Islamophobia! Bigot! Hate speech! Why, even according to some [Human Rights Counsel](#), Islamophobia is racist.

First and foremost: I'm fed up with everything from math to street signs being branded as racism. Too many of these accusers are themselves racists and bigots to the core, i.e., U.S. Reps. Rashida Tlaib and Ilhan Omar. Neither of them should be serving in our Congress. ([DHS insider spills beans on Ilhan Omar criminal charges for marrying brother](#).) Both belong to the political party, Muslim, not the Democrat Communist Party USA.

[Ilhan the Trojan Horse: Part One](#), Feb. 4, 2024 – “Recently, Ilhan Omar gave two speeches in Minneapolis and another in Somalia which went viral. In them, she says publicly that she is Somalia First, not America First, that Somalia is ONLY for those of pure Somali-Muslim heritage (no diversity allowed) – that the President of Somalia is HER President and that the Obama-Biden regime will do whatever she wants them to do!”

[The links in this column will sicken you](#). Anyone who believes

Islam is some sort of peaceful religion is woefully and dangerously ignorant of history and proven facts – as was I until the early 2000's. You see, most Americans really are a very compassionate people who want to be fair and tolerant. To see other Americans – especially naturalized Americans enjoy our God-given rights – like worshipping the religion of their choice.

One may not agree with someone's religion but Catholics, Methodists, Presbyterians, Jews and other denominations do not threaten to cut your head off if you don't worship some invented 'god' named, Allah. Islam does and its violence and fear that keeps those poor souls from knowing true freedom of expression, the right to leave Islam with their head still on their shoulders.

[Challenging Sharia Law Means Challenging Islam as a Religion](#), Oct. 13, 2012 – “Just because Islam has been called a religion for a few thousand years, doesn't make it so. Discussing religion has caused stupid people who lose their temper to have violent arguments. In the case of Islam, it means death and destruction (remember the riots in France and England over some stupid cartoon?) for anyone who criticizes [their pedophile prophet Muhammad](#): “Pedophilia is permitted in the Qur'an, was practiced by Muhammad and his companions, and some Muslims today continue to commit the crime, following their prophet's example.”

[The terrifying world of child brides: Devastating images show girls young enough to be in pre-school who are married off to older men](#). “At age 11, Ghulam was married off to 40-year-old Jaiz in a rural Afghan village, making her only one of more than 10 million young girls who are being forced to wed men old enough to be their fathers or grandfather every year.” Yemen's majority population are Sunni Muslims and Afghanistan is dominated by Muslims of different sects.”

[Link in that column: Demoting Islam's Religion Status](#)– “One

thing is certain, Islam is not a religion by anything Americans believe one to be – not even close. In fact, Islam is the antithesis of what we deem to be religious. Above all, Islam is a totalitarian political machine of blood thirsty conquest which zealously advocates the downfall of the U.S. government. Jesus said, “My kingdom is not of this world...” because he was 100% non-political. In extreme contrast, Mohammed and the Koran bellicosely command YOUR KINGDOM IS MY KINGDOM, surrender or die! Let’s get to the point. It is sheer madness, exceedingly irresponsible, criminally negligent, and strategically suicidal to continue granting *religion* status to an absolutely aggressive and implacable ideology that demands the destruction of our government and all other religions.

“It is well past time the truthful facts be told about Islam. Our leadership and intelligence community have lied and lied again, referring to Islam as a religion of peace. If Islam is to be categorized as a religion – then it must be called what it truthfully is – A RELIGION OF WAR. Unfortunately, our leadership has become so inept, they have chosen to be in denial of this obvious fact, and entertain fanciful notions – that by calling a “blood thirsty tiger” a “bunny rabbit” it will magically transform into one.

“This means, we now have America’s Sugar Plum Fairy National Security Policy: All of the Islamofascists can be won over by simply labeling them “friends”. How dare we even utter the word enemy, that might upset them. We now have a national security mantra: Islam is perfect! Islam is perfect! Islam is perfect!

“The purpose of this article is to introduce that Islam’s religion status is undeserving, that it should never have been granted in the first place, and that it’s religion status should be immediately rescinded.

“Why? Because Islam whether you call it moderate, militant, main stream, traditional or radical is a relentless foe

inherently programmed to conqueror its host nation. Fail to understand this point and Islam will continue “trashing” civil liberties, shedding bloody pandemonium, wreaking havoc, litigating as warfare, demanding special privileges, and instigating anarchy until its host country suffers irreparable harm if not outright defeat. Such is the virulent modus operandi being used by Islam in England, Spain, India, France, Thailand, Holland, Bali, Lebanon, Denmark, Sweden, Philippines, Russia, America and elsewhere.” Do read the rest.

Yes. Islam is an ideology which should no longer be afforded the protection of a religion because Muslim is a political party.

[Page 5](#) (Emphasis mine): What Jihad Really is?

‘But the truth is that Islam is not the name of a ‘Religion’, nor is ‘Muslim’ the title of a ‘Nation’. In reality Islam is a revolutionary ideology and programme which seeks to **alter the social order of the whole world** and rebuild it in conformity with its own tenets and ideals. **‘Muslim’ is the title of that International Revolutionary Party organized by Islam to carry into effect its revolutionary programme.** And ‘Jihād’ refers to that revolutionary struggle and utmost exertion which the Islamic Party brings into play to achieve this objective.”

Pgs 6, 7 (emphasis mine): “Islam has no vested interest in promoting the cause of this or that Nation. The hegemony of this or that State on the face of this earth is irrelevant to Islam. The sole interest of Islam is the welfare of mankind. Islam has its own particular ideological standpoint and practical programme to carry out reforms for the welfare of mankind. **Islam wishes to destroy all states and governments anywhere on the face of the earth which are opposed to the ideology and programme of Islam regardless of the country or the Nation which rules it.**

“The purpose of Islam is to set up a state on the basis of its

own ideology and programme, regardless of which nation assumes the role of the standard-bearer of Islam or the rule of which nation is undermined in the process of the establishment of an ideological Islamic State. Islam requires the earth—not just a portion, but the whole planet—not because the sovereignty over the earth should be wrested from one nation or several nations and vested in one particular nation, but because the entire mankind should benefit from the ideology and welfare programme or what would be truer to say from ‘Islam’ which is the programme of well-being for all humanity.”

Pae 27: “However, Islamic ‘Jihad’ **does not recognize their right to administer state affairs according to a system which, in the view of Islam, is evil.** Furthermore, Islamic ‘Jihad’ also refuses to admit their right to continue with such practices under an Islamic government which fatally affect the public interest from the viewpoint of Islam.

“For instance, as soon as the Ummah of Islam captures state power it will ban all forms of business prosecuted on the basis of usury or interest; it will not permit the practice of gambling; it will curb all forms of business and financial dealings which are forbidden by Islamic law; it will close down all dens of prostitution and other vices and for all; it will make it obligatory for non-Muslim women to observe the minimum standards of modesty in dress as required by Islamic law, and will forbid them to go about displaying their beauty like the days of ignorance; the Muslim Party will clamp censorship on the Cinema.”

18 USC Ch. 115: TREASON, SEDITION, AND SUBVERSIVE ACTIVITIES

▪ **2384. Seditious conspiracy**

If two or more persons in any State or Territory, or in any place subject to the jurisdiction of the United States, conspire to overthrow, put down, or to destroy by force the Government of the United States, or to levy war against them,

or to oppose by force the authority thereof, or by force to prevent, hinder, or delay the execution of any law of the United States, or by force to seize, take, or possess any property of the United States contrary to the authority thereof, they shall each be fined under this title or imprisoned not more than twenty years, or both.

The Muslim International Political Party clearly states their goal: Destroy all states and governments anywhere on the face of the earth which are opposed to the ideology and programme of Islam regardless of the country or the Nation which rules it.

If that isn't sedition, I don't know what it is and the American people had better wake up and take a look around this country because the world was given notice decades ago. Melanie Phillips book [Londonistan](#) (2006) should have been mandatory reading for every member of Congress, state capitols and by the American people.

"Londonistan is one of the most compelling books you will ever read on the ascendancy of Islamic fundamentalism, violence and intimidation in the West. Melanie Phillips exposes the scandalous appeasement of militant Islam by British officials, the media, even the Church of England, capturing in extraordinary detail how British society and institutions have either ignored or actively fostered the growth of extremist groups on British soil. This book will both enlighten and enrage. Although its story is focused on the United Kingdom, it could be applied to any European capital or to the United States." Jihad: The Terrorists Living Among Us

For the past decade England has become infested with Muslim sects destroying what used to be a peaceful, civilized country. They've become mayors and other elected offices. That's the long game for Muslims but increasingly the toxic "multiculturalism" theory has shown to be not only a failure, but a loss of England as we are losing the same battle here in America.

From first hand witness: [How Immigration and Multiculturalism Destroyed Detroit](#), "Today, you hear Muslim calls to worship over the city like a new American Baghdad with hundreds of Islamic mosques in Michigan, paid for by Saudi Arabia oil money. High school flunk out rates reached 76 percent last June according to NBC's Brian Williams. Classrooms resemble more foreign countries than America. English? Few speak it! The city features a 50 percent illiteracy rate and growing. Unemployment hit 28.9 percent in 2009 as the auto industry vacated the city."

[Islamophobia: Why We Need It In America](#), Nov. 2023 – "When France opened its borders to unlimited Muslim immigration in the 1970s, French writer Jean Raspail, penned a prophetic novel, [Camp of the Saints](#), describing the consequences of that senseless choice: One of his characters spoke about [Muslims](#), "You don't know my people – the squalor, superstitions, the fatalistic sloth that they've wallowed in for generations. You don't know what you're in for if that fleet of brutes ever lands in your lap. Everything will change in this country of yours. They will swallow you up!"

"If you look at France and most of Europe in 2023 with over 50 million Muslims, you see dozens of "No-go Zones" where Europeans dare not enter Muslim dominated cities. Muslims do not accept Western Culture or Western Laws as valid as compared to their Sharia Law. Which in itself proves to be the most brutal, murderous, terroristic and obscene "law" out of

the 6th century into the 21st century....

Muslims Do Not Hide Their Intentions For America

“Islam isn’t in America to be equal to any faith, but to become dominant. The Qur’an should be the highest authority in America, and Islam the only accepted religion on Earth.” – Omar Ahmed, director of Council on American Islamic Relations.

“Last week, while Muslim immigrants demonstrated for the eradication of Jews in America, Canada and Europe, Vice President Kamala Harris announced her latest mandate for Americans: “The National Strategy to Combat Islamophobia in America.” She expects to lead the charge to make certain Americans understand that Islam marches into 21st century America as a religion of peace. What a FARCE! Additionally, in the eyes of Allah, Harris possesses 1/2 the value of a camel or is it 1/2 the value of a Muslim man?!

“She didn’t mention that Islam and its followers in America carry no affinity toward our U.S. Constitution or our 1st Amendment rights to freedom of religion, which proves that she hasn’t kept up with what Islam’s final intention: to subdue all other religions and governance to Sharia Law of Islam.”

I’ve said it before and I’ll say it again: Muslims should never have been allowed into the U.S. Knowing their centuries of history, violence and one major goal: A world caliphate. It isn’t because I hate Muslims (except the ones who want me, an infidel, dead), it’s because of their goal and they will lie through their teeth to achieve world domination. The good news is a lot of American Muslims are throwing off the yoke of slavery and women being treated like chattel.

NO ONE SHOULD VOTE FOR A MUSLIM, PERIOD, just as they shouldn’t vote for a communist. No violence but make damn sure voters throw them out of office and don’t vote for challengers who are Muslims.

2022, [Record number of Muslim Americans elected in 2022 midterms](#): “Republican Mehmet Oz would have been the nation’s first Muslim senator had he won his seat in Pennsylvania. But even with his loss, [82 Muslim candidates](#) swept up local, state, federal and judicial seats in 25 states, a report from the Jetpac Resource Center and the Council on American-Islamic Relations (CAIR) found.

“Many of those wins were in red states, including Texas, Virginia and Georgia, and included 20 incumbents and 17 new candidates. Those seats range from local boards of education and city councils to the U.S. House of Representatives, where congresswoman Ilhan Omar, D-MN, and Rashida Tlaib, D-MI, maintained their positions.”

The Islamic ideology is NOT compatible with the U.S. Constitution – it’s the opposite. Inviting our enemy into our country and electing them for any office is national suicide.

Leo Hohmann is a tremendous investigator/writer, journalist who I have great respect for. His book (2021) *Stealth Invasion: Muslim Conquest through Immigration and resettlement Jihad* should have been the number one selling book in 2021, but did hit the top ten for a long time; great news. Quoted in Hohmann’s book by William Gheen: “The United States is under siege from within by growing armies of imported Muslims and illegals being brought here to wreck the lives of U.S citizens by those guilty of high crimes and treason within our own government.” He is telling you the truth. [Hohmann’s book is in audio form](#) or in hard copy at Amazon, Barnes & Noble & also check your local library. Not to mention the tens and tens and tens of thousands of young, fit, military age Chinese males – communists walking right across the border after being bused here by design. Bad trouble is coming. **Congress and past presidents are the architects and enablers.**
