

When It Comes to The Covid Narrative, Fox News is at it Again

"The left wants masks back in masks." "Left can't get over covid" -Fox News Headlines

Fox News propaganda outlets and their useful idiots are at it again, simply parroting confusion at its worst (Daniel 9:7; 1 Corinthians 14:33).

Fox News headlines, "The left wants us back in masks, Left can't get over COVID."

The network blames the 'left' for what the 'right' is doing, and the 'right' is blaming what the 'left' is doing.

As we all know, there is no left nor is there a right constitutionally for we are a Constitutional Republic (Exodus 18:25; Article IV, Section 4) whereby we are ruled by law, not by confused parrots driving a political narrative that is designed to make lies sound truthful. Yet, regardless of the lawful facts, they continue on in their purposed agenda of divide and conquer (Mark 3:25).

I wonder what direction their heads are going to be facing when they are done spinning. No wonder everyone who listens to these spin doctors is confused (Micah 6:16).

For the past few days a very controlled narrative has been spun and spread throughout the alternative media, and especially among the Right Wing media, both the corporate Right Wing media, such as Fox News, as well as most of the Right Wing alternative media.

That narrative states that COVID lockdowns and mask mandates are returning.

To be sure, the Liberal Left corporate media is doing their part to fuel this narrative, by publishing "news" stories about the return of the dreaded COVID "virus" cases.

It appears that Alex Jones was selected to begin this current news cycle to hype up fear and outrage, by claiming that a TSA whistleblower, who was unnamed, was stating that "FULL Covid Restrictions" were coming in September.

One of the most important parts of the article above is the video highlighting the controlled operatives that are sold to the American people as the 'good guys' (The Republicans, which constitutionally do not exist) in government when the opposite is true (2 Corinthians 11:14-15).

Who is driving the COVID propaganda narrative more than them? You decide!

Wake up, Americans! They don't even believe their own narratives (Ephesians 5:14).
