

What Will History Record of this Generation of Lukewarm Christians?

By Reverend Glynn Adams

Each generation is labeled according to what they allowed to happen in their culture and how they dealt with that culture. Each generation has to make a choice. They must realize that freedom can be lost and history shows it is very difficult to get back!!! The nation of Germany is remembered in history for causing two world wars. France is remembered for the bloodiest revolution in history. In America, the civil war is remembered as a bloody war with Americans fighting against Americans. The generations in America that are remembered for their sacrifice and bravery are those during World War I and II.

What will history record about our generation as we have sat by and allowed evil to capture our nation. Will we be remembered for our sexual revolution, that government is our provider and not God, that a man can have a baby, that some boys are girls and some girls are boys, that marriage is not only between a man and a woman but could be between two men and two women, or perhaps this generation will be remembered as allowing the Communists/Marxists/Socialists/Globalists to take away our freedoms and banish Christianity from the public square in America? Surely the question will be asked of this generation in America, "Where were the Pastors and Christians in all this?"

America is not the first nation to have lost their bearings and forsaken God. We are not the first generation that has practiced religion and a form of godliness, failed to resist the evil before us, and failed to provide a moral compass to men and women in the sexual revolution, transgender revolution, marriage revolution, destruction of the family structure revolution and homosexual revolution.

It should be noted that our generation has had more light, more revelations from God, and more churches than any generation in history. Pastors and Christians in America will have a lot to answer for when we stand before the LORD Jesus Christ to give an answer to what we did with what we were given!!!

But praise God, our God is a God of restoration. We can repent, change our wicked ways and return to Him and God will restore us. We can recover from our blatant disobedience of the Word of God but only if we commit from the heart to follow Him and His Ways. Our walk and our fruit will tell if we changed our ways in our heart!!! Our actions will determine what God will do.

In Romans 1:18-23, Paul is not writing to the pagans in Rome but Christians who are in Rome and neither is he specifically addressing homosexuality. "For even though they knew God, they did not honor Him as God, or give thanks; but they became futile in their speculations and their foolish heart was darkened. Professing to be wise, they became fools, and exchanged the glory of the incorruptible God for an image in the form of corruptible man." Will that verse in Romans be this generation of Christian's epitaph in history?

The Christians in America have allowed so much to be taken away from us by Satan. We have refused to resist the evil overtaking our nation and we have provided no moral compass for the many confused people in our nation. We have not extended the Kingdom of God and made disciples in America or

the nations. There is always hope with God but that hope is being lost because Christians in this nation will not commit to the LORDSHIP of the LORD Jesus Christ.

Christians in this nation have been lied to for years by pastors that attending church confirms our faithfulness and obedience to God. We can neglect the Word of God, make no commitment, be disobedient, have no change in our lives with no fruit but bless God if we attend church, we are told by our pastors we will go to heaven. That is the lie of the ages; that is not what the Bible says, and American denominations and our mega-churches have bought into it, hook, line and sinker.

Following Christ is all about obedience, submission, commitment, faithfulness, and allegiance and Jesus spoke this to us throughout His Word. Matthew 7:24-27 is just one example. He said if you hear the Word and act upon it, you build your house on the rock and when the storms of life come, your house will stand. But if you hear the Word and do not act upon it, you build your house on the sand and when the storms come, your house will fall. HATH GOD REALLY SAID?!!!

If history were written of this generation of Christians in America today, history would not be kind to us but rather cruel. We must repent of our wicked ways and change our religious ways to His Way. Our attitude about obedience to the Word and the LORD Jesus is serious business and our obedience is appalling!! American Christians think they have the option they can obey God when they feel like it. That is a path straight to hell!!! Democrats have lies but so does the American Church Religious System!!!

One day Jesus pronounced a railing judgment against Capernaum!! Jesus did many miracles in Capernaum and it was in Capernaum where He gave much of His revelation to the people. But they would only recognize Jesus as the Son of Man, as Mary's boy and a carpenter rather than acknowledging

Him as the Son of God. So, Jesus pronounced a railing judgment on the people of Capernaum and told them Sodom would fare better at the judgment than they.

If we in America don't repent of our wicked ways, forsake our sectarian divisions, come together under the banner of Jesus Christ, organize, and get our spiritual act together to obey God by resisting this evil and demonic strongholds overtaking our nation then based on the criteria Jesus used against Capernaum, Sodom will fare better at the judgment than once righteous America!!!

In America, we have received everything God has to offer – more freedom, the land of plenty, more revelation, more blessings, more wealth and we show no respect or gratitude to the LORD Jesus Christ. Obedience to our LORD and King proves our respect and gratitude for our LORD of Lord and KING of Kings and the American Christian has been found wanting. Jesus said of the generation He was born into was wicked and proof abounds that because of our disobedience, our lack of respect, and our ingratitude to the wonderful things God has given to us, this generation of Christians in America is wicked also.

At this hour God is calling all Christians to repent, return to Him and to stand in all areas of life for the principles of Christianity in our nation and if we refuse, Biblical history shows that nations that disobey God, disrespect God, and are ungrateful for their blessings of God will have a rude awakening coming. To him who has been given much, much the more is required.

We show no respect for the freedoms given to us by God because at this very hour, Christians have allowed man to take our freedoms away, the Word of God has been banished from our culture, we present no moral compass to our nation, and we refuse to resist evil, while evil has invaded our land. We stand by and do nothing while evil men have demonized

Christians as extremists, racists, and bigots for holding on to beliefs Americans have held for generations. How much longer will we disrespect what God has given us?

And we do nothing but take it and tolerate it day after day and year after year and we refuse to stand against this evil as the Word of God commands. We ignore and disobey the instructions given to us in the Word of God in 2 Corinthians 10:3-:5, "For though we walk in the flesh we do not war according to the flesh, for the weapons of our warfare are not of the flesh but divinely powerful for the destruction of fortresses. We are destroying speculations and every lofty thing raised up against the knowledge of God, and we are taking every thought captive to the obedience of Christ."

We have no fear of God in America among those who name the Name of Christ. We ignore and pay no attention to what the LORD Jesus said to us in the Scriptures: In Luke 10, Jesus is sending out seventy of His disciples. He gave them power over Satan and demons. They came back rejoicing over "the demons are subject to us." Can we just receive that we as disciples in America have that same power over Satan and his demons? God will not hold us guiltless if we fail to resist the evil overtaking our nation.

I ask you Christian America – how much longer do you think God will allow us to thumb our noses at Him? How much longer will He let us refuse to blush at the most violent sins this nation has ever seen? How much longer will He put up with all the wickedness in America before He says, "Enough!"

Right now our nation is like the nation of Israel as described by Jeremiah: "...their houses (are) full of deceit; therefore they are become great, and waxen rich. They are waxen fat, they shine...Shall I not visit for these things? Saith the Lord; shall not my soul be avenged on such a nation as this?" (Jeremiah 5:27-29) God Himself is saying, "How can I not bring judgment upon such flaunted sin and compromise?"

You might be tempted to say, "It's plain to see why God sent His judgment on Israel but America is different!" You may think, "God has to spare us. After all, He's called us to evangelize the world." But most of our American church's mission programs are dying. God told us in His Word to bring heaven to earth by "doing the will of God on earth as it is done in heaven." He said for us to have dominion, and to make disciples. He gave us the power to do all this but since the 80's, the Marxists have changed our nation from a Christian World View to a Marxists Socialist World View.

They did this by making more disciples of Marxism than we have of Jesus Christ. We allowed them to change our thinking in this nation to accept the gross sins of this world system. We are a captured nation, we are ruled by Satan and not by God, and we have become a dwelling place for demons and the gods of Babylon and Egypt are now bringing their high places into America and shoving gross sin in our face from every place in America.

We better get some fear of God in us and in a hurry and get our spiritual act together and quickly praying that God does not come to America on some terrible night as a Thief in the Night!!!!!! Look at what this generation of Christians in America has done with what God has given us? We in America have no choices left for we know what God's pattern of judgment is on blatant disobedience!!! We either repent, forsake our religious ways, and turn to the Ways of Jesus Christ very quickly now or we will face more of the terrible judgments of God!!! I give you this warning because I love you and I want to see this nation have victory over Satan and save this nation and the other nations from the tyranny, bondage, and destruction in order that our LORD will be glorified!!!
