“Yea, a man may say, Thou hast faith, and I have works: shew me thy faith without thy works, and I will shew thee my faith by my works.” -James 2:18

Well, friends, if it is not the said, extorted representatives in America selling the people out to the highest bidders (Luke 22:48), that is when it comes to the attacks being made on the morality of a people, then it is the Chinese source from which much of this financially flows. Remember, if I can demoralize you, I can control you (Matthew 4:9-11).

Regardless of where the corruptions come from, the people in this country are the law and are to put down the crimes (Isaiah 51:4). I am happy to report that this is exactly what has happened.

According to newsbreak.com, USA Today highlighted America's victory “Battered by boycott and backlash, Target will not

sell Pride collection in all stores.”

Target will no longer sell its Pride Month collection in all stores after conservative blowback over LGBTQ+ themed merchandise, including bathing suits designed for transgender people, harmed sales.

The retailer told USA TODAY the collection will be available on its website and in “select stores” depending on “historical sales performance.”

Target – which has a decade-long track record of featuring LGBTQ+ merchandise during Pride Month – was one of the corporations assailed for “rainbow capitalism” last June during Pride Month.

Conservative activists organized boycotts and some threatened Target employees over LGBTQ+ displays in stores, prompting the chain to pull some of the Pride merchandise.

As you all know, we took part in the protest against Target last year and the “crimes against nature” that they were promoting (Leviticus 18:22). As we can all see, the Lord has amply rewarded our obedience unto Him (Matthew 16:17-19).

Americans, under the Lord, we can do this (Romans 8:37). The people still have the power.
