

# We Will Not Comply!

By George Lujack

September 16, 2023

“I’ve signed off this morning on a proposal we have to present to the Congress a uh request for additional funding for a new vaccine that is necessary and works. And tentatively **I’ve decided** finally, that tentatively, it is recommended that everybody get it, no matter if they got it before or not.” – Mr. Joe Biden, illegitimate 46<sup>th</sup> President of the United States, [August 2023](#)

So, let me get this straight. An old, senile career politician crook has decided that we are all getting vaccinated with the latest Covid vaccine. I don’t think so, Joe.

“The left-wing lunatics are trying very hard to bring back Covid lockdowns and mandates with all of their sudden fearmongering about the new variants that are coming. Gee whiz, you know what else is coming, an election. They want to restart the Covid hysteria so they can justify more lockdowns, more censorship, more illegal drop boxes, more mail-in ballots, and trillions of dollars in payoffs to their political allies heading into the 2024 election. Does that sound familiar? These are bad people, these are sick people we’re dealing with. But to every Covid tyrant who wants to take away our freedom, hear these words, **‘WE WILL NOT COMPLY.’** So don’t even think about it. We will not shut down our schools, we will not accept your lockdowns, we will not abide by your mask mandates, and we will not tolerate your vaccine mandates. They rigged the 2020 election and now they’re trying

to do the same thing all over again by rigging the most important election in the history of our country, the 2024 election, even if it means trying to bring back Covid. But they will fail because we will not let it happen. When I'm back in the White House I will use every available authority to cut federal funding to any school, college, airline, or public transportation system that imposes a mask mandate or a vaccine mandate. Thank you very much."

-President Donald J. Trump (45<sup>th</sup>), [August 2023](#)

With these words, "We will not comply," from President Trump, every true American should be prepared for civil disobedience, the likes of which haven't been seen since the civil rights movement. It's time for Americans to speak out, and not be silenced with masks. It's time for Americans to roll up their sleeves and fight, and not roll up their sleeves to get vaccinated. It's time for

civil disobedience and more, to fight the medical tyranny that the illegitimate Biden regime hopes to impose on Americans.

If and when the next round of communist-driven propaganda media blitz comes about, saying, "We can do this," and "We're all in this together," it should be shouted down with "I can do what I want," and "I'm taking care of myself." The U.S. constitutional republic ensures the rights of the individual against the tyranny of the communist collective. There is no medical emergency exception.

**PROVERBS 18:2 (NKJV):**

**A fool has no delight in understanding, But in expressing his own heart.**

“The Matrix is a system, Neo. That system is our enemy. But when you’re inside, you look around, what do you see? Businessmen, teachers, lawyers, carpenters. The very minds of the people we are trying to save. But until we do, these people are still a part of that system and that makes them our enemy. You have to understand, most of these people are not ready to be unplugged. And many of them are so inured, so hopelessly dependent on the system, that they will fight to protect it.”

– Morpheus explaining the Matrix, *The Matrix*, [1999](#)

Patriots, stop trying to reason with brain-dead immoral liberals, be it friends, family members, or strangers. How can you reason with people who think abortion is not murder, that homosexuality is natural, that Covid vaccines are safe and effective, that sex change operations are not mutilations, and that men can get pregnant? The Democrats impeached Trump twice for nothing and have criminally charged him with nothing, while the real criminals send billions of our U.S. tax dollars to Ukraine and receive who knows how much in kickbacks. If you have to explain this to a liberal, be it a family member, friend, or stranger, they are not worth your time. They are too far gone. Don’t waste a lot of your time doing this.

**2 THESSALONIANS 2:7 (NKJV):**

**For the mystery of lawlessness is already at work; only He who now restrains will do so until He is taken out of the way.**

We, Holy Spirit-filled patriotic Americans, are the restrainers of the evils of this age.

It is said in football that the best defense is a good offense and when teams play “prevent defense” in trying to preserve their lead, it often ensures that they lose the game.

It is high time that Americans begin going on the offensive attack against the communist left in America. I, for one, have no intention of allowing my illegitimate Democrat-commie overlords to dictate to me when I can come out of my house, whether I can breathe air without a mask, and I certainly will not be allowing anyone on this planet to stick an artery-clogging vaccine shot in my veins.

Yes, they want to kill you. Once you reach past the age of 60, you are a useless eater, a carbon exhaler, and a social security recipient burden to them.

Americans, it is time to follow the lead of our true, duly-elected, America-first President Donald J. Trump and his rallying call to civil disobedience, "WE WILL NOT COMPLY!"
