

Things That Need to be Said

By Glynn Adams

May 23, 23

These are things that I have said many, many times over the last few years and they need to be said again. In our so-called-religion we call Christianity today, we love and worship a Jesus we have created in our own image not the God of the Bible! We hardly care what the Scriptures say but we'll make them say what we want them to say by taking Scriptures out of context. What we call church today is not on the same page with Jesus Christ and His Kingdom Message.

Jesus did not come to earth to start a religion called Christianity. He came to restore the government of the Kingdom of God (the rule of God), to return dominion to man so we could influence our nation with the ways of God by doing the will of God on earth as it is done in heaven. Those who follow Christ were to bring heaven to earth but instead we have forsaken the ways of God, created our own religion and religious systems. As a result, we refuse to obey the LORD Jesus Christ nor will we resist anyone who exalts themselves against the Word of God – in fact we plainly just ignore evil!!

Jesus only preached one message – the Kingdom of God. Matthew 4:17, “Repent for the Kingdom of God is at hand.” Change your thoughts and ideas – the Kingdom of God is here among you!! “And Jesus was going about in all the cities and the villages, teaching in their synagogues, and proclaiming the gospel of the Kingdom and healing every kind of disease and every king

of sickness.” The gospel is the good news of the Kingdom of God coming to earth. HATH GOD REALLY SAID?

And He said to them, “I must preach the Kingdom of God to the other cities also for I was sent for this purpose.” (Luke 4:43) “But seek first His Kingdom and His righteousness and all these things shall be added to you.” (Matthew 6:33) “And this gospel of the Kingdom shall be preached in the whole world for a witness to all the nations, and then the end shall come.” (Matthew 24:14) “To these He presented Himself alive, after His sufferings, by many convincing proofs, appearing to them over a period of forty days and speaking of the things concerning the Kingdom of God.” (Acts 1:3) Jesus had forty days on earth and He spoke not about His suffering, dying on the cross, or His resurrection. He spoke to His disciples the same message that He spoke to them while on earth. Folks, we have missed the Kingdom message of Jesus Christ and that is why we are so ineffective in America today and in this spiritual mess today where Satan rules and not God!!!!

Many disagree with me on this. I respond by telling you to look closely at our nation and tell me who rules America? Show me a city anywhere in America where God rules. The way of Jesus is ALL about obedience to our King and influencing our nation with the ways of God. The Body of Christ in America is to do the will of God on earth as it is done in heaven. HOW IS THAT WORKING OUT FOR US IN AMERICA TODAY?

We have missed the message of Jesus Christ and we are not on His timeline or on the same page with Him. Religion has no power or authority here in America because all of the power and authority comes from living out the Kingdom of God in our nation. HATH GOD REALLY SAID? Yes, you have not read your Bible religious America!!! You are listening to man and not to God!!!!!!

America today is a captured nation and is ruled by Satan and the demonic occults of the New World Order of Klaus Schwab.

The spirit of Babylon and the gods of Egypt have moved into our nation and we have become a dwelling place of demonic strongholds and demons. The Institutional Denomination Religious Church in this nation with their false pastors have no answer. The Remnant of God in this nation is not organized and we have no plan or leader on this earth. As a result, evil just keeps getting its way in America with little to no opposition!!!!

We are a very long way from what Jesus set up in the Garden with Adam and Eve. He gave them dominion as He gave them a Kingdom Government and they were to influence the earth with the ways of God by doing the will of God on earth as it was done in heaven. When Jesus walked this earth, the problems Jesus faced was with the religious leaders. Jesus confronted them about their false religion that made the Word of God of no effect. It was the religious leaders that had Jesus killed; not the Roman Government. That government ask the religious leaders who they wanted released – a criminal or Jesus? They said the criminal!!

If Jesus came to America in person as He did in earlier times and spoke out against this religious mess we have created in America, pastors and church members would kill Him today!!! You think I am wrong? If a pastor today does not toe the religious denominational doctrines, he is cast out or is killed by words. The Bible says, "Death and life is in the power of the tongue." (Proverbs 18:21) They destroy him and his reputation!!! Religion in America will defend their religion to the death but will not defend the nation against the evil overtaking our nation. As Jesus said, "Satan does not cast our Satan."

Southern Baptist only follow Southern Baptist. Same with Pentecostals. Try to get a Baptist to preach in a Pentecostal Church or attempt to bring together the Church today to fight evil!!! I challenge anyone to find me a Scriptural basis for doing church as we do it today. There is no building, no

pulpit, no choir, no nothing in the Scriptures. The early disciples met in homes or the open air and their work of Jesus was carried out in the villages and towns throughout the area; not in a building. Name me one denominational church that is influencing their area for Christ, making disciples, and doing the will of God on earth as it is done in heaven. We are a captured nation by Satan and we have become a dwelling place for demons and the false gods of Babylon and Egypt in America – with a church on almost every corner in our towns, cities, and countryside.

My particular concern is Americans who profess the name of Christ in a nation proudly religious yet profoundly undisciplined. Many are deceived in what the Second Coming Jesus will be like. Most are not prepared and so many are deceived that the life they are told to be living by their religious institutions will bring a rude awakening to them!!!

Our false religion has set us up for this massive deception overtaking this nation and world, giving all new meaning to Jesus' words, "Strait is the gate, and narrow is the way, which leadeth to life, and few there be that find it" (Matthew 7:14) Yet the prevailing messages by pastors across this land is an ear-tickling message of the moment, pandering to self-interest and making everyone feel good in their sin. No need to worry what is happening across our nation and the destruction of our culture. Preach what the people want to hear; not what they need to hear!!!

How bad is the deception in the church in America? The story of the Titanic's deception closely resembles the deception in the church. Churchgoers by the millions, are believing they are safe in their religious systems and are calling for the return of Jesus Christ to snatch them out of here. Everyone is constantly reminded by their false pastors that they are safe in their religious system. Jesus is love and would not send anyone to hell!!!

Every passenger believed they were safe on their journey that day on the Titanic as it set to sail as everyone kept saying, "She is unsinkable." Neither was there any concern or sense of urgency when the Titanic first struck an iceberg in the North Atlantic at about 11:40PM on April 14, 1942. After all it was unsinkable!!!

Stephen Cox, author of "The Titanic Story", ask, "What is there about the Titanic story that keeps us coming back to it? What is the significance of this story? You can have a real story without risks but the best stories are those that ask the riskiest questions about good and bad. When we try to answer them, we recover our sense of dignity of human life. That's why we keep coming back to the Titanic story – because it makes us think about the things that matter."

"Buried 12,000 feet beneath the sea in total darkness, gone from a world it momentarily defined, the Titanic refuses to die. It's a morality play... observed Newsweek, a biblical warning to those who would dare to challenge the Almighty." In essence, we who are on this earth, are all on the Titanic. It's in a moment of time that encapsulates what life is all about!!! There are pivotal points in our lives when we are brought face-to-face with the things in life that matter most. At those junctures are choices that must be made, choices that inevitably determine the course of our destiny and where we will spend eternity!!!

What are you doing as this great ship of this world system plunges at breakneck speed into the freezing and darkening waters of end time deceptions? For most, it is not what we know but what we don't know that will define a destiny of destruction. Yet we plunge proudly ahead in our religion, thinking we are safe in our religious systems!!

Pastors, churchgoers, presidents, potentates and the poor are all on board man's prideful ship churning headlong into the darkness of deception. Never in human history have the forces

of deception combined with the Devil's demonic host into such a formidable agent of destruction to lead you into perdition. America is full of demons, deception, lies, and we are blindly trusting some pastor or religious system to carry us to face a living God!!!

The greatest warnings to you and me in this day come from our Lord Himself and from his disciples. Most will not heed the warnings. I'm only repeating what Jesus and the Apostle Paul warned that a "strong delusion" will come and most will "believe a lie". (2 Thess. 2:9-12) Who is crying out in your religious systems in America today warning you? False pastors are saying everyday to the deceived, "All is well, you are OK, God is love and will not send anyone to hell."

When I read the Scriptures, in the Old Testament, no one had a comfortable life following God. Many died in obedience to God and many prophets were killed such as Jeremiah who was sawed into. In the New Testament, no one had a comfortable life following the ways of Jesus. Jesus told His disciples upfront they would be hated, sent out as lambs among wolves, persecuted, evil things said about them and all but one died a horrible death.

We have been lied to by our pastors and church leaders today. They tell us we are to be comfortable and that all will go well if you will just come to church. Our nation is being taken over by evil spirits, doctrine of demons, demonic strongholds, powers, principalities, rulers, world forces of the darkness, spiritual forces of wickedness, demonic high places, and authorities of an unseen world and the Body of Christ cannot discern them. Our world as we know it in America is breaking apart and the ones created by the "new birth" called the Body of Christ are paralyzed in their current religious systems and organizations.

In our deception, on the surface too many see that things are looking up or it seems that way – we have food, water, and

money. But what we can't see are the spiritual forces of evil that are working, some openly, but most are working in secret to destroy this nation. We are further down the road to destruction that we realize. If the Body of Christ would just resist and fight the evil before us, God would give us victory. But we refuse!!

"We may ignore our divisions. We may go on with our denominational lives as if our terribly fractured condition is of little consequence, but I assure you, the man who wrote more of the New Testament than any other, would not. The Corinthians' divisions were but a shadow of ours and the apostle delivered them a stinging rebuke. I tremble to think of what the Apostle Paul would say if he saw what we have done to the Body of Christ today by dividing it up into denominations!!! I'm Baptist, I'm of Pentecostal, I'm of Church of Christ and we don't even think of the sin of our divisions!!!

Christians tend to think of Christ's body as something that exists apart from Him, because He is in heaven and His body is on earth. But the Head and the body are connected. In the Spirit, the two are not separate, which is why Paul would exclaim, "Is Christ divided?" to the contentious Corinthians. We have broken His body into pieces and scattered them all over town with denominations. Even in our smaller cities, we see the body of Christ divided into dozens of separate and distinct pieces that rarely, if ever, touch one another. It is self-evident that we cannot function as a body if we are not connected to one another and Christ!!!

This is why unity is indispensable to the body's mission; we simply cannot function as the Body of Christ when we are not joined to one another. Jesus prayed that we would all be one so that the world would know that He was sent by the Father. In America, we ignore this prayer and pretend that the world somehow will know that Jesus was sent by the Father simply because we arrogantly say so, no matter how disconnected and divided we remain. Jesus said to His followers, "They (the world) will know that you are My disciples by your love for one another." (The Fractured Church by Bill Sizemore)

When are we American Christians going to recognize the spiritual mess we are in and see ourselves as the world sees us – pitiful and spiritually dysfunctional? When are we going to repent of our arrogance, pride, and being the world's greatest hypocrites? We spend millions upon millions on television to spread "our brand" all over this world while evil spirits and demonic forces are overtaking our nation and we are so divided, we can't even function as the Body of Christ in our own nation.

Unless we forsake our American "form of godliness", our nation will continue to divide because Christians in our nation are divided, and many more of our American Churches will be picked off by Satan and become part of this "one world religious system which eventually will be led by the false prophet." All because the Body of Christ in America refuses to follow God's New Testament pattern of the Kingdom. The sooner we recognize our divisions as the gross sin against Jesus that it is and repent, the better.

Judgment is here and we can't see it. What is coming to us is unspeakable if we don't repent and forsake our religious ways. We have very little time left to change our ways. War and destruction are ahead of us as well as an economic meltdown, with suffering the likes the world has never seen!!! Our icebergs are straight ahead in the open clearly seen but we are arrogant and proud sailing along, ignoring the corruption,

violence and crime, enjoying the good life while evil rules over us and we are blind and not paying attention!!! Remember, God is love IF you obey Him and follow His Ways!!! God bless, I remain His warrior and watchman, Glynn Adams (Thanks to Charles Crismier and his book Seduction of the Saints and many other wonderful pastors that I trust that made this article possible)
