

# Wayne Allyn Root: Go For the Win

Authored by Devvy Kidd not AI

Wayne Allyn Root isn't just a highly successful radio personality. He's been friends with President Trump for decades.

Recently he wrote a column, [WAYNE ROOT: President Trump, Here is a Simple FOOLPROOF Plan to Deport All Illegal Aliens Out of America- and To Do It Quickly](#) which drew my attention.

His proposal addresses getting millions of ILLEGAL aliens to flee to "blue states" because despite President Trump's best efforts, it's going too slow. Agree 1,000%. The road blocks are the cockroaches in CON-gress who want votes by illegals. Loons rioting and attacking ICE *doing their lawful job* are simply brainwashed **useful fools**. While there was some push back in 1954 (nothing like the madness we've been seeing since 2007) when Eisenhower implemented his deportation operation, 1,100,000 illegals were thrown out of OUR country. Key word: ILLEGAL. [New Jersey Brothers Charged for Threatening to Kill DHS Assistant Secretary Tricia McLaughlin](#), Dec. 9, 2025: "The twin brothers, Ricardo Antonio Roman-Flores and Emilio Roman-Flores, also allegedly threatened to "shoot ICE agents on sight."

Then we have those (regardless of country of origin but mostly Mexico, other South American countries as well as Africa) who have relatives who managed to get across the border during

career criminal, Joe Biden's illegitimate free for all open border spree. They're out there with the stupid asses screaming and yelling racism. **OUR laws mean nothing to them.** Just a long list of "freebies" from the fruits of your labor.

Quoting from the article above: "But the reality is crime isn't the biggest problem. These tens of millions of illegals are bankrupting America by using up all our money, so there is none left for Americans, while running up trillions of dollars in national debt.

"The fact is we need to deport every illegal alien who is taking government checks. They are freeloaders and economic suicide bombers. They are busting budgets, exploding debt, and raising our taxes. They are taking money out of the mouths of Americans. They are destroying our children's future.

"So, in addition to criminals, let's define the deportation priorities as any illegal alien who is taking government checks. They are the big problem."

No, ALL illegal aliens working jobs that belong to Americans (against the law) as well as any of the leeches receiving ANY form of "free" government welfare, health care – you name it – at the state, federal and county levels. They have no legal right to be here and I for one am sick of illegals scamming the system while I pay for it.

*"Contrary to all correct example, [the Federal judiciary] are in the habit of going out of the question before them, to throw an anchor ahead and grapple further hold for future advances of power. They are then in fact the corps of sappers and miners, steadily working to undermine the independent rights of the States and to consolidate all power in the hands of that government in which they have so important a freehold estate."* –Thomas Jefferson: Autobiography, 1821. ME 1:121 (This is why we have the Tenth Amendment and nullification.)

Yes, it is taking too long to deport the hordes. Border

Patrol are doing their dangerous job as well as the National Guard, but we have rotten, partisan “judges” who continue to *betray their oath of office for political reasons*. I’ve written about impeaching ANY judge for cause for years but the gutless in the House and U.S. Senate simply allow the corruption from the bench to grow like weeds. One state rep has had it: [ENOUGH: Indiana Legislator Seeks to IMPEACH Rogue Activist Judges and Prosecutors Protecting Criminals Over Citizens](#), Dec. 5, 2025

*“At the establishment of our Constitutions, the judiciary bodies were supposed to be the most helpless and harmless members of the government. Experience, however, soon showed in what way they were to become the most dangerous; that the insufficiency of the means provided for their removal gave them a freehold and irresponsibility in office; that their decisions, seeming to concern individual suitors only, pass silent and unheeded by the public at large; that these decisions nevertheless become law by precedent, sapping by little and little the foundations of the Constitution and working its change by construction before any one has perceived that that invisible and helpless worm has been busily employed in consuming its substance. In truth, man is not made to be trusted for life if secured against all liability to account.”* –Thomas Jefferson to A. Coray, 1823. ME 15:486

Root’s 1,000% right on this: “So, to keep from committing national suicide, let’s all agree that every illegal alien with a criminal record AND every illegal freeloader living on government handouts must go. That’s the priority...This plan will work. Announce that ICE will no longer operate in blue cities and blue states. ICE will only conduct operations and raids in red cities and red states that cooperate with ICE.”

I would say the exception is to continue rescuing illegal CHILDREN who are being used as sex toys by sick bastards. GOD has a special place in Hell for them for eternity. Hundreds

have been rescued since Trump took office; DHS is doing their best to reunite these innocent ones with their families from whatever country.

Root believes by having ICE round up illegals in only red states, illegal leeches, murderers, rapists, thieves, vicious, deadly gang members and even “that nice couple next door” who have NO right to be on U.S. soil, will then flock to the “blue” states. Quote in the column: “The blue cities and states will be overwhelmed by tens of millions of illegal aliens- far more than they have now.

“Blue cities and blue states will become real-life versions of Mel Gibson’s classic movie “Mad Max.” Crime will skyrocket. Drugs will skyrocket. Gangs will control the streets. No decent family will be safe.

“Blue Cities and blue states will go bankrupt. First, they will never be able to pay for all these foreign freeloaders. Second, the taxpayers will leave for red states. There will be no one left to pay taxes. Blue state economies will quickly collapse. Hopefully President Trump will speed the process up by cutting off all federal funding for “Sanctuary cities and states.” Rest at link.

Washington State, Oregon, Illinois, Vermont, Michigan, Minnesota, Massachusetts, Maryland and other blue states. *All those “sanctuary” cities and mayors are aiding and abetting in violation of our immigration laws.* There is NO SUCH THING AS A SANCTUARY STATE OR CITY to protect illegal aliens. It’s all about power and politics. This very real invasion has been a cash cow for pro-illegals lawyers and NGO’s. SHAME on you.

Which brings me **to the solution I’ve written about for more than a decade** that **would force self-deportment of MILLIONS of illegals** from where ever they came from like Chinese spies and muslims from garbage dumps like Afghanistan, Somalia, Iraq and Pakistan. No more “free” food while hard working Americans

struggle to put food on the table for them and their children. If they need money to get out of OUR country, call George Soros.

It's unfortunate I can't be a guest on Wayne's radio show so I could explain below, but nobodies like me don't get invited on big name radio shows. My column, August 24, 2014: [A Bill: Stop all Public Welfare in Any Form for Illegal Aliens](#) – From my column (Reid, now deceased) was a DemonRat from NV):

“His [Harry Reid] statements were to announce a bill he introduced back then (1993) titled the [Immigration Stabilization Act \[S.1351\]](#). I'm betting it was not written by Dirty Harry, but by lawyers who know what they're doing and the sure to come legal challenges. It covers the whole gambit of turning off the trillions spent over the past 28 years since Reagan sold us out. One section I want to highlight from that bill: TITLE X–CITIZENSHIP

SEC. 1001. BASIS OF CITIZENSHIP CLARIFIED.

“In the exercise of its powers under section 5 of the Fourteenth Article of Amendment to the Constitution of the United States, the Congress has determined and hereby declares that any person born after the date of enactment of this title to a mother who is neither a citizen of the United States nor admitted to the United States as a lawful permanent resident, and which person is a national or citizen of another country of which either of his or her natural parents is a national or citizen, or is entitled upon application to become a national or citizen of such country, shall be considered as born subject to the jurisdiction of that foreign country and not subject to the jurisdiction of the United States within the meaning of section 1 of such Article **and shall therefore not be a citizen of the United States or of any State solely by reason of physical presence within the United States at the moment of birth.**”

For the past 11 YEARS I have sent that information in my column to DOZENS of U.S Senators and reps. The last one I sent was to Rep. Chip Roy (who is now running for AG in my state of Texas) earlier this year. No response. Guess how many responses (canned letter or email) I've received from all those "anti-illegals" Republicans over the last 11 years from ANY of them who all claim to be fighting against the illegals invasion and all their crimes, stealing jobs that belong to Americans and our precious resources like water and slowly collapsing our health care delivery system causing health insurance coverage to skyrocket? ZERO.

I sent it to President Trump three months after his first term began with a copy to his Chief of Staff, Stephen Miller. Response: NOTHING. Not even a canned letter response. Trump had a GOP controlled House and Senate for 18 months. I doubt he even saw it or was told about Reid's bill. Most certainly money-grubbing DemonRat and deep-state lawyers would have lined up by the hundreds had Trump signed Dirty Harry's bill if the gutless House and Senate passed it. *"Is there anything more shameful than the man who lacks the courage to be a coward?"* – Peter Blaunder

Here – go watch two short videos. Members of the Democrat Communist Party USA who defend the "anchor baby" myth do not want you to see it. Reid was a heavy in the DCP USA:

**Flashback-Harry Reid: [‘No Sane Country’ Would Reward Illegal Alien Children with Citizenship](#)** – That video talks about a bill to END the scam called birthright citizenship. Two videos less than 5 minutes.

[Dingy Harry Reid Then and Now on Illegal Alien Anchor Babies](#), August 19, 2010

After Trump's second win I sent the information again to him but I doubt it ever got past Susie Wiles, Trump's beloved Chief of Staff. Kelleigh Nelson did a superb job exposing

Susie Wiles in her column, [Mr. President, Who On Earth is Vetting Your MAGA Appointees?](#) Part 2, Nov. 18, 2024. **About half way down begins the truth about Susie Wiles plus a video.**

If vote fraud prevails during the mid-terms in a few short months and the Democrat Communist Party USA takes either the House (they will try to impeach Trump) or Senate or both that bill will never see the light of day and they WILL go for amnesty while killing everything Trump is trying to get done during his last and final time as president. Try adding another 10 million muslims, criminals, drug dealers, Chinese spies and those in the sex trade into this country and see what happens.

He should be arrested for aiding and abetting: [WATCH: NYC's Radical Socialist Mayor-Elect Zohran Mamdani Posts Video Coaching Illegals on How to Evade ICE – Urges People to 'Stand Up' to Feds](#) (On Pearl Harbor Remembrance Day, Dec. 7, 2025. How sickening.)

A stinking communist urging ILLEGALS how to avoid getting picked up and deported. Stand up to the Feds says Comrade Mamdani? [Why do you think I wrote my last column?](#) I pray more violence doesn't happen but you can take money to the bank *it won't be Comrade Mandami on the front lines*. Oh, no. **He should be arrested. Period.**

The Republicans could pass Reid's bill (with a couple of changes I suggested in my column) in a week, Trump signs it into law and then Wayne Root, we will see caravans by the thousands getting the hell out of OUR country. Some may think this is racist or cruel **but you're either going to win a war or just yap about winning.** Ya'all ought to **watch a fine movie**, Open Range, starring Kevin Costner. One may not agree with the free grazing issue but Costner said this in the movie, You're men ain't you?

I hate to write this but there are too many RINO's in CON-

*gress who get a lot of campaign money from corporations and individuals who want cheap labor done by illegal aliens. Bought and paid for whores. No way do they want this to happen so throw their asses out of office during the primary in a few months.*
