"Where there is darkness, crimes will be committed. The guilty one is not merely he who commits the crime, but he who caused (Or allowed) the darkness."

If you have not yet understood who is behind all of this immorality, debauchery and abominable activity being pushed upon the people in this country, you need look no further than the government that the people have allowed (Psalm 94:20; Amos 3:3).

Friends, this is a mere exhibition of those who are behind the scenes. These are the ones that mean to bear rule over the American people (John 8:44).

Above are American military heads, abominable men dressed as women (Deuteronomy 22:5).

Not only are they advocating the unthinkable, but now they are even calling forth what they call “transgenders” to incite murder against those that would oppose them in their criminal efforts (John 10:10).

If you are wondering why the [Supreme Court is refusing to enforce the law against these said crimes](#), simply look to who the government appointed to the bench, none other than Elena Kagan.

Also, look to the politicians that have been exposed for their crimes, by name, against children and in some cases, their own.

In conclusion: Friends, Robert Kennedy was right when he said:

“Every time we turn our heads the other way when we see the law flouted-when we tolerate what we know to be wrong-when we close our eyes and ears to the corrupt because we are too busy, or too frightened-when we fail speak to speak up and speak out-we strike a blow against freedom and decency and justice.”

In other words, for us to stand down on these crimes indicates that we are just as guilty as those who are advocating for them.

These criminals need to be brought to justice. Mercy to the wicked is cruelty to the innocent (Proverbs 17:15). Enough!
