

There Is No Political Solution With Terrorists

By Kelleigh Nelson

*Behold, he who keeps Israel will neither slumber nor sleep.
—Psalm 121:4*

Pray for the peace of Jerusalem: they shall prosper that love thee. —Psalm 122:6

No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the Lord, and their righteousness is of me, saith the Lord. —Isaiah 54:17

Behold, I have graven thee upon the palms of my hands; thy walls are continually before me. —Isaiah 49:16

As it is written, Jacob I loved, Esau I hated. —Romans 9:13

We are traumatized, but not paralyzed. —[Rabbi Elliot Cosgrove](#)

Hamas and Hezbollah are terrorists funded by the number one terrorist state, Iran. (See General Mike Flynn's book, [Field of Fight](#).) Much like America, the people of Iran do not agree with or condone their leadership. Yet, the religious hierarchy persists in controlling their people with fear and intimidation.

Terrorism is defined as acts of violence intentionally perpetrated on civilian noncombatants with the goal of

furthering some ideological, religious or political objective. In this instance, it is the age-old Biblical hatred of Israel by Ishmael and Esau.

That hatred which characterizes the descendants of Ishmael and Esau began as early as [Numbers 20:14-21](#), and has continued throughout the biblical period and into modern history. A passage that summarizes this entire attitude is [Psalm 83:1-8](#).

The following list shows the ancient names of Israel's enemies and, on the right, who they are today (See Page 490 in The Footsteps of the Messiah by Dr. Arnold Fruchtenbaum):

Edom	Southern Jordan
Ishmaelites all the Arabs	One of the fathers of
Moab	Central Jordan
Hagarenes	Egypt
Gebal	Lebanon
Ammon	Northern Jordan
Amalek	The Sinai Peninsula
Philistia	The Gaza Strip
Tyre	Lebanon
Assyria parts of Syria	Primarily Iraq and

The Land of Israel

Discerning Christians must understand that underlying the political turmoil is a religious dispute over the land claimed by Arabs and the land given to Israel by the Lord. Christians who want to be on the winning side of this argument and true

to God's Word, should be extremely hesitant to take a position that undermines Israel's right to the land our Creator gave them. Otherwise, they may find themselves fighting against God ([Acts 5:39](#)).

In [Genesis 17:8](#), God promised the land of Canaan to Abraham and his offspring. It should be noted that the Promised Land was given as an *everlasting* possession; there would be no end to Israel's lawful claim to it. Also, there are no conditional clauses in this promise indicating that the fulfillment of the promise was not dependent on the action of Abraham or his offspring.

Not a single verse in all of Scripture declares that God has revoked the promise He gave to Abraham in [Genesis 17:8](#). In fact, the opposite is true. More than 130 passages in the Bible reiterate the truth that the land of Israel has been divinely given to the Jewish people (cp. [Ps. 105:8–11](#); [Acts 7:5](#)).

God's Word settles the ownership of the land as Israel's.

1972 Israeli Massacre by "Palestinians"

In September of 1972, the Olympic summer games were held in Germany. They had not been held in Germany since the 1936 Olympic games which were filled with a show of Hitler's Nazi propaganda, stirring significant conflict.

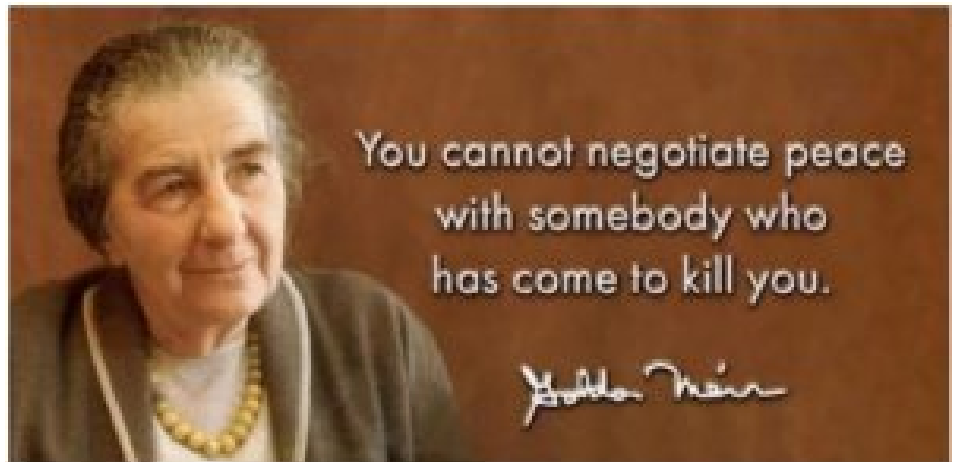

Boycotts of the 1936 Olympics failed, and the Nazis promoted an image of a new, strong, and united Germany while masking the regime's targeting of Jews and Roma gypsies as well as Germany's growing militarism.

[Here](#) is the full story of the tragedy of the Munich massacre of eleven Israeli Olympic team members orchestrated by affiliates of the Palestinian militant group [Black September](#), an affiliate of the Palestine Liberation Organization (PLO). Their mission was to hold Israeli athletes

as hostages and demand the release of 236 prisoners, 234 in Israel and the two leaders of the West German Baader-Meinhof terrorist group.

Golda Meir was Israel's first and only female prime minister.

On 5 September 1972, she appealed to other countries to "save our citizens and

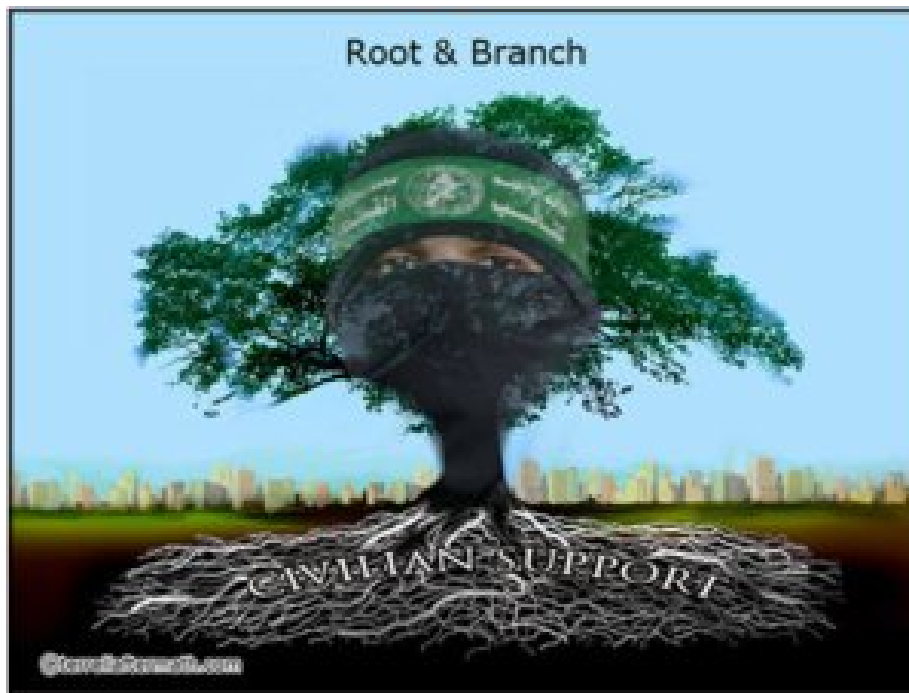

condemn the unspeakable criminal acts committed." She also stated, "if we [Israel] should give in, then no Israeli anywhere in the world shall feel that his life is safe ... it's blackmail of the worst kind."

I am praying that the iron strength of Prime Minister Golda Meir still shines through Israel's leaders today. Golda's words are true.

Many refer to the grandmotherly image of Golda as the "Iron Lady." When the Israeli Olympic members were murdered, Meir and the Israeli Defense Committee [secretly authorized Mossad](#) to track down and kill those allegedly responsible for the Munich massacre. Golda authorized [Operation Wrath of God](#), a targeted assassination campaign against Black September operatives and organizers.

The accusation that this was motivated by a desire for vengeance was disputed by [Zvi Zamir](#), who described the mission

as “putting an end to the type of terror that was perpetrated” in Europe. To this end Mossad set up a number of special teams to locate and kill these [fedayeen](#), aided by the agency’s stations in Europe.

There was no directive for revenge.

Today’s Antisemitic Lies

With the recent attack by Hamas on Israel, the antisemites are jumping to the conclusion that Israel purposely allowed Hamas to attack the Israeli people so the Israeli Defense Force (IDF) could attack and take back Gaza.

Twitter poster, [Lauren Witzke](#) claims Netanyahu ordered the Israeli military to STAND DOWN for 7 HOURS during the Hamas invasion.

Others [claim Egypt warned Israel](#) of a possible attack from Gaza three days prior to Hamas launching it’s deadly and criminal attack against noncombatant Israelis.

Various other sources claim Israel has the highest defense intelligence, and it must be true that they allowed this to happen.

The lies are pointed at Israel being the culprit responsible despite the fact the unprovoked attack has murdered 1500 innocent Israelis, visiting Americans and kidnapped for ransom, at least 150.

Earlier this month, in an extremely rare and complex operation, Hadassah Medical Center surgeons reattached a 12-year-old boy's head to his neck after a serious accident in which he was hit by a car while riding his bicycle. Suleiman Hassan, a Palestinian from the West Bank, has made an amazing recovery.

On October 11, the [IDF rescued a Muslim doctor](#) who was being held hostage by Hamas. He had been shot and was used as a human shield.

This is not the act of a nation who would allow even one of their citizens to be murdered for a political purpose, and there are thousands of stories like this every day regarding Israel's mercy and care for men, women and children of all races and ethnic backgrounds, including Muslims.

Israel sits surrounded by Islamic held countries who would like nothing better than to wipe the tiny Nation of Israel off the face of the earth. But it will never happen.

There are numerous intelligence agencies within Israel. Each branch of their military has an intel agency. Then there's the [Mossad](#) who are responsible for foreign intelligence, [Shin Bet](#) who are responsible for internal security, including the Israeli occupied territories, there is an intelligence branch of the Israeli police and The Center for Political Research which is the intelligence branch of the Israeli Ministry of Foreign Affairs.

How is it that they did not know?

Before anyone believes this antisemitic tripe that they knew, let's take a closer look at the last several years of this ungodly American administration and their ties to the terrorist State of Iran.

American Involvement

[The Conservative Treehouse](#) exposed this, “Mike McCaul left a “*non-classified*” White House briefing by DNI Avril Haines and the State Dept, likely Victoria Nuland, and immediately went to the microphones to push a false story that Egypt had warned the Israelis in advance of the Hamas attack ([GO DEEP](#)). **That never happened.** Additionally, it was just a few weeks ago when Council on Foreign Relations (CFR) member Maria Bartiromo dropped her mask in the interview with Matt Gaetz ([LINK](#)).” Bartiromo defended her fellow WEF member, McCarthy.

But let’s go back a bit further...

It appears to many Americans that Joe Biden is simply the mouthpiece for former President Barack Hussein Obama and his minions. As such it is striking that back in 2003, Obama gave a farewell bash in Chicago for guest of honor, Rashid Khalid, the former mouthpiece for master terrorist, Yasser Arafat.

Why is the *Los Angeles Times* sitting on a videotape of the 2003 farewell bash in Chicago at which Barack Obama lavished praise on the guest of honor, Rashid Khalidi?

The [National Review](#) reports, “At the time, Khalidi, a PLO adviser turned University of Chicago professor, was headed east to Columbia. There he would take over the University’s Middle East-studies program (which he has since maintained as a bubbling cauldron of anti-Semitism) and assume the professorship endowed in honor of Edward Sayyid, another notorious terror apologist.

“Featured were, Khalidi’s allies, colleagues, and friends, including Barack Obama, then an Illinois state senator, and Bill Ayers, the terrorist turned education professor. It was [sponsored](#) by the Arab American Action Network (AAAN), which had been founded by Khalidi and his wife, Mona, formerly a top English translator for Arafat’s press agency.”

On January 25, 2021, newly placed illegitimate President Biden appointed a Palestinian American to a key intelligence

position. [Israel Hayom](#) reports, “US President Joe Biden has appointed Palestinian American Maher Bitar to the role of senior director for intelligence programs at the National Security Council, according to a report in *Politico*.”

“Maher Bitar served as National Security Council director for Israeli, Palestinian affairs under former US President Obama. As Rep. Adam Schiff’s top legal representative, he was deeply involved in Trump’s first impeachment.”

Funding Israel’s Enemies

Approximately \$7 billion of military equipment was left behind in Afghanistan after the US completed its withdrawal from the country in August 2021, according to a congressionally mandated report from the US Department of Defense.

The equipment included aircraft, vehicles, munitions, guns, and communication equipment, as well as other gear, in varying states of repair. The report also details the bounty of weaponry and equipment awaiting Taliban officials once the last U.S. troops left Hamid Karzai International Airport in Kabul on August 30, 2021, nearly two decades after the first U.S. forces arrived.

“Everything that happened was foreseen,” Senator Jim Inhofe

said at the time. "President Biden and his advisers didn't listen to the combat commander. He didn't listen to Congress, and he failed to anticipate what all of us knew would happen."

Most Americans believe those military weapons ended up in the hands of Hamas, Al Qaeda and Hezbollah...the latter of whom is now saying they are [ready to join Hamas](#) in the conflict against Israel.

We're all aware of the \$150 billion plus \$1.18 billion in cash given to Iran by President Obama.

President Trump claimed, "Iran's hostilities substantially increased after

the foolish Iran nuclear deal was signed in 2013 and they were given \$150 billion, not to mention \$1.8 billion in cash. ... Then, Iran went on a terror spree, funded by the money from the deal and created hell in Yemen, Syria, Lebanon, Afghanistan and Iraq. The missiles fired last night at us and our allies were paid for with the funds made available by the last administration." (From Jan. 2020 speech by President Trump)

Only a month ago, Biden gave Iran another \$6 billion through a complicated prisoner swap costing \$1 billion per prisoner. Was it stopped, or did it go through? There are varying reports.

Yesterday, October 15, 2023, [Iran warned Israel of escalation](#)

by other parties in the region if aggressions against Hamas do not stop. "If the Zionist aggressions do not stop, the hands of all parties in the region are on the trigger," Hossein Amirabdollahian was quoted as saying.

Perry Hooper Jr.'s [article in the Western Journal](#) claims Iran played Biden like a Stradivarius including their proxy terrorists, Hamas. "Secretary of State Antony Blinken didn't just resume the \$235 million in aid to the Palestinian Authority that President [Donald Trump](#) withheld; he bragged about it."

The [BBC reported](#), "[Secretary of State Antony Blinken said the US plans included \\$75m in economic and development assistance](#) in the West Bank and Gaza, \$10m for peacebuilding programmes through the US Agency for International Development (USAid), and \$150m in humanitarian assistance for the UN Relief and Works Agency for Palestine Refugees (Unrwa).

"The US will also resume security assistance programmes with the Palestinians.

"The funding is in addition to the \$15m in assistance to address the impact of the Covid-19 pandemic and food insecurity in the West Bank and Gaza that the US announced last month."

Of course, Hamas terrorists benefited.

"And let's not gloss over the fact that Biden siphoned off munitions from Israeli stockpiles for transfer to Ukraine. Now Biden is supporting Ukraine at the expense of our greatest ally's immediate security."

Ten days later, Biden is still nowhere on support for our ally Israel.

Mr. Hooper ended his article with this statement, "Biden has been supporting a regime that is pure, unadulterated evil. The

terrorists murdered, raped and kidnapped innocent women and children. Their murders were captured on their cellphones and uploaded to their Facebook accounts.”

The reality as I see it, and this is strictly my opinion...Iran didn't play Biden like a fiddle. Biden and his puppeteer, Obama, were all too willing to go against Israel and support her enemies and this has been planned since Biden took office.

Islamic Terrorists, Illegals, Communists and Chinese

FBI Director, Christopher Wray, appointed by President Trump at the suggestion of Chris Christie, originally stated there were no increased terrorist attacks after the Hamas attack on Israel. Wray said they did not “have specific and credible intelligence indicating a threat to the United States.” [Link](#)

He has changed his tune.

Today, October 16th, 2023, Wray says reported domestic threats have surged as conflict in Israel escalates. [Link](#) We all knew they would. We watched as thousands participated in pro-Palestinian protests in New York City, Chicago and other cities across the nation.

Leo Hohmann [reported](#), “Up to 1 million Gaza refugees looking for new homes and U.S. is first to raise its hand.” With 70% of Gazan residents agreeing with the attacks on Israel, I would close and lock the entrance gates to America. Will you enjoy hearing the Islamic call to prayer several times a day?

What Wray isn't telling you, is the danger ahead. Since Biden's open border, over seven million illegal aliens have entered this country. They are being paid by entities funded by the federal government including Catholic and Lutheran Social Services. They are not directly connected to the churches, but they are definitely instrumental in funding the illegals via federal handouts.

There are an alleged 5.5 million Chinese in our country, the majority of which have allegiance to Xi Jinping. (Article to follow on them.)

[Communists have come to America since 1825](#), and a flood of them immigrated from Germany in 1848. By 1950, Sen. Joseph McCarthy had seen the evidence of infiltration throughout the federal government and their agencies. It is quite obvious to those of us who were taught the evils of communism in our public schools years ago, that what we're seeing is another communist revolution, only this time in America.

Add up all those numbers of people, and you have a formidable army of evil against our people.

Conclusion

I support Israel, and her people. I hope the majority of Americans will also support our ally in the Middle East.

[Genesis 12:1-3](#) makes it clear that the Lord will bless those who bless Israel, and curse those who curse her. This is a portion of the unconditional Abrahamic Covenant to Israel. It is the Lord's promise and it is forever.

Here are the many organizations who need our funding. Please help where you can. Every little bit counts against the evil perpetrated against God's people.
