

There Is NO Moral Equivalence Between Hamas/Orthodox Islam and Israel and the Jews

Some things ARE binary. Hitler and the Nazis were evil; their actions made them so. They were not morally equivalent to the Allied forces.

The ACTIONS of Orthodox Muslims over the years (Jihadis are among that group) have demonstrated that their actions were and are evil.

I'm not referring to "good-hearted Muslims." I'm talking about the Muslims who ran the slave trade in Africa, who invaded country after country, turning Christian countries into Muslim ones—by the brutal power of the sword. Check the webpage "[The Tears of Jihad](#)," which documents that Islam has killed over 270 million civilians in the last 1,400 years. FAR more than Marxism.

The brutality of Islamic Jihads is unmatched. Many of them (even in the recent Oct 7th attacks) committed unthinkable atrocities; like raping dead women. This is a documented fact and has been approved of by many Orthodox Imams.

Conversely: how many countries have the Jews invaded in the last 1,400 years? None. They were homeless and did not attempt to conquer others, but were instead persecuted all over the world.

When they moved back to Israel, they were moving back to their own country and tried very hard to accommodate Arab Palestinians, making multiple overtures for peace with treaties and offers that the Palestinians rejected.

How many aspects of Western, Christian civilization did the Jews wipe out? None. So many Jews have contributed in incredible ways to *advance* freedom and a better civilization.

How many aspects of culture and Western Civilization have Islam and its orthodox adherents wiped out? As much of it as they can, everywhere they can. Art, music, statues, great books: Islam hates it all. Really. This is historically documented everywhere Islam has advanced.

The Jews gave Gaza to a group of Palestinians that other Muslim countries refused to host (like Jordan). They don't rant about killing the Muslims from the river to the sea. Many Arabs are in high positions of power in Israel (e.g. the Supreme Court, etc.)

How many Jews are treated well in Gaza? Zero.

There Is NO Moral Equivalence Between Hamas/Orthodox Islam and Israel and the Jews of the World.

I think that all people who stand for FREEDOM need to take a good, hard look at the actions, morals, precepts, and goals of

Orthodox Islam. It is a cancer upon the world and has been since its inception. If you value freedom, you should vigorously oppose Islam. Not good-hearted Muslims. They are “slaves” to Islam, as I documented in my video and article: [“For Muslims and Non-Muslims, Islam Is the Ultimate Tyranny.”](#)

Let’s stop bashing Jews and Israel. Israel is the ONLY beacon of democracy in the Middle East. Do you really want to stamp out the Jews from the river to the sea like Orthodox Muslims?

A moral future demands that we stand up for freedom for the Jewish people and for Israel.
