

# Weaponized Immigration as a Form of Asymmetrical Warfare Against America

One sociologist said, “Mass illegal immigration is being used to destroy the United States politically, culturally, economically, and even geographically.”

A dear friend of mine in Michigan said, “When Joe Biden is not eating ice cream, which further adds to his arcane attempts at speaking, he claims that his administration’s programs are a ‘success’. Ironically, he is in one sense diabolically correct, as his goal, assuming he understands some of what he is reaping on our country, coincides with Obama’s “fundamental transformation of America.”

“I recently read that those of us in America who are 75 or older now make up less than 1% of the population. Following the passing of almost all of the Greatest Generation of WWII vintage, the majority in America includes some of the most poorly educated (especially in the areas of History, Government, and Civics), apathetic, self-serving, and falsely entitled members to ever call themselves citizens. That we should add another 20 million illegals who have no intention of assimilating into our culture, nor honor the hard-won freedoms and traditions of our Founding Fathers, and the documents drawn up to secure them in a rule of law, simply adds to the confusion and division which characterizes our

present society as we slip ever faster down Nobel Prize winner, FA Hayek's Road to Serfdom, presciently written in the 1940s.

"We had better 'wake up and smell the coffee' soon, or find ourselves relegated to picking through the grounds."

You must remember that Barack Obama did not grow up in America. He grew up in a Muslim-dominated country. His father was a Muslim or a Marxist depending on which report. He fooled the American people by attending a Christian church in Chicago, but his Pastor Wright denounced America, in fact, hated and "damned" America.

March 13, 2008; Senator Barack Obama's pastor said, "Blacks should not sing "God Bless America" but "God damn America."

The Rev. Jeremiah Wright, Obama's pastor for 20 years at the Trinity United Church of Christ on Chicago's south side, had a long history of what even Obama's campaign aides conceded was "inflammatory rhetoric," including the assertion that the United States brought on the 9/11 attacks with its own "terrorism."

If this journalist was a betting man, I bet that Barack Obama would change America into an Islamic caliphate if he enjoyed the power to "fundamentally change America." He flooded Detroit and Minneapolis with Muslims. In fact, Detroit is now called the "Jihad hotbed of America." For sure 300,000 Detroit Muslims marched in support of the Hamas' slaughter of women and children on October 7, 2023. Those same Muslims support Sharia Law, female genital mutilation and honor killings. None of them support the U.S. Constitution.

Which makes you wonder, when will their first terror cells launch rocket propelled grenades into our electrical substations. You must understand that they didn't come to America to become Americans. They came to America to make sure we follow Sharia Law. If it takes them 10 years or 100, they

are dedicated Jihadists. Do you think I'm kidding? Read this and weep:

"Islam isn't in America to be equal to any faith, but to become dominant. The Qur'an should be the highest authority in America, and Islam the only accepted religion on Earth." Omar Ahmed, director of Council on American Islamic Relations.

Now we face Obama 2.0, in the name of dementia-patient Joe Biden who intends to finish the job with his first invitation of 11 million illegal aliens in his first three years in office. You better believe that his inner circle of operatives hates America because they are the ones guiding the senile old man toward saturating our country with incompatible foreigners who never intend on becoming Americans.

"Immigrants devoted to their own cultures and religions are not influenced by the secular politically correct façade that dominates academia, news-media, entertainment, education, religious and political thinking today," said James Walsh, former Associate General Counsel of the United States Immigration and Naturalization Service. "They claim the right not to assimilate, and the day is coming when the question will be how can the United States regulate the defiantly unassimilated cultures, religions and mores of foreign lands? Such immigrants say their traditions trump the U.S. legal system. Balkanization of the United States has begun."

If you look into history, we are being Balkanized at the fastest rate of speed of any country in history. Look at Rome...it too several hundred years of a constant flow of Vandals, Franks, Visigoths, and other tribes to change Rome's language, saturate its military and disenfranchise Roman citizenship. Who let it happen? Corrupt politicians like Caligula and Nero who watched Rome disintegrate.

How effective is illegal alien power and how fast is it growing? One look at Europe will show you a "drastic and

fundamental change” with Islamic power growing beyond any chance of stopping it. Europeans have killed their countries with mass immigration out of the Middle East and Africa. All in the name of compassion? Why and how could so many leaders be so stupid? Why are European citizens SO docile? Some brave souls are trying to stop it:

Michael Hansen’s documentary, Killing Europe, was “removed by Amazon from its Prime Video service. Amazon cited ‘quality assurance’ concerns – despite the fact that the documentary had been hosted on the platform since 2017 without issue.” Killing Europe is about the effects of mass migration and Islam in Europe. Amazon has caved to the Sharia police. Additionally, read the painful book, The Strange Death of Europe: Islam, Immigration, Identity by Douglas Murray.

Most Americans don’t know it, but Obama had a Sharia Law “czar” in his cabinet named Majid. A big fat slob of an African man with a single purpose: bring Sharia Law into mainstream America.

Who is footing the bill for Biden’s 11 million illegals, or should we call them “newcomers?” Take a look at Europe’s mess with immigrants from third world countries:

Switzerland: Over 80 Percent of Somali Migrants on Welfare

“According to newly released data, several migrant groups of different national origins in Switzerland have welfare dependency rates well above 50 per cent, with over 80 per cent of Somalis in the country taking state handouts.

“The data was gathered and released by both the Federal Statistical Office and the State Secretariat for Migration and shows that the 4,000 or so Somalis in Switzerland are by far the most prone to being on government benefits with 83.7 per cent relying on state income, 20 Minutes reports.

“While Somalis are by far and wide the largest recipients of

welfare, several other nationalities also have rates of over 50 per cent, such as Eritreans at 54.7 per cent and Angolans at 54 per cent.”

Again, we have our own 125,000 Somali immigrants in Minneapolis, with average IQ's at 68, who remain on welfare, and stole over \$2,000,000.00 off U.S. taxpayers in EBT card fraud. As lacking as they are in intelligence, they outsmarted the U.S. government officials by defrauding all of us. Nonetheless, the vast majority of them in Minneapolis and Detroit remain on welfare. It's a way of life for Muslims. They simply lack the intellectual horsepower to “want” to contribute to American society. Couple that with all Muslims' intention to change America into an Islamic caliphate, voila, no more America.

Muslims' agenda in America, Canada and Europe: “Putting up with being offended is essential in a pluralistic society in which people differ on basic truths. If a group will not bear being offended without resorting to violence, that group will rule unopposed while everyone else lives in fear, while other groups curtail their activities to appease the violent group. This results in the violent group being able to tyrannize the others.” ~ Pamela Geller ~

As Biden 2.0 continues on his current path, all of us are at risk whether our tax dollars or our lives--as these illegal aliens overwhelm and destroy the foundation of our country. Can't you see it coming? Do you understand if you are a democrat, independent or republican--you and your kids are in the cross hairs of Balkanization of America?

Tell me that we aren't being invaded by: Weaponized Immigration as a Form of Asymmetrical Warfare Against America.
