

The War on White Christian Men

Note: Most websites won't post this simply because the title is not PC.

This may be a tough read for some of you. Especially those who have their heads hidden under the covers. All is not peachy in this Spiritual war in America. Especially if you are a bold, active Christian.

The war in our nation is not political. It is not Republican/Democrat, black/white, old/young, rich/poor, or any other phony "war" they have mustered up.

No, my friends, the war is as old as time itself. It is a battle of the "seed of the serpent" and the "seed of the woman" ...between "his" seed and "her" seed. [Read Psalm 2](#). It is no more complicated than that.

Permit me to break it down in simple terms for you,

The battle in America, and the world, is between two seeds. The term "Seed" represents offspring. Despite what you may have been taught in your church not all people are children of God. In fact, Jesus pointed that out ***"You are of your father the devil, and the lusts of your father you will do."***

Did you know that? Has your Pastor taught you that the Devil has ACTUAL children? [Read it again HERE](#). Perhaps that is why

Christianity is in such a mess in America. We can't even recognize who the real enemy is.

"The children of the Devil" hate Christianity. They hate those who were created in HIS image. They hate those who wish to "do the will of the They hate the "children of God" who have been called to expand the Kingdom of God.

There is no neutral ground in this battle. You either serve Jesus or you serve the Devil. There is no de-militarized zone.

Christians have been hood-winked. Because of the misunderstood statement that the Church and the State are to be "separate" the Body of Christ has been taught that the Body of Christ is subservient to the government of men. Christianity isn't a CHURCH; it is a BODY. Jesus is the HEAD of all things, in all things, and through all things. That is what the Bible teaches.

What happens to a BODY if you separate it from the head? It is called decapitation. America has been decapitated. Christ is the head of all things...except the government. The head has been removed from the body. The results of the willful decapitation is playing out in the lives of innocent Christian men all across this nation.

[My long-time pastor/friend Bill Dunfee](#) was just sentenced to 30 months in Government prison for preaching the Gospel in Washington DC on Jan. 6th 2021. You read that right. Nearly 3 years after the "insurrection" Pastor Bill was whisked off to the Gulag. (Biased article attached.)

He never entered the capitol, committed no violence against another person, carried no weapon, (unless you consider a Bible and a bullhorn weapons), broke no windows, and violated no one's freedom. His legal defense cost him upwards of \$100,000 and he was not permitted to take the witness stand on his own behalf. To do so would show "lack of remorse" and lead to a longer prison sentence if found guilty. As you read this,

he sits in the Gulag in Washington.

Meanwhile, in Tennessee, look at this headline. "[Christian woman who survived concentration camp prepares to die in US prison over FACE Act charges.](#)" You read that right. Our Luciferian controlled government is about to sentence an 88 year-old holocaust survivor to jail for attempting to rescue an unborn human being. Eva also is a friend of mine. Eleven of her co-conspirators face a similar fate. Christians are being arrested all across the fruited plain.

BTW...in what prison are the ANTIFA fanatics [who burned American cities](#) locked up? How about the [George Floyd protestors?](#) Remember those who burned the Church in DC?

[Over 1250 have been charged](#) for J6 violations. Many still waiting trial. No bail. Most of them God-fearing WHITE men. (Can you imagine the outrage if this had been done to black BLM rioters!) Sorry to bring up race. But this discrimination is RELIGIOUS! These are mostly WCM! White Christian Men! The most discriminated-against group in America today!!

Let me wrap this up. Although not all Christians are White, American Christianity is very Anglo-Saxon. [Read this.](#)

*An analysis of the participants who breached the U.S. Capitol, done by the Chicago Project on Security & Threats, an international security affairs research institute based at the University of Chicago, found that 93% of them were white. However, the analysis also **found that 87% of those arrested were not affiliated with any violent right-wing groups, but were "Normal" pro-Trump activists joined with the far right to form a new kind of violent mass movement.***

There is a war on WCM in America today being waged by often WHITE NON-CHRISTIAN men. There isn't a race war in America...there is a RELIGIOUS war. Look at the Democrat Party. How many of the powerful are CHRISTIAN men?

Did you know [that 90% of members](#) of Congress claim to be Christian? If that is true, then why are so many of our public policies so un-Christian?

Could it be that we are asking the wrong question? Is the proper query not WHO is a Christian, but WHAT is a Christian. Is Christianity a label or a lifestyle?

“Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven. Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works? And then will I profess unto them, I never knew you: depart from me, ye that work iniquity.” –[Matthew](#).

“First, they came for the Communists and I did not speak out because I was not a Communist. Then they came for the Socialists and I did not speak out because I was not a Socialist. Then they came for the trade unionists and I did not speak out because I was not a trade unionist. Then they came for the Jews and I did not speak out because I was not a Jew. Then they came for me. And by then there was no one left to speak out for me” –Martin Niemöller.

You better buckle up. Statistics are not racist. The cost of speaking the Truth is inflationary. Especially if you are a WCM.
