*Treason defined: In general, it is the offense of attempting to overthrow the government of the state to which the offender owes allegiance, or of betraying the state into the hands of a foreign power. –Websters 1828 Dictionary*

You cannot even make this up...

[American Military News](#) reported that Americans could soon be arrested by illegal immigrants.

*American citizens could soon be arrested by non-U.S. citizens in Illinois after Democratic Gov. J.B. Pritzker signed a law that will allow illegal immigrants to become police officers in the state.*

*After the signing of Illinois House Bill 3751 by the governor on Friday, U.S. citizenship will no longer be a requirement to serve as a police officer in the state of Illinois starting January 1, 2024.*

*House Bill 3751 states, “An individual who is not a citizen but is legally authorized to work in the United States under federal law is authorized to apply for the position of police officer, subject to all requirements and limitations, other*

*than citizenship, to which other applicants are subject.”*

*The law also states that non-U.S. citizens are required to be able to purchase, carry, and possess a firearm legally in order to apply to be a police officer.*

*Despite federal law prohibiting non-U.S. citizens from serving as police officers and deputies, illegal immigrants under the Deferred Action for Childhood Arrivals will be eligible to apply for a position as a police officer, according to Fox News.*

*Media personality Collin Rugg summarized the opposition to Pritzker’s bill by Republicans and law enforcement, stating, “Imagine getting arrested by someone who illegally entered the country... Clown world.”*

*Rep. Mary Miller (R-Ill.) also voiced opposition to her state’s decision, tweeting, “At 5 p.m. yesterday, when no one was paying attention, Pritzker signed a bill to allow illegal immigrants to become police officers, giving non-citizens the power to arrest citizens in our state. No sane state would allow foreign nationals to arrest their citizens, this is madness!”*

*Not only is this madness, but this is also treason, and that on every level (Luke 22:48).*

*Treason against the United States, shall consist only in levying War against them, or in adhering to their Enemies, giving them Aid and Comfort. No Person shall be convicted of Treason unless on the Testimony of two Witnesses to the same overt Act, or on Confession in open Court. –Article III, Section 3 of the U.S. Constitution*

*There are still some in this country that just feel that this is politics as usual, as if to suggest that what they do today will have no effect on their children tomorrow. Friends, if*

this is not treason then what is it?

The American people have provision in the U.S. Constitution to impeach and to prosecute these individuals and send the message that we will NOT tolerate their crimes against "We the People" any longer.

*The President, Vice President and all civil Officers of the United States, shall be removed from Office on Impeachment for, and Conviction of, Treason, Bribery, or other high Crimes and Misdemeanors. -Article II, Section 4*

Judgment in Cases of Impeachment shall not extend further than to removal from Office, and disqualification to hold and enjoy any Office of honor, Trust or Profit under the United States: but the Party convicted shall nevertheless be liable and subject to Indictment, Trial, Judgment and Punishment, according to Law. -Article I, Section 3, Clause 7

Conclusion: Like it or not American's this is judgment upon this nation. The illegals will be made the head and the Americans will be made the tail if they continuously stand by and watch the corrupt in the halls of government have their lawless ways (Deuteronomy 28:43).

Yet, empowering illegals to arrest Americans is very fitting for a people who refuse to obey the Lord (Deuteronomy 28:63), but to the innocent it is very unfitting.

This criminal act being committed by this tyrant in Illinois is constitutionally unjustifiable at every level.

Friends, [consider the source](#).

Americans, if you continue to allow these criminals to be left unaccountable to the very laws they are to uphold, you and your posterity will continue to suffer more of their abuses.
