

Time to Resist the Evil Before Us

By Reverend Glynn Adams

September 22, 2023

Be sober, be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he may devour. (Ignore him) NO!!! Resist him, steadfast in the faith, knowing that the same sufferings are experienced by your brotherhood in the world." (1 Peter 5:8-9)

In America today, we are just about where the Germans were in World War 2. The churches were ignoring evil and refusing to resist the evil before them. A Lutheran pastor, Dietrich Bonhoeffer and God's Remnant, took a stand against Nazism and proclaimed these words to the nation, "Silence in the face of evil is itself evil; not to speak is to speak; not to act is to act". The religious and citizens in Germany did not listen and their nation was destroyed and much pain and death came upon them.

Now America is facing a greater threat of evil and many pastors, the disobedient religious and citizens are ignoring evil and not resisting evil. The Globalists and the Luciferian elites have cast their hellish spell upon the unregenerate souls of the Progressive Left in America who are impervious to logic, truth, or even rational discussion. These are known as the "woke." But there is another group that has been supernaturally awaken by the Holy Spirit. This stirred-up assembly of God's warriors known as the Remnant of God – those who are characterized by an insatiable appetite for God's

truth, His presence, and His manifested Kingdom of God.

“Repent, for the Kingdom of God is near you.” (Matthew 4:17)
The Kingdom can be translated both inside you and near you or in the midst of you. The Amplified Bible says it the best, “Nor will people say, Look! here (it is) or, see (it is) there! For behold the Kingdom of God is within you (in your heart) and among you (surrounding you)” (Luke 17:21 Amp.)

The goal of all Kingdom warriors is to have the Kingdom manifested both within them and surrounding them at all times. The concept of the presence of the Kingdom both within and around is paramount in Kingdom warfare. The true and ultimate goal of all spiritual warfare is to manifest the Kingdom and see souls delivered from the clutches of the forces of darkness. The Apostle Paul reminds us of this powerful truth in his epistle to the believers in Colossae:

“He delivered us from the power of darkness and conveyed us into the Kingdom of the Son of His love, in whom we have redemption through His blood the forgiveness of sins. (Colossians 1:13-14) From the time we were born from above, we were no longer under the jurisdiction of the principalities and powers that govern the carnal world around us. Instead, we have been conveyed or translated into another domain, the kingdom domain of the Messiah, the King of Kings and Lord of Lords.

All must understand that only the new person in Christ is a citizen of the Kingdom under the domain of King Jesus. The old person is still conditioned to listen to the old taskmasters of darkness. Our work in the kingdom priesthood crucifies our old nature and teaches us to live by the Spirit and the new person. Only the new person can walk in the Kingdom of God. Paul explains about crucifying the flesh in Romans 7:14 – Romans 8:1-17. You would do well to learn this discipline of crucifying the flesh.

If you don't die to your flesh, you will have much frustration and agony trying to walk in the Spirit. Jesus lived a perfect life; He lived in the flesh without sin. 1 Peter 4:1-2 explains, "Therefore since Christ has suffered in the flesh, arm yourself also with the same purpose because He who has suffered in the flesh has ceased from sin." When Jesus said no to His flesh, He did not sin but His flesh suffered because it wants to sin and so will you. Your flesh does not like it when you say no to it!!! When someone hurts you badly, you must forgive them so says the Scriptures. But your flesh does not want to forgive them but get back at them. But when you forgive by your Spirit, your flesh still does not want to forgive and it suffers. It is your flesh nature that does not want you to forgive. That's good when you suffer in the flesh because that means you are not sinning. HATH GOD REALLY SAID? Yes, He did – die to flesh and let it suffer!!!!

So, let's look at the Scripture verse above about Satan as a roaring lion. The Bible is very clear that God expects His followers to resist the evil before them. If you ignore evil, it will grow exponentially. As followers of Jesus, we must stand against Satan and his powers of darkness and firmly resist them!!! In America, we have been very disobedient in resisting and standing against Satan and the powers of darkness. Our pastors should be preparing the followers of Jesus for spiritual warfare and each of us should be preparing for war and on a war footing.

Peter commands us to be "sober." To be sober means to be free from every form of mental and spiritual disorders, from excess, rashness, and confusion. This definition is very important considering the present state of the religious community. The priesthood of darkness and its malevolent masters are constantly working behind the scenes to bring mental and spiritual confusion and disorder into our culture and the followers of Jesus.

Also, to be sober is to be well-balanced and have self-

control. This call to be sober is a call to spiritual maturity. That is what the five-fold ministry in Ephesians 4:11 is for. Is this not exactly what is going on in America? Today a large part of our nation and religious institutions can be defined by irrational behavior, confusion, people out of balance, lack of self-control, alcohol and drug abuse and is not mental illness off the scale in America? The demonic Globalists Elites have systemically led those who will follow them into mental chaos and addiction.

This coming Great Reset being espoused by the World Economic Forum may very well be the next salvo in the ancient conflict with a humanity that has rejected the leadership of Almighty God. We are in crisis mode of drug and alcohol users needing more of their substance and more potent as they continue on their downward spiral out of control. The Bible is full of warning that once the addiction stage is reached, the abuser will sacrifice anyone or anything for another fix.

What is true in the natural is also true in the spiritual. Those who drink from the cup of Mystery Babylon will follow the downward spiral until they are entirely at the mercy and control of its dark overlords. This event will cover all aspects of life including: Financial, Political, Religious, Intellectual, and the Physical (including sexuality)

This will explain the extremes going on in America today and we are asleep in the religious world. The Remnant of God could be more organized, less divided, and a better plan and leadership. People who are waking up are leaving their religious centers but most of the Remnant of God is not supplying abundant organization and a place for these people to go, get trained, and resist this evil. It is well past the time for the Remnant of God to get our act together because I can assure you that the Progressive Left, the World Economic Forum, and all the Globalists occults are organized and ready to implement their next plan!!! I include myself and I repent of lagging behind and not being where I should be in this

war!!!!

We do have many in the Remnant who are standing against and resisting evil. But we need ALL-hands- on-deck at this hour. Those who claim to follow Christ and their passive pastors must repent of their disobedience and become a warrior in this war between good and evil. If you think you can attend an institutionalized religious system and claim to be following Christ and chose to ignore the evil before you, then you are as deceived and are as evil as the demonized Progressives and you will suffer the same fate as them!! Jesus stood against and resisted evil and so should all of His followers!!!

We had better wake up because these evil hordes really want to kill you and enslave you and they are not playing games as we do in our religious circles. If we will get organized in one accord, we can be effective in resisting and standing against this evil. But if we think we can sit back and do nothing, then we are deceived because the likes of Jeffrey Epstein and his island and temple of sex trafficking and pedophilia are just the tip of the evil and occult entities that are functioning in our culture to further weaken us in an attempt to bring down our nation!!! Not to mention the leading movers and shakers in our nation that have been compromised by Epstein and company and will now do the bidding of evil.

Wake up and get involved America because they are coming after us. They are compromising our seed and destroying them. It won't be too long before they will be coming after anyone who names the Name of Jesus Christ. The sad fact is we are destroying ourselves because we are no longer a virtuous people. We have also placed ourselves to be dependent on a system so cunningly design to entrap us. There is no place to hide except in obedience to Jesus. Try to save your life you will lose it!!!

The second important word Peter uses in 1 Peter 5:8, is "vigilance." Vigilance means to watch, give strict attention

to, be cautious, active, to take heed lest through remission and indolence some destructive calamity will suddenly overtake you. Is this not true from Peter? The enemy of our soul waits patiently for the followers of Christ to be lulled into a sense of security and to become at ease in this eternal conflict. Our watchman become blind and the prophetic warnings are slowly replaced by false pastors who boldly announce their lies that all is well and say that plenty and prosperity will remain.

As religion lulls the people to sleep, the enemy slowly advances into their heart and teaching and preparation goes by the wayside and the religious become passive and more deceived. Ezekial and many other prophets saw this scene played out in Israel until the downward spiral and judgment came to them.

I am going to be brutally honest here as I end this article. All I see in America today is a divided assembly, each little group doing their own thing in their religious institution or assembly and a severely divided nation. In five months, I will be 86 years old, born in February 1938. In my lifetime, I have never been a part of any assembly of God's People or have I pastored an assembly of God's People that had as their purpose was to proclaim the Kingdom of God and to do the will of God on earth to influence the people and culture in America to the ways of God and to resist anyone or anything that exalts itself against the truth of the Word of God as stated in 2 Corinthians 10:3.

I have never seen in my lifetime, any President from Franklin Roosevelt to Biden or any Senator or House of Representative whose goal was to return this nation back to the ways of the Constitution, Declaration of Independence, and the Bill of Rights. None – not one including President Reagan. Everyone of these mentioned from Presidents to Congressmen knew that the Federal Government was given delegated power by the Sovereign States and had no power over the States that all power

belonged to the people and the Sovereign States of America, every President and Congressman knew the Federal Reserve was illegal, and every President and Congressman knew that people were inside our government and our institutions, using the Marxists ideology to influence this nation to the ways of the Deep State demonic occults, Klaus Schwab and the New World Order and each of them did absolutely nothing to correct it.

The government, congress, the religious community, and We the People sat back and watched it happen from the 1800s to this day. In the 1980s, our group discovered that the disciples of Saul Alinsky and a host of college professors, the Marxist Frankfurt School, United Nations, the Rothschilds of Europe, the Masons, and a host of demonic occults in the 60s had a systematic plan to go secretly into our government, school system, media, textbook publication, television, institutions or any area of influence to take a long walk through those institutions in order to gain control and to influence and change the thinking of this nation. We went to the religious institutions to warn them and no one believed us but mocked us!!!

We shook the dust off from our feet considering we saw the institution of denominations going to religion, entertainment, the new age, and the social gospel becoming very passive and uninvolved in culture so we never returned to an institutional denomination to this day. Today, God's People are very passive and not many are involved in resisting and standing against the evil that has captured our nation, overtaken our government and culture and are ruling over America. We have truly become a dwelling place for demons and the false demonic gods of old and a nation of passive and religious people!!!

So today, the Marxists ideology is continuing to change the thinking of Americans and the demonic Globalists elites are continuing to rule over our nation. While we remain divided and no plan, our enemies have just destroyed a city in Hawaii for their purpose and they have voiced their plan to change

our currency to a digital currency which would mean they would have total control just like the social credit system in China.

Some say we are winning. I hope they are right and I am wrong but until I see someone stopping the Globalists daily advancement in this nation and bring them to justice, I will continue to face the reality there are no winners in America. The only group with the power and authority to stop these demonic attacks on our nation is God's People. When we get organized to implement God's plan and BEGIN TO STAND AND RESIST THIS EVIL, then we will win but not until we get organized, unified in one accord, and do this on God's terms.

We win in the end but since the beginning of the Old and New Testament, I have never seen anyone win that was disobedient to God. The children who were left in the wilderness disobeyed God and they died in the wilderness. Moses did not enter the promise land because he was disobedient to God. Joshua was obedient and won at Jericho. Disobedient at Ai and lost. King Saul lost the Kingdom because he disobeyed God. King David was a true warrior and he defeated God's enemies because he obeyed God. Too many of God's People are disobeying God and refusing to stand against evil and to resist the evil overtaking our nation. We win when we are obedient and fight like King David and his warrior men and defeat our enemies but not until our obedience is seen on the battlefields of America!!!

"We can continue to sit quietly on the sidelines, waiting to see what happens next hoping and praying for someone else to do something to prevent the final demise of the USA. They can continue to go-along to get-along, but in the end, they will never be able to get along with their new Nazi global masters."
