#)

"How dreadful are the curses which Mohammedanism lays on its votaries! Besides the fanatical frenzy, which is as dangerous in a man as hydrophobia in a dog, there is this fearful fatalistic apathy. The effects are apparent in many countries. Improvident habits, slovenly systems of agriculture, sluggish methods of commerce, and insecurity of property exist wherever the followers of the Prophet rule or live. A degraded sensualism deprives this life of its grace and refinement; the next of its dignity and sanctity. The fact that in Mohammedan law every woman must belong to some man as his absolute property – either as a child, a wife, or a concubine – must delay the final extinction of slavery until the faith of Islam has ceased to be a great power among men. Thousands become the

brave and loyal soldiers of the faith: all know how to die but the influence of the religion paralyses the social development of those who follow it. No stronger retrograde force exists in the world. Far from being moribund, Mohammedanism is a militant and proselytizing faith. It has already spread throughout Central Africa, raising fearless warriors at every step; and were it not that Christianity is sheltered in the strong arms of science, the science against which it had vainly struggled, the civilisation of modern Europe might fall, as fell the civilisation of ancient Rome.” – Winston Churchill, [The River War](#)

“We are five days away from fundamentally transforming the United States of America.” – Barack Hussein Obama, Oct. 30, 2008.

We have come full circle. The Democrat Party of the Ku Klux Klan has now morphed into the party of Antifa, Black Lives Matter, pro-MS13, pro-Hamas, pro-Criminal Illegal Aliens and pro-Abortion Angie’s List.

as the DeMS13 Party. It has now fully embraced the two totalitarian ideologies of Islam and Marxism.

We have seen the party or JFK fundamentally transformed into

the party of Barrack Hussein Obama.

We have seen government grow exponentially under Obama with his ObamaCare mandate.

We have seen govern grow under the Biden administration with the support of the climate change activists, Islamists and Communists in our government.

We have seen Islamist Communist Party of America candidates from Alexandria Ocasio-Cortez, to Ilhan Omar to Zohran “the Zoolander” Mamdani in New York City.

To understand just how far the Islamist Communist Party of America has created big government’s deep state watch the following videos:

The Bottom Line

The Islamist Communist Party of America and its elected officials in Congress and its candidates have stolen billions from we with people. They have sent trillions to our enemies overseas including Iran, Hamas and Ukraine.

No the Islamist Communist Party of America is building resistance labs, i.e. terrorist organizations, to stop the MAGA movement.

to SABOTAGE Trump

The Islamist Communist Party of America now has an approval rating of 18% among the American people.

The midterm elections of 2026 can become a seachange in flipping the U.S. Congress and provide Republicans with a super majority in both the House and Senate.

The Trump administration is not only deporting criminal illegal aliens who have wrongfully taken billions in taxpayer money and voted illegally in the 2024 election.

But the administration is working daily to insure that only legal American citizens can vote but also removing all illegal aliens from the census which will take away Congressional seats from blue states.

It is vitally important that the MAGA movement keep the pressure on Congress to continue to cut fraud, waste and abuses of we the people.

Never give up, never surrender. We are now in the Make America Great Again period, but with presumptive President JD Vance as POTUS 48 and 49 we will morph into the "Keep America Great" movement.
