

Twitter's Evil Double Standard

Twitter Scrubbing Video of Protestor Saying 'stab the mother f***er in the heart,' Allows #MassacreMitch to Trend for Days

While Mitch McConnell was at home healing from a fall, protestors showed up at his home and in classic Leftist style started making threats. One protestor said, "that someone should just '[stab the mother f***er in the heart.](#)'" Wow, classy.

This particular tweet was apparently made by a Leftist who actually met with Leftist liberal Elizabeth Warren, is anyone surprised?

"The person appears to be a BLM activist who has met with Elizabeth Warren"

Twitter asked me yesterday to delete this tweet:

It showed a person allegedly calling for violence against Mitch McConnell

The person appears to be a BLM activist who has met with Elizabeth Warren

*I said no and they suspended me *and* McConnell's re-election campaign*

Mitch McConnell's reelection campaign also shared the now deleted video of this protestor stating McConnell should be stabbed in the heart – so because Mitch McConnell retweets a

video about violence aimed *at himself*, Twitter responds by suspending the account. Uhhhhh what?

McConnell's re-election campaign, [@Team_Mitch](#), also shared the video, presumably to show the hatred and violence from the Democrats

Twitter also suspended their account for sharing the video

Again: Twitter suspended McConnell's campaign for showing the hatred directed at him

According to Twitter, removing this video is for Mitch's safety you know. At the same time Twitter has done nothing about the trending hash tag #MassacreMitch which is still going strong on Twitter.

A Google search of [#massacremitch](#) returns over 400,000 results. The same search on [Twitter](#) has thousands of results and is still going strong.

Yup, Twitter is for sure very concerned about Mitch McConnell's safety.

Still, some Twitter users get it: "Wrong.

Team #MassacreMitch is further inciting hate, violating the rules, and should be suspended"

Yes they should...

Wrong.

Team [#MassacreMitch](#) is further inciting hate, violating the rules, and should be suspended

“I was told today that Reza Aslan’s calls to violence were not in violation of Twitters rules. Yet here you are suspended for merely retweeting a video of someone else actually threatening to murder an American citizen. Twitter is a platform that openly condones leftist hate.”

Exactly! For some unknown reason, Twitter bans a video calling for violence against Mitch McConnell, but allows plenty of other tweets supporting violence against Mitch, as well as tweets supporting Islamic Jihad, calls for violence against President Trump and his supporters, etc.

It needs to be pointed out here that Twitter is headed by an out and out Leftist [ideologue](#). Jack Dorsey [fully supported the Ferguson protests and also is a huge Black Lives Matter supporter](#). Twitter under the guidance of Dorsey just makes it up as they go along. There is *no* such thing as fairness or even a genuine concern for other people’s safety on Twitter’s platform, except as Jack Dorsey sees fit. If you are on Dorsey’s radar as a relevant Leftist hater, an Islamic jihadist, or a true blue Trump hater, you are safe, protected even. If on the other hand you oppose liberalism and Leftist values, then it is perfectly ok to allow threats including death threats against you on Twitter, not to mention doxing. In other words, if you are a conservative and/or God fearing man or woman – it is open season on you on Twitter.

Remember Nick Sandmann? He was the high school kid who smiled at a Native American, (who is a known troublemaker) and received death threats for doing nothing wrong. Twitter allowed the tweets concerning him to remain on their platform as well. Surprised? Uh, no.

“This pic is of Covington Catholic High School student Nick Sandmann, who was falsely smeared by the media

happened

Twitter took no action against this tweet”

Peter Fonda called for Trump administration officials to have their kids taken away and thrown in cages with pedophiles. Let that statement sink in for a moment. How can anyone think of something so sick and twisted? Yet Twitter did *nothing* about this.

Peter Fonda called for women in the Trump administration to stripped naked and physically beaten

He called for Trump admin officials to have their kids taken from them and thrown in cages with pedophiles

Twitter allowed him to keep his verified account

There is a special place in Hell for people like Fonda and Dorsey, unless they [repent of their evil](#). Wishing for children to be harmed, including being *raped* – is just sick and demented. But yet many on the Left including those in the

Twitter mob have no problem with this kind of demented and evil thinking.

“The Squad” and most other Leftists support this line of demented thinking, or at the very least do not speak out against it. When was the last time you heard someone on the Left call out Twitter or Google, or the other Leftist supporters (like the mainstream media) for their anti-American rhetoric including: abortion, infanticide, socialism, communism, Islamic jihad, doxing, violence against Trump supporters, and death threats against all who do not share their opinions and beliefs?

Answer: never.

You can read about the Left’s war on America and the freedom loving “We the People” who support her, in my new book, [*Spiritual Darkness is Destroying America and the Church*](#). The Left is systematically destroying America while handing over power to the Globalists who seek a One World government. In my book, I explain how and why this is happening.

One last thing: there is now a new movie coming out by Leftist Hollywood – called [*The Hunt*](#). In this so-called movie, hateful Americans can *physically hunt* their political opponents (“deplorables”) for sport. Hunt as in *shoot and kill* like deer. If this does not deeply disturb you, *and* confirm that the Left has completely lost it – then you are an idiot and deserve whatever comes to you courtesy of the Left.

You have been warned America, speak up now and defend America – or forever be rendered silent with the rest of the sheep.
