

What is it Going to Take?

By Glynn Adams

What is it going to take to wake us up in America? The destruction of our children is not waking us up. The destruction of our nation is not waking us up. The destruction of our families is not waking us up. The death of our religious institutions is not waking us up. The death of our Constitution is not waking us up. The death of our freedoms is not waking us up? What is it going to take to wake us up?

We will surely know in America that we are awake when people who say they are following God and citizens who have assumed responsibility go on the offensive and begin to fight back against this evil overtaking this nation. We must take back what has been stolen from us? We have been duped and intimidated and lulled to sleep. This destruction is not going away but will continue to increase exponentially while we do less than we ought to do!!!

Satan is a defeated foe and he can only do what we allow him to do. All God ask us to do is to repent of our apathy, show courage, and go to the battlefield and God will show up. No one is coming to fight our fight. God gave us dominion on this earth, power, and authority so when something goes wrong, we are to fix it. He will help us but we must show courage and go to the battlefield!!!

We in America are in the middle of a cosmic war of biblical proportions and we can no longer ignore this war that is

before us. "Why are the nations in an uproar, and the peoples devising a vain thing? The kings of the earth take their stand and the rulers take counsel together against the LORD and against his anointed." (Psalm 2:1-2)

Those who follow God as well as our citizens have ignored his war. Throughout the Bible, whenever God is disobeyed or misinterpreted, a vacuum is always created and Satan always comes to fill that vacuum. Over the years, our disobedience to God has resulted in our nation being captured, we are ruled by Satan and not by God and we have become a dwelling place for demons. These false gods move into our nation and demons manifest their presence with murders, lies, destruction, sexual perversion, child abduction, loss of freedoms, bondage, violence, chaos and many other forms of evil.'

God warns us throughout the Bible that we are to deal with our adversaries. "But if you do not drive out the inhabitants of the land from before you, then it shall come about that those whom you let remain of them will become as pricks in your eyes and as thorns in your sides, and they shall trouble you in the land in which you live. And it shall come about that as I plan to do to them, so I will do to you." (Numbers 33:55-56)

HATH GOD REALLY SAID?!!!

Yes, God said it over and over in the Bible. God warns His people and if they ignore Him, He brings judgment on our enemies and on His people. That judgment is now on America and the more we ignore Him, the more destruction will come upon America!!!

For years now I have been warning the Body of Christ about demonic strongholds, doctrine of demons, rulers, wickedness, and evil spirits gaining ground in this nation caused by Christians who refuse to resist evil. I am going to keep these articles coming as long as God gives me revelation. Because most of the church in America does not believe in Satan and demons, does not mean they are not real. According

to the Bible, God created Satan and his demonic angels and they rebelled against God. In these last days, they know their time is growing short and so their activity is increasing exponentially. To ignore Satan and his powers of darkness is to disobey God and it never turns out well for a nation!!!!

Evil is progressive, it never takes a day off, is always expanding, and gets stronger when it is not resisted. Is the Body of Christ in this nation that ignorant of the Word of God? Don't we realize that demonic strongholds, and doctrine of demons are platforms from which demons and evil spirits use to attack the population and foundations of a nation to rob, kill, and destroy? Where do you think all this turmoil going on in our nation comes from?

Bondage, torment, depression, suicides, drug use, sex trafficking, lawlessness, division, hate, indebtedness, sickness, diseases, demonic violence, deception, the deeds of the flesh, anger, demonic curses, open borders, poor leaders, destruction, fornication, adultery, sexual perversion, gender confusion, pedophilia, our apathy, our silence, our refusal to resist evil, and such evil things. Demons, the world system, and their strongholds are in every facet of our culture including our churches – front row, back row, choir, deacon board, and pulpit.

Now we are beginning to see the establishment of demonic and evil spirit emblems and worship centers which God refers to as “high places” in our nation. God hates “high places” and the Old Testament Prophets denounced them because they are regarded as a substitute for righteousness by the people. If these “high places” are allowed to remain in this nation, each day they will attract more of our citizens into the demonic world. Our young people are well aware of the occult world around them and they are showing interest in the supernatural world of demonic and evil spirits.

When rulers, powers, world forces of darkness, and spiritual wickedness in high places are allowed to flourish and operate openly in a nation is the beginning of the end for that nation. Have we no sense of obedience and faithfulness in the Body of Christ? Have we become so spiritually dead that we feel no spiritual responsibility to our citizens and nation? Are we so intimidated, fearful, and weak that we refuse to put on the armor of God, use His Name, authority, power, and mighty weapons for pulling down these strongholds, and to stand firm against anything that exalts itself against the Word of God?

When are our leaders such as Franklin Graham, Robert Jefferies, John Hagee, and all these big-time megachurches, TBN, and DAYSTAR wealthy superstars on television going to set their pulpits ablaze by reproofing, rebuking, and exhorting the truth to lead us out of this spiritual mess? Are these pastors too busy with hay, wood, and stubble and selling books, tapes, DVDs, and endless Bible and Prophecy conferences?

Are our religious leaders afraid to call out Christians in America to repentance and obedience because it may shut down their generous flow of dollars? These big-time preachers have huge budgets and enormous television cost to meet each month and they know if they give their faithful followers anything negative such as repent and obey, their money will dry up. Such arrogance and hypocrisy never turn out well with God. "Their might is not right."

Think of this – these positive prophets in America preach "Jesus saves, restores, and protects" all around the world on television while we are losing our own nation to demonic strongholds and demon evil spirit "high places." Where is their authority? "I did not send these prophets but they ran. I did not speak to them but they prophesied. But if they had stood in My council, then they would have announced My words to My people and would have turned them back from the

evil of their deeds.” (Jeremiah 23:21-22)

American Christians are proof, “always learning but never able to come to the knowledge of the truth.” (2 Timothy 3:7) We are not learning from history in the Old Testament where Israel allowed these “high places” for false gods and demon spirits? God warned them to tear down these “high places” and when they did not, then the anger of the Lord was kindled against Israel and He gave them over to their enemies.

God did it to Israel and He is now doing the same to America. We are not listening nor responding to God and we are in a big spiritual mess. We had better wake up out of our apathy, disobedience, and coma, and face our spiritual reality. If you don't want to think of yourselves, then for God's sake, think of your children and grandchildren, and the helpless citizens of this nation.

There is so much deception in our nation, I am not sure if many people in America really understand what Communist/Progressive ideology is, how destructive it is, and that it is being established in America daily as we read. Progressivism sounds so good and wonderful but it is a dark agenda whose fountainhead is from Satan and is demonic in nature and very destructive. That alone should wake up followers of God and citizens.

If the church in America was walking as Jesus walks as it claims, then they would know that He spent one-third of His ministry on this earth against Satan and his demons of darkness and destruction. But we clearly are not walking but sleeping and ignoring our spiritual reality and responsibility. With the wisdom and discernment of God and the Holy Spirit to guide us, we still can't figure out what God wants us to do!!! Or, is it rebellion and disobedience? Or, maybe we don't have the Holy Spirit and these gifts? Something is terribly, terribly wrong in the Body of Christ in America!!!!

Communism/Marxism/Socialism/Progressivism/Liberalism is from the same fountainhead. Its god is a big, repressive government. We are acting like we want bondage more than freedom!!!! Continue to do nothing to get bondage but we have to fight to maintain our freedom. The elites in Progressivism want the people in a nation depending on this big repressive government. It's all about control.

Progressives hate Christianity, Capitalism, and our Constitution and seek to destroy each one. They attack the family and other foundations that made this nation workable and livable. They want a utopia such as the old Soviet Union, North Korea, or Cuba. These Progressives omit their history of Progressivism that Socialism is a failed system in every country it has been tried and people live in extreme poverty and the basics necessities of life are not available. Only people who are deceived and dumbed down will embrace this demonic ideology.

To take over a nation, Progressives must embrace the Marxist ideology that changes the thinking of a nation. They must first implode the family. Attack the sanctity of marriage, easy divorce, add alternatives to marriage. Get the mother working outside the home. Give family benefits that exclude a father figure in the home. Move the nation that God is dead, sexual immorality, perversion, and division. Attack Christianity, Capitalism, and the Constitution while intimidating the leadership of each, especially the church. Institute a false narrative of separation of church and state and 501C3s. Rewrite history, and take over the news media, movies, and the education system to indoctrinate the masses, especially the young.

They take over the public school system to teach their lies to our children. Teach them immorality so the children will lose their innocence and run from God, teach the children to rebel against their parents. They have taken the responsibility of raising our children and place them into the hands of

government agents in our public schools and universities. In every public school, there are also counselors who address and advise our children on sex, drugs, homosexuality and gender. Their advice is anti-American, anti-God, anti-capitalism, anti-family, and anti-Constitution along with anti-nationalism.

These hell holes we call public school and universities have but one purpose – to redirect, mold, and nurture our children – replacing the moral framework that families may be instilling in their children. I hate to be so blunt, parents, but sending your children to the public schools and universities today is like, as in the days of Israel in the Old Testament of sacrificing your children to the god Moleck.

Sell your big house and BMW, stay at home mom to homeschool your kids. Parents, God will hold you responsible for what and who teaches your children. God warns us about what happens to our children. “A shack in God’s will is better than a Rockefeller mansion out of it!!” In addition, all parents should be confronting public school officials and demand they teach our morals and not their progressive agenda for the sake of the poorer students. We must get involved while we have the opportunity!!!

We have a demise in Western Civilization. The Church is not making sufficient disciples of Christ and the Communists/Marxists/Socialists/Progressives are making Progressive and Socialist disciples of our children using the most modern psychological means of mind control from the Chinese and Russians. Our younger generations are exiting from our churches at an alarming rate and racing toward the ways of the world and Satan’s curses and traps of drugs, alcohol, suicide, sex, perversion, occult’s, and only God knows what else.

Christians ought to be on a war-footing now against this evil using the Name of Jesus, the authority of Jesus, the Word of

Jesus, the power of Jesus, and the mighty weapons of God to redeem back our children and nation. But we are so disengaged, sitting on our religious ass, preaching another Jesus, and practicing our ineffective, dead religion while our children, our citizens, and this nation are being overcome by demonic strongholds, doctrines of demons, and religious high places that are leading them to depression, torment, suicide, drugs, alcohol, and all the destructive ways of this world system. How dwelleth the love of God in us? Why are we so selfish? In our generation, on our watch, we are reducing Christianity to where it means nothing in America!!!!

Where are the pastors to lead their flocks to action and sanity? Unfortunately, most of these false prophets and hirelings are intoxicated in demonic selfish ambition seeking their own glory in numbers to justify bigger buildings, bigger staffs, and more programs and to hell with the Kingdom of God, tending and teaching the flock the things and ways of God, and obedience to such things as making disciples and resisting the evil in our land.

Woe to the pastors and the nominal church members because God will not hold us guiltless for what we are allowing to happen on our watch to our citizens and nation. Our disobedience and rebellion are storing up one of two things: Either our own wickedness will correct us and we will have a great awakening or more severe judgments will come to our citizens and nation and one terrible day the unexpected will come upon us when God has had enough of our arrogance and foolishness and lack of repentance. I love you and tell you the truth. Repent and return to God!!!!!! God bless, I remain His warrior and watchman, Glynn Adams.
