

# The Unmitigated Gaul, Incompetence and Corruption of Joe Biden

By Frosty Wooldridge

January 2, 2025

Are you angry about what's happening to our country? I am livid! I could just spit at this president and Congress. Every day we click on the television, yet another tragedy visits endless Americans. It's beyond comprehension.

Some nut job Muslim ISIS terrorist killed 15 and wounded 30 by driving his truck down Bourbon Street, New Orleans at high speed. He carried I.E.D.'s along with a reported couple of other terrorists with more I.E.D.'s set up in other parts of the city. They're calling it the "New Orleans Massacre." It's another mini-9/11 perpetrated on the American people because our horses-ass president and Congress won't stop mass-illegal immigration from Islamic countries.

They said Mr. Jabbar was an American citizen. That's false! He's a pretend citizen. No Muslim will ever be a loyal American citizen because they believe in the Quran. And, the Quran forbids any believer to betray the dictates of that most violent book of Islam. It commands its believers to, "Covert or kill all non-believers." Muslims only honor Mecca and Mohammed, along with their violent god, Allah. They cannot and do not subscribe to the U.S. Constitution. Yet, our idiots in Congress keep pumping them into our country like fleas off a camel's rump.

I've worked in New Orleans. I admire Senator John Kennedy (R-LA). He's down-home country with common sense and incredible humor. I wish the rest of the U.S. Senate and House thought like him, spoke like him and made sense like him.

If you visit Detroit, Michigan, you can see "Little Baghdad" being recreated in our country. All on welfare! If you visit Minneapolis, Minnesota, you've got "Little Mogadishu" of Muslims piled in on each other at over 120,000 of them, and they're all on welfare off American taxpayers' backs. It's almost mind boggling to think some politician in Washington DC thought it was a good idea to import that savage 6th century religion into our country. Look what they're doing to our Jewish citizens whom the Muslims want exterminated. And, we sit here paralyzed when they march around with ISIS flags and Palestinian in America. Those holding those flags vehemently hate America.

Why did Joe Biden absolutely betray our country? Or, why did his handlers betray our country in the past four years? Why? Biden and/or his handlers invited, engineered, and paved the way for 15 million illegal aliens of every kind of stripe: terrorists, rapists, murderers, crazy people, ISIS Jihadists, illiterates, drug dealers, MS 13 gangs, Tren de Aragua gangs, shoplifting gangs, and worse. Even the ones that are simply refugees, cost U.S. taxpayers \$150,000,000,000.00 (billion) annually for the past four years. (Source: [www.fairus.org](http://www.fairus.org))

Those illegals have killed Laken Riley at the University of Georgia. They've killed women and raped them in San Francisco, LA, New York City, Miami—and yet, those fools like Gavin Newsom, Kathy Hochul, Jared Polis in Colorado, and that worthless mayor in Chicago, Brandon Johnson, keep their Sanctuary Cities open to all those criminal illegals. None of it makes any sense!

Is Biden gunning for becoming the WORST president of all time? Well, he's there! He is the worst U.S. president, ever!

About 270,000 drug overdose deaths in the past four years of Americans because of Biden's open borders would tell you that Biden is hundreds of times worse than 9/11 of only 3,000 deaths by Muslim terrorists.

Whose city and which Americans are the next, "\_\_\_\_\_Massacre" that we all get to read about, or we are dead because of Biden's open borders and Congress doing nothing to stop 15 million illegals.

France did the same thing to itself in the 1970's. It opened its borders. Jean Raspail, in *Camp of the Saints*, said, "You don't know my people—the squalor, superstitions, the fatalistic sloth that they've wallowed in for generations. You don't know that you're in for it if that fleece of brutes ever lands in your lap. Everything will change in this country of yours. They will swallow you up."

Today, France stands eyeball deep in division with its "Muslim brutes" who are taking over. All of Europe has bent itself into a pretzel to welcome the third world's illiterate brutes--and now, they have destroyed their countries as to culture, language, and way of life. It's sickening to see it firsthand.

America continues to "diversify" itself to death. "Diversity within a nation destroys unity and leads to civil wars. Immigration, a benefit during the youth of a nation, acts as a disease in its mature state. Too much internal diversity in large nations has led to violence and disintegration," said social scientists Garret Hardin. "We are now in the process of destabilizing our own country through the unlimited acceptance of massive immigration. The magic words of the destabilizers are "diversity" and "multiculturalism."

One historian said, "Most great nations don't die by being conquered; they die by internal suicide."

In the end, Biden IS the biggest liar, biggest con man, and

most dishonest president in U.S. history. He was part and parcel of his son's millions of dollars from influence pedaling with Burisma and China. He pardoned his liar, thief, con-man, drug addict, whoring son named Hunter Biden. To pardon him for 10 years and 11 months of crimes means he was a career, hardened criminal. Like father like son!

If we Americans continue to vote people like Schumer, Pelosi, AOC, Rashida Talaib (Muslim), Ilhan Omar (Muslim), Brandon Johnson, Gavin Newsom, Hickenlooper, Bennet, Polis, Biden, et al., we Americans are putting a noose around our necks, while they pull the drop cord that lets us die a miserable death.

In 2025, we must take action to support President Trump to pull us out of this nose-dive. Our very existence as a viable civilization hangs in the balance.
