

Whatever Happened to Justice?

To do justice and judgment is more acceptable to the Lord than sacrifice. Prov.21:3.

"For I, the LORD, love justice; I hate robbery and wrongdoing." Isaiah 61:8

Noah Webster defined justice as *"Impartiality; equal distribution of right in expressing opinions; fair representation of facts respecting merit or demerit. In criticisms, narrations, history, or discourse, it is a **duty to do justice to every man, whether friend or foe.**"*

It is not the job of the "Justice Department" to hunt down criminals and put them behind bars. The job of the "Justice Department" is to fairly, and without bias, give every man what is his due.

But there is no EQUAL justice in America today. Sadly, our JUST-US system is being used to "get even" with political opponents. "Justice" has come to mean "punishment." It has created a system called LAWfare...a tactic of WARfare. The courts are now being used as weapons of war against those who hold different political views. It is the exact opposite of what the word JUSTICE was intended to do.

The J6ers are victims of an out-of-control government hell-bent on punishing those who oppose their tyranny. Government, like justice, is supposed to be blind. How does

one ever get a fair trial when the “Just-us System” is designed simply to punish the guilty? Has it become AG Merrick Garland’s personal weapon to punish those who blocked his appointment to the Supreme Court?

To my knowledge, NOT ONE J6er has been found not guilty in any DC court. NOT ONE. What are the odds of that? The JUST-US system is working perfectly.

LAWfair is wicked. Even IF found NOT-GUILTY by a Government court the innocent victim has probably spent his life savings proving his innocence. So, simply being “charged” with a crime on J6 will destroy one’s life. Many of the accused have spent nearly THREE-YEARS in Federal lock-up without bail...and without a trial...a clear violation of their rights. Many have been forced to “plea” bargain to avoid harsher punishment. Is there anything more demeaning than pleading guilty to something that you didn’t do in order to lessen the sentence?

The Government “persecutors” know that perfectly well. That is why they are still arresting “insurrectionists” 3 years after the fact. Their goal is PUNISHMENT...not justice. It is a sad time in America. JUST-US baby. Their message is clear. Do not mess with the Government.

I was there on J6...along with at least a million of my friends...who desired nothing more than to exercise our God-given ***“right of the people peaceably to assemble, and to petition the Government for a redress of grievances.”*** Many of those in attendance that day had NEVER been to DC, but they knew they had to go because it was only in DC that they could personally face their representatives and petition for a redress.

No one went to “overthrow” the Government. They went because they suspected that the Government had ALREADY been overthrown during the November election. They went to petition for a grievance they believed they had suffered.

Mr. [Webster determined](#) that grievance was *"That which causes grief or uneasiness; **that which burdens, oppresses or injures, implying a sense of wrong done, or a continued injury, and therefore applied only to the effects of human conduct; never to providential evils. The oppressed subject has the right to petition for a redress of grievances.**"*

[Petition](#) means *"To make a request to; to ask from; to solicit; particularly, to make supplication to a superior for some favor or right; as, **to petition the legislature; to petition a court of chancery.**"*

But a nefarious plan was at work that day. The "Government" had infiltrated the MAGA crowd. They dressed as MAGA supporters. They gave the appearance of violence to a peaceful crowd. Did you know that NOT ONE person was charged with a gun violation on that day? They called it an "armed insurrection" but they failed to tell you that the "arms" were **MAGA Flags, Old Glory, and Bibles.**

But that is what scared them the most. In the *Den of thieves* that thrives on LIES, it was the TRUTH that scared them far greater than bombs and bullets.

Several of my friends are in jail. They did nothing wrong. Some just followed the traffic and walked into the Capitol *thru OPEN doors*. The Police invited them in! Many are still waiting on a trial...facing up to 30 years. None have been given bail as they languish in jail simply for exercising their God-given Constitutional rights.

The Government agencies are the REAL criminals. They are obligated to find the TRUTH...not hide it. The law requires that the Government present ANY evidence that shows the innocence of those who have been charged. Our Government has hidden the exculpatory evidence because it is not justice that they seek...but revenge.

The Bible teaches CHRISTIANS, who today are being labelled as

dangerous by these same government actors, that the real war in America is over WHO will sit on the throne over this nation. A coup has already taken place and God-fearing American's simply want Christ re-instated to his rightful position as head of ONE NATION UNDER GOD. That is really what this whole insurrection thing is about.

America is a mess. *"One nation, under God, INDIVISABLE, with LIBERTY, and JUSTICE for all..."* have become hollow words. Revenge is not justice. Vengeance, the Bible teaches, belongs to the Lord. Vengeance has no place in the American Justice system.

The white, heterosexual, Christian male has become the enemy of the anti-Christian American Government. The war is Spiritual and it is obvious.

BLM, ANTIFA, and the militant, defiant-sexual movement act like a Boa Constrictor, squeezing the life out of White, Christian Americans.

Open your eyes. Our Government serves the Devil. The Republican Party is complicit in the coup. Christianity is under attack. No one has the courage to say it. I just did.

God will not be mocked. Justice is coming.

Has anyone seen the American Church?
