

There is Something in the Water

By Coach Dave Daubenmire

February 23, 2023

[2 Kings](#) 2 19 *And the men of the city said unto Elisha, Behold, I pray thee, the situation of this city is pleasant, as my lord seeth: but the **water is naught, and the ground barren.** And he said, Bring me a new cruse, and put salt therein. And they brought it to him.*

*And he went forth unto the spring of the waters, and cast the salt in there, and said, Thus saith the Lord, I have healed these waters; there shall not be from thence any more death or barren land. **So the waters were healed** unto this day, according to the saying of Elisha which he spake.*

A calamity of Biblical proportions has hit the small Ohio town of East Palestine. A train derailment on Feb. 3 and the subsequent burning off hazardous material sent a plume of poison spreading over the Eastern Half of the United States. The consequences of it may be catastrophic. I live in Ohio. So, this hits close to home.

No one knows who to believe. Folks all across America have

lost hope in the Government. The same government that told us to wear masks against an invisible virus now tells us that the polluted air that we can see is safe. Fool me once shame on you...fool me twice shame on me.

So, what do we do? Without getting into conspiracy theories and governmental intentionality, perhaps we would do well to turn to the ONE who has all the answers. Only Christ can rescue this fallen nation.

God is faithful to those who bear His Name. Instead of turning to more "scientific experts" perhaps it is time to call upon the NAME that is above every name. Only Jesus can save America.

For the past 4 days we have been leading an initiative that is calling Christians all across this land to help our nation return to our Biblical foundation. [Psalm 11](#) says "If the foundations be destroyed what can the righteous do?"

We are asking you to help us Pass The Salt just as Betty and Jeremiah are doing to the Ohio river.

Please go [HERE](#) for instructions In a Nutshell...we are asking YOU to get involved. In the Scriptures water represents the Holy Spirit, cleansing, anointing, and life. LET'S BELIEVE FOR THE LORD TO CLEANSE THE WATERS OF AMERICA. Let us invite the Holy Spirit back in this nation.

As you read this, a group of us are in East Palestine, Ohio at the site where the Chemical Bomb was exploded. We have travelled here to PASS THE SALT at the mouth of the Ohio river where this toxic bomb was released. We are asking and believing the GOD of Abraham, Isaac, and Jacob, to honor our obedience and purify the water and land which the EVIL ONE has attempted to destroy.

We are believing for LIVING WATERS...anointing and blessings of God...to once again flow over this nation.

Won't you join our efforts? Won't you help us? Let's invite Christ to once again rule and reign over this land.

Simply grab some salt. Load up your children or friends and PASS THE SALT into every river, creek, stream, and water source in your community. Cry out "LORD!! PLEASE RESTORE LIFE TO THESE WATERS AND TO THE LAND IN WHICH THEY FLOW. LET YOUR LIVING WATER FLOW THROUGHTOUT THIS NATION AGAIN!!

It is that simple. It is time we fought back against the evil forces that are HELL BENT on destroying this nation. Lord CLEANSE America!! Wash us clean!! Restore YOUR LIFE to this land.

[Please Watch this.](#) **There is something in the water.** May God's Holy Spirit breathe life into this nation again. Let's give Him an offering He can work with.
