

Trump Will Release Remaining JFK Assassination Files – What About 9/11?

Authored by Devvy Kidd and not AI

“[T]he power system continues only as long as individuals try to get something for nothing. The day when a majority of individuals declares or acts as if it wants nothing from the government, declares that it will look after its own welfare and interests, then on that day, the power elites are doomed.”
~ Antony C. Sutton

[Trump releases some JFK files, blocks others under pressure](#), Oct. 26, **2017** – “The rest will be released “on a rolling basis,” with “redactions in only the rarest of circumstances,” by the end of the review on April 26, **2018**, the White House said in a statement.

“In a memo to government agency heads, Trump said the American people deserved as much access as possible to the records. Therefore, I am ordering today that the veil finally be lifted,” he wrote, adding that he had no choice but to accept the requested redactions for now.”

Key words: “...the American people deserved as much access as possible to the records.” Damn straight we do just like TWA Flight 800 and KAL 007.

[Trump Holds Some JFK Assassination Files Back, Sets New 3-Year Deadline](#), Nov. 21, **2018** – “On April 26, in compliance with the

deadline set by President Trump last October, the National Archives released 19,045 additional documents from the JFK assassination files.

“Instead of a full reveal, however, some material will still be kept from the public due to “identifiable national security, law enforcement, and foreign affairs concerns,” according to a [White House memo](#). The president said he was ordering agencies to “re-review each of the redactions over the next three years,” and set a deadline for further release of documents of October 26, **2021.**”

Trump knows everything in those files and who was responsible – most are dead now, i.e., LBJ, Bush, Sr.; other dirty traitors in the CIA and others. However, that was then and this is now. Robert Kennedy, Jr., stepped into the picture and revived that horrific piece of our history.

Trump has one only term and nothing to lose regarding running for office again. The assassination attempt on July 13, 2024, if those responsible weren't successful in murdering him, it most certainly was a warning: Keep your mouth shut or next time we won't miss.

I've read dozens of books about that heinous event. Mary's Mosaic is one well worth the time to read. She was Kennedy's lover. She was killed three weeks after the white-wash Warren Commission report.

[Mary's Mosaic: The CIA Conspiracy to Murder John F. Kennedy, Mary Pinchot Meyer, and Their Vision for World Peace](#) – Review: “This is an excellent work that reads like a fictional murder mystery. What sets “Mary's Mosaic” apart from other books that analyze the JFK assassination is that the author is the son of a prominent CIA official who was involved in the coverup of Mary Pinchot Meyer's murder.

“The evidence that he presents linking the murder to her knowledge of the JFK assassination is most compelling. Like

Mark Lane, Peter Janney lays the responsibility for the JFK assassination clearly on the doorstep of the CIA and he provides much damning evidence to support his conclusion. Having read many of the other books about the JFK murder, I would rate this as one of the best of the bunch. I had a hard time putting it down." I concur as I read Mary's Mosaic.

But, what about 9/11? Millions and millions of words and who knows how many videos and pictures were taken that day. One thing is for sure, just like the proven fake Russian Dossier (paid for by the Hillary Clinton campaign) and all the other lies told by the prostitute media and blabber mouths on cable networks, *ABC, CBS, NBC* and radio, the American people have been lied to for 23 years about 9/11 and the real mastermind behind that most heinous attack.

There are many very well-done documentaries on 9/11; I'm certain many of you have watched them. All labeled as conspiracy theories and disinformation by paid pimps called the Mockingbird media. But what's critically important is WHO made sure it happened and those who aided and abetted.

While it's extremely upsetting for good, decent Americans to find out they've been lied to, *the truth must always prevail*. The DNC knew in 2019 career criminal, China Joe Biden was a life-long crook and was already in the first stages of dementia. But the back room dealing with another liar, cheat and constitutionally ineligible to run for president, Hussein Obama (who used 4 other aliases by 2008) and his handlers, it was decided Joe Biden would be the best useful crook and do as he was told to protect his son and his illegal money deals.

I've written about 'secret societies' many times over the years: [Treasonous agenda of the Council on Foreign Relations](#), June 17, **2005** – (RIP) "Lou Dobbs, *CNN* Anchor: Good evening, everybody. Tonight, an astonishing proposal to expand our borders to incorporate Mexico and Canada and simultaneously further diminish U.S. sovereignty. Have our political elites

gone mad? We'll have a special report.

“Blood ... Now, incredibly, a panel sponsored by the Council on Foreign Relations wants the United States to focus not on the defense of our own borders, but rather create what effectively would be a common border that includes Mexico and Canada.”

“Christine Romans, *CNN* Correspondent (voice-over): On Capitol Hill, testimony calling for Americans to start thinking like citizens of North America and treat the U.S., Mexico and Canada like one big country.”

[Treasonous agenda of the Trilateral Commission](#), June 24, 2005

– “The Trilateral Commission is international and is intended to be the vehicle for multinational consolidation of the commercial and banking interests by seizing control of the political government of the United States. The Trilateral Commission represents a skillful, coordinated effort to seize control and consolidate the four centers of power – political, monetary, intellectual and ecclesiastical.”

There are many tentacles to this international cabal of bankers and billionaires. It's not just the CFR or Trilateral Commission, but – and I thank a deep-diver researcher, Robert, for providing me with some of them, despite the amount of research I have been doing the past 31 years.

An example is the Alfa Club explained below. My column with some background help from Robert: [The House That Evil Built](#), March10, 2013:

[Obama's Trilateral Commission Team](#)

“Barack Obama appointed eleven members of the Trilateral Commission to top-level and key positions in his administration within his first ten days in office. This represents a very narrow source of international leadership inside the Obama administration, with a core agenda that is not necessarily in support of working people in the United States.

“Obama was groomed for the presidency by key members of the Trilateral Commission. Most notably, Zbigniew Brzezinski [1], co-founder of the Trilateral Commission with David Rockefeller in 1973, has been Obama’s principal foreign policy advisor. According to official Trilateral Commission membership lists, there are only eighty-seven members from the United States (the other 337 members are from other countries). Thus, within two weeks of his inauguration, Obama’s appointments encompassed more than 12 percent of Commission’s entire US membership.” The list is at the link above. All working for the destruction of this republic and the ultimate goal: integrate the 50 states into one region of world government. It’s called treason.

“[The Alfalfa Club](#) established in 1913; a very bad year for America. ([Another list of members.](#)) If you want to know who the real domestic power players are, look no further than The Alfalfa Club. A harmless sounding organization, but you aren’t given an invitation unless you play the game of our enemies. [Alfalfa Club turns 100 with annual dinner of the elites](#): Henry Kissinger, Mitt Romney, Valerie Jarrett, others.” No press allowed. Sarah Palin attended the Alfalfa Club Dinner in February 2008.

“Saint Sarah was introduced to the attendees by none other than Vernon Jordan. Remember him? He was the adulterer-in-chief’s legal fixer when he dropped his drawers for Monica Lewinsky. Jordan also introduced Slick Willy to world “leaders” at the Bilderberg conference in 1991. That’s when the fix was in to install a little-known governor in the White

House who raped a woman named Juanita Broadrick, was famous for his sexual escapades and cocaine smuggling. Palin is a player and not some neophyte in the world of politics who has her own \$agenda\$.”

President Reagan attended dinner at the Alfalfa Club. Washington, DC on January 24, 1981. The list is endless over the decades. Trump has not attended but his daughter, Ivanka and husband, Jared have attended.

Founded in 1913 that uber elite cabal, was the year three very important things happened: The unconstitutional, privately owned “Federal Reserve Banking Act of 1913 allegedly passed and signed into law. In order to feed that evil banking cabal, the 16th Amendment – income tax – was declared ratified when it was NOT. The 17th Amendment – voting for U.S. Senators – was ratified when it was NOT. *They would never have gotten away with all that treachery if we had computers back then.*

Mine: [The Seventeenth Amendment: A Cancer on our Constitutional Republic Crushing the Rights of the Sovereign States of the Union.](#) UPDATE (March 2010): The documents obtained at the National Archives in Washington, DC in 2009 are now scanned and posted; click here.”

Guests at the Alfalfa Club: One can only pray Trump does NOT listen to those “trusted” advisors as he did the first time he was elected. Draining the swamp means immediately firing Christopher Wray, Merrick Garland and a long list – most of whom should be indicted by a grand jury, convicted and sent to SuperMax in Colorado – before the statute of limitations runs out.

“DINNER ATTENDEES INCLUDED: Laura Bush, Dick Cheney, Mitt and Ann Romney, Colin Powell, James Baker, Bill Gates, Jeff Bezos, Warren Buffett, David Rubenstein, Treasury Secretary Steven Mnuchin ...

“... Attorney General Jeff Sessions, Commerce Secretary Wilbur Ross and Hilary Ross, HUD Secretary **Ben Carson**, Transportation Secretary Elaine Chao and Senate Majority Leader **Mitch McConnell**, **Chief Justice John Roberts**, **Jared Kushner and Ivanka Trump**, Gary and Lisa Cohn, HR and Katie McMaster, Dina Powell, Tory Burch, **Kellyanne Conway**, Mary Barra, Vernon Jordan, Andrea Mitchell ...

“... David Petraeus, Madeleine Albright, Anna Wintour, Catherine and Wayne Reynolds, Robert and Elena Allbritton, **Valerie Jarrett**, Sens. **Tom Cotton** (R-Ark.), Dan Sullivan (R-Alaska), **Tim Scott** (R-S.C.), Mark Warner (D-Va.), and Amy Klobuchar (D-Minn.), U.S. Ambassador to NATO Kay Bailey Hutchison ...

“... Geoff Morrell, Ray Hunt, former Ambassador Jeanne Phillips, Indra Nooyi, John F.W. Rogers and Deborah Lehr, Fred and Ginny Ryan, Ambassador Yousef Al-Otaiba, Andrew Ross Sorkin, Wayne Berman and Ken Mehlman.”

Anyone who thinks the Alfalfa Club dinner is just a bunch of starched white shirts, tuxedos and women wearing hundreds of thousands of dollars-worth of expensive jewelry just to chat *is badly under informed*. Just my personal opinion, but I believe Ben Carson was there to recon and report back to President Trump. You may disagree and that's okay, but Ben Carson is a man of integrity and honesty and was very close to Trump.

9/11

I truly pray Trump isn't defeated by the machines and *millions of illegal aliens voting*. The same goes for the House and

Senate which is for another column. It's been 23 years since that awful day in America. Kids today – even at college level either know nothing about Sept. 11, 2001 or they've bought the massive lies hook, line and sinker from the that snake Bush, Jr., media whores and those bought and paid for in the U.S. Senate.

But the children of the dead (not just U.S. citizens because there were dozens in those towers from other countries), widows and widowers have never forgotten. Nor have they gotten the full truth and those responsible – besides the patsies named in the media trash heap.

In 2006, a Zogby poll showed 42% of Americans believe OUR government lied to all of us and the world as well as the 9/11 commission report which is full of steaming manure to protect the guilty.

Now, the previous year a new documentary titled Loose Change was released and came close to being at the time, the first Internet blockbuster. Branded just another conspiracy theory. Well, by April 2005, Loose Change resonated and Google listed it (up or down depending on the day of the week) as one of Google's top views with more than 10 MILLION views. Why? Because it asked "controversial questions" just like what's happening in the aftermath of the attempted assassination of Trump earlier this month. Only the questions asked weren't controversial, they were serious and the world deserved the truth. We still don't have it.

Earlier this month Dylan collaborated with Robert Motch to create an excellent web site: Truthlink. If you haven't watched Loose Change and Loose Change: An American Coup, they are right there on the front page as well as vital information. Loose Change Second edition is also a MUST watch. The other organizations listed and explained are the deal

makers. Poltroons like Hussein Obama and his circle just carry out the orders. It's all about power, money and controlling billions of human beings on this earth to make their lives hell. Like the main agenda of the evil WEF (World Economic Forum). Their front boy (who claims to be married to a man) is very worried about Trump getting elected:

[Schwab's Philosopher: Trump Would End the Global World Order](#), Jan. 16, 2024 – "In the clip below, the interviewer asks Yuval Harari if he thinks "Trump might be elected again?" Harari is the World Economic Forum's philosopher and historian. He is very close to Klaus Schwab as they plan The Great Reset.

"Harari replied, "I think it's very likely. And if it happens, it is likely to be the kind of like the death blow to what remains of the global order, and he says it openly now. Again, it should be clear that many of these politicians present a false binary vision of the world as if you have to choose between patriotism and globalism, between being loyal to your nation and being loyal to some kind of, I don't know, global government or whatever."

"The global world order will rob us of our sovereignty and our land, so, yes, we believe they cannot co-exist with our Constitution. The US was not founded on loyalty to a global government run by Klaus Schwab, the UN, or some combination of totalitarian allies.

"In the end, is this why the Left doesn't want Donald Trump to win?" **(They want him dead.)**

Klaus Schwab stepped down May 21, 2024, as Executive Chairman of the WEF which he founded in 1971. The good news is people around the world are getting factual information and data outside the prostitute media and are rejecting the lunacy being pushed by Marxists like the WEF: [Peter Sweden: BANKRUPT- The WEF Agenda is FAILING!](#), July 26, 2024

In order to defeat your enemy, you must know who they are and

STOP feeding them with your wallet and electing them to office from top to bottom on the political scale.

One can only pray Trump does NOT listen to those “trusted” advisors as he did the first time he was elected. Draining the swamp means immediately firing Christopher Wray, Merrick Garland and a long list – most of whom should be indicted by a grand jury, convicted and sent to SuperMax in Colorado – before the statute of limitations runs out.

In the past I have written about a great man so few Americans know anything about: Antony C. Sutton. Wonderfully, most of his books are free on line. **The globalist cabals all chant the same scripted lines about Russia but how many know you and I paid for building their military complex along with big name former American companies and international corporations?**

Sutton should be given the Medal of Freedom posthumously by Trump if he is elected. He exposed the truth backed up with evidence.

[Russia's technology and war machine built by US taxpayers](#), mine, August 11, 2014. Seriously important read. Several of Sutton's books are listed in my column with links as they are free on line. Sutton's deep research into “secret” societies should be mandatory reading for all high school seniors in civics classes instead of absolute garbage “revisionist” lies, i.e., Abraham Lincoln and Hamilton just to name two.

Video interview: [The Best Enemies Money Can Buy – Soviet Russia and Nazi Germany](#) – Prof. Antony C. Sutton

We are being raped to the tune of tens of billions of dollars to fund Zelensky's folly in taking on the Russians. We've depleted our own stockpile of weaponry that should be reserved

for OUR protection on OUR soil, but, then again, Zelensky knows where the skeletons are buried and who are the crooks (including members from both parties) who have been laundering money through Ukraine for decades. Ukraine has been known as one of the most corrupt countries in the world.

Truthlink's web site went up less than three weeks ago and it's already been hacked; they are working on finding out where and who. Sept. 11th is coming up soon. We will never forget should mean just that. The dead and their families from that day deserve the truth and justice. **We the people demand the truth.** If Trump can win despite the obscene cheating by the Democrat/Communist Party USA and millions of illegals likely to vote, We the People must put the heat on with the massive mountain of evidence gathered.

Managing information overload

Reporters and investigative journalists. We are buried every day in research. So much is click-bait junk, but for me, decades ago I set up separate files by issue as I suspect my fellow colleagues do the same.

Do go to [Truthlink's web site](#), book mark it as I have done and read the truth, watch the documentaries, learn the corrupt players and their goals to destroy this republic. Evil organizations like the WEF are no longer trying to hide their plans for us. But, in order to fight back (metaphorically speaking) from city councils to the White House, *one must know who these organizations are, whose running them and controlling governments.*

On the top right of the search icon is another one. Click on it and subscribe (free) so you get their latest information. I signed up as a subscriber. I fully understand the time issue for those working with families, but if you take an hour a day (evening or the weekend), what you learn is ammo (non-violent) to confront and defeat our internal enemies. We are standing

at the abyss. **Make no mistake about it and only We the People with divine intervention from God will save this republic.**

(Deceased) Zbigniew Brzezinski's daughter is Mika Emilie Leonia Scarborough nee Brzezinski. Mika and her husband, former GOP Rep. Joe Scarborough are despicable liars for hire anchors on cable. I don't own a propaganda box (TV), but Comrades Mika and Joe on MSNBC are described by conservative radio talk show hosts suffering from extreme Trump Derangement Syndrome. I could care less what those two vomit up to their clueless audience or the low-IQ hens on The View. We need to stay focused and tune out the gas bags.
