The “People’s” Republic of China is an Illegitimate Dictatorship

This is easy to prove.

All dictatorships are illegitimate because all dictatorships deny and crush the most essential traits of human beings: free will, creativity, and love.

. . . Slavery is the dividing line. The CCP might say that they don’t practice slavery, but enslaving an entire society under a totalitarian system of oppression fits the bill. It’s not just China, of course. North Korea, Iran, Saudi Arabia, Cuba, Venezuela, and every other repressive regime in the world can be succinctly labeled as a country of “illegitimate slavers.”
