

Trump locker room comments: is he alone with the potty talk?

Somehow an old 11-year old piece of film was magically unearthed of Donald Trump and Billy Bush (who I never heard of until the recording was released) engaged in a conversation neither knew was being recorded. In context, Trump was on a bus with seven people. Trump was to appear on some silly soap opera. When they got to the ABC lot and getting off the bus is when Trump and Bush yakked it up.

Billy Bush works for NBC and is being equally ripped over this comments during the exchange with calls for him to be fired. Billy Bush: 'Sheesh, your girl's hot as s***. In the purple.' And: Bush: 'Yeah those legs. All I can see is the legs.' Bush was married at that time but didn't seem to have a problem with his comments. Now he's contrite. A big paycheck at stake.

Judging by the hysteria one would think Trump admitted to raping and killing a dozen nuns in Time Square.

Immediately RAT Paul Ryan canceled his appearance today at a scheduled rally with Trump and Gov. Scott Walker. (Trump's camp announced he would not be attending his own event but Pence would get the unenviable task of surrogate.) One can only pray during the Sunday night debate Trump humbles himself with an apology because sure as the sun shines Clinton and the moderators are going to shove this down his throat as many times as they can get away with it. Trump should say I'm sorry one time and refuse to respond to any more flack. One time and press on during the debate about the issues.

'Still the best candidate': Some evangelicals still back Trump despite lewd video: "On Friday night, Trump released a video apologizing for his comments, calling them "foolish" and

saying he pledges to “be a better man tomorrow.”

The other list of altar boys and girls screaming Trump should step down as the nominee:

Republican Speaker Paul Ryan, Texas Senator Ted Cruz, Ohio Senator Rob Portman, Kentucky Senator Mitch McConnell, North Carolina Senator Richard Burr, Pennsylvania Senator Pat Toomey, Illinois Senator Mark Kirk, Utah Congressman Jason Chaffetz, Colorado Congressman Mike Coffman, Ohio Governor John Kasich, Utah Senator Mike Lee, Arizona Senator John McCain, Tennessee Senator Bob Corker, New Hampshire Senator Kelly Ayotte, Wisconsin Governor Scott Walker, Washington Congresswoman Cathy McMorris-Rodgers, Arizona Senator Jeff Flake, Former Utah Governor Jon Huntsman, Florida Senator Marco Rubio, Minnesota Congressman Erik Paulsen, Illinois Congressman Robert Dold

Well, it is an election year so the holier-than-thou crew have to let the voters know how indignant they are over such language.

I read the entire transcript. No one knows when Trump ‘made a move’ on the woman in the conversation or even if it ever happened. How many guys have made big macho ungentlemanly talk just to brag? The recording was in 2005. Trump was married to Melania at the time and remarked in the transcript she said it was okay to hug someone named Zucker.

What I heard played on the stupid tube last night and reading the transcript is nothing I haven’t heard from men on construction sites. While I haven’t been in a men’s locker room, likely you will hear comments like that from players who didn’t ‘make a score’ with some female or making crude remarks about someone they would like to ‘bang’. Not all ball players use less than acceptable language in the locker room but anyone who says it doesn’t go on is either a liar or naive.

And, here’s a news flash for all the hens out there

screeching: I've heard worse from women at the beauty parlor, oh, excuse me, I guess PC would be spa. I've heard worse from women at many different venues. I had a life before I began my truth journey full time 26 years ago. I don't live in a cocoon. Women can be just as vicious when flaying men and just as graphic in their language over 'hunks' and their body parts.

Flashback: Megyn Kelly Discusses Her Husband's Penis and Her Breasts on Howard Stern – part of the transcript, rest at link

"During a funny and flippant interview with SiriusXM host Howard Stern in 2010, Kelly talked about her breasts and how big her husband's penis was, and how much she liked aloof alpha bad boys.

"Did you ever think about being a stripper?" Stern asked. "Ever in your life?"

Kelly laughed, saying, "No, and I don't think I'd be very good at it. No, no, no."

"Would you ever get implants?" Stern said.

"No, I don't think so," Kelly said.

"Those are real breasts," Stern continued.

"Yeah, these are real. I mean, they don't look fake, please—" Kelly said, as Stern said, "Wow." "When I got pregnant—"

"Well, you're a C-cup, aren't you?" Stern asked. "You are."

Kelly laughed. "My husband calls them 'killer Bs'."

"Oh, they're Bs. They look like Cs to me, don't they? Tell her where that bra store is. They'll upgrade her," Stern joked.

"Did you ever feel pressure—" Stern began while Kelly replied: "We used to call them 'Killer Bs,' then when I got pregnant they became 'Swimmin' Cs,' and Doug was frolicking in the ocean."

Kelly then goes on to exchange banter with Stern about the size of her husband's manhood.

Bill O'Reilly's telephone sex talk got him sued

“On October 13, 2004 O’Reilly was sued in a sexual harassment lawsuit for \$60,000,000 by his former producer named Andrea Mackris. Mackris was an employee of Fox from 2000, with lawsuit documents showing O’Reilly’s rabid sexual harassment began in May 2002 and continued until September 2004. Mackris filed a wild document full of O’Reilly’s exploits. The fallout was immense, with O’Reilly counter-suing Mackris for extortion before finally settling the lawsuit for an untold amount of money that is generally believed to have been in the millions of dollars. I suppose that I could stop there with the story, but what fun would that be?

“Before the case was settled a salacious 22-page document was presented to the court where Mackris was said to have various audio recordings of O’Reilly calling her numerous times to enact his sexual fetish of phone sex. The sordid scenario began innocuously enough. Mackris was informed on May of 2002 that she would no longer employed by FOX for \$56,000 a year. O’Reilly heard of this and invited Mackris to dinner where he informed her that she was re-hired and with a raise to \$65,000! What a guy, right? Always looking out for his employees, but all was not what it seemed. After giving Mackris the good news O’Reilly made his move. From the original court documents:” Rest at link above.

The Years of Lyndon Johnson: Master of the Senate – 36th President of the United States (Those too young to remember LBJ was a Democrat)

“He early became fabled for a Rabelaisian earthiness, urinating in the parking lot of the House Office Building as the urge took him; if a colleague came into a Capitol bathroom as he was finishing at the urinal there, he would sometimes swing around still holding his member, which he liked to call “Jumbo,” hooting once, “Have you ever seen anything as big as this?,” and shaking it in almost a brandishing manner as he began discoursing about some pending legislation.

“At the same time, he would oblige aides to take dictation standing in the door of his office bathroom while he went about emptying his bowels, as if in some alpha-male ritual assertion of his primacy. Even on the floors of the House and Senate, he would extravagantly rummage away at his groin, sometimes reaching his hand through a pocket and leaning with half-lifted leg for more thorough access.”

OMG: FLASHBACK VIDEO: Presidents Being Colorful, Including Obama’s “B*tch Nigga Buy Your Own Damn Fries!”

I don’t know Donald Trump and chances are I will never meet him in this lifetime. It’s been reported that earlier this year Trump had several meetings with Christian preachers and prominent Evangelicals where he came to believe in his heart Jesus is his personal savior. Trump has issued an apology and quite frankly, I think this is one time where Trump is embarrassed by his words and wishes he could take them back. Not because he ‘got caught’ but because it’s not who he really is regarding women.

John 8, King James Version of the Holy Bible

7 So when they continued asking him, he lifted up himself, and said unto them, He that is without sin among you, let him first cast a stone at her.

8 And again he stooped down, and wrote on the ground.

9 And they which heard it, being convicted by their own conscience, went out one by one, beginning at the eldest, even unto the last: and Jesus was left alone, and the woman standing in the midst.

10 When Jesus had lifted up himself, and saw none but the woman, he said unto her, Woman, where are those thine accusers? hath no man condemned thee?

11 She said, No man, Lord. And Jesus said unto her, Neither do

I condemn thee: go, and sin no more.

That tape was released at exactly the same time as Wikileaks posted thousands of new documents that show the true Hillary Clinton and her closed door Wall Street speeches. Leaked Hillary Clinton Speech to Foreign Bank: 'My Dream Is a Hemispheric Common Market with Open Trade and Open Borders'. Damning statements by that career criminal the controlled media doesn't want voters to see. Pile on about Trump's old comments to keep people distracted.

Everyone has made embarrassing comments in their lifetime – even the saintly Republicans I listed at the top. Do I wish Trump hadn't barked it up with some younger guy to appear machismo? Yeah. Will that prevent me from voting for him? No. Only God is perfect.
