

To American Pro-Hamas Terrorism Supporters

By Lex Greene

October 17, 2023

“An evil enemy, will burn his own nation to the ground...to rule over the ashes.” –Sun Tzu

This particular piece is not written for my amen corner readers... It's a fair warning to those of you who have been conned with blatant lies your entire lives.

You have now identified yourselves as supporters of the most subhuman brutal forms of terrorism experienced anywhere on earth. This is either because you left your 3rd world home and brought your garbage here to the USA with you, or you are a foolish child who has been deeply and dangerously indoctrinated with [totally false history](#), by democrat Marxists in the anti-American U.S. education system.

Either way, you are now a huge problem in the USA which must be dealt with. You have identified yourselves as not just anti-Israel, anti-Jew, and pro-terrorism, but as a result, anti-American as well.

What you are doing in American cities right now, chanting [“death to America,”](#) is far closer to an “insurrection” against the United States than anything that happened on January 6, 2021. Every sane American knows it.

Your open public support of brutal terrorism including but not

limited to, an unprecedented armed [murderous attack on young concert goers](#) from the skies, the house-to-house beheading of innocent children, infants, and entire families, setting innocent alive citizens on fire, and kidnapping innocent civilians for hostage, torture, and murder, while hiding behind Palestinian civilians as human shields, is entirely unacceptable here in the USA and should be unacceptable everywhere on the world.

These acts are all worse than the acts of Hitler, Mao, Lenin, and Stalin combined, and YOU support it. Anyone who could support such evil things is totally void of any form of human decency, moral or ethical foundation, and against the basic natural rights of anyone.

YOU are an enemy within the gate, at the very least, [Fifth Column](#) sympathizers to well-known enemies of the United States.

We have seen you in action before, via [Black Lives Matter](#) and [ANTIFA](#), far LEFT anti-American anarchy groups funded, commanded, and protected by [ACT BLUE and the Democrat Party](#), responsible for destroying cities and attacking innocent citizens across the country. We know that our streets are full of the same people now.

Do you think Americans are stupid enough to believe that you have been in possession of Palestinian, Hamas, and Iranian flags for years waiting for Israel to be attacked? That you just happened to show up by the thousands in cities across the USA and around the world in support of Hamas terrorism, just minutes following the Israel attacks, all on your own? No, your pro-terrorism paraphernalia was created and distributed to you idiots well in advance of these attacks, and we know by whom.

We know that your messiah [Barack Hussein Obama](#) used the exact same tools and techniques to topple several Middle Eastern

governments in his *fake* “Arab Spring” ...[free Obama phones](#), using cell apps and texts to ignite these “insurrection” protests across America and around the world in minutes. Your so-called protests are well-coordinated community organizing at its best, by the best Muslim Marxist community organizer in U.S. history.

We have known for some time now that the college campuses have become the most dangerous indoctrination centers in the country and that [global Marxist professors](#) have been utterly destroying the minds of young Americans for decades now.

Still, the choices you make are yours to make. The mass media, Hollywood, academia, and government have worked to divide and undermine our society for years now. But not everyone is a victim of that anti-American indoctrination. Only “willing victims” are victims...

The same people who tell you that there are more than two genders and that women have a constitutionally protected right to murder their own children, have you in the streets supporting Hamas terrorism now. Your entire life is built upon self-destructive lies, spoon fed to you by [anti-American Marxist democrats](#).

You vote overwhelmingly [democrat](#) because you’re told to, despite seeing every democrat run city in the USA turned into 3rd world toilets by those democrats. You believe in socialism despite knowing that socialism and communism are just forms of fascism and totalitarianism, which have failed every time they have been tried in the world.

Most of you are blatant mindless fools being led to slaughter.. and people have worked hard to make you these fools. But still, the choice to remain an anti-American fool is YOUR CHOICE.

Well, the rest of us get to make a choice too. We know that

YOU are the biggest problem in the USA today and that YOU will force US to deal with you very soon.

America, freedom, liberty, peace and prosperity, national sovereignty and security will be defended!

LAST, allow me to report that the reason Hamas was able to be so successful in their brutal assault on Israeli citizens is, those citizens have been disarmed by their government since 1992. The only way to own a firearm as an Israeli citizen is to... a) prove you have a need for one; and, b) obtain a government issued license to purchase and own one. [HERE](#)

To the terrorism supporters in the USA... YOU have made a critical error in choosing the wrong side of history. Remember, this is NOT our choice...it was YOURS! The hell coming to the USA was brought here by YOU. Actions have consequences...

THIS IS NOT A THREAT... It's a fair warning!
