

# Where are the Republicans?

Coach Dave Daubenmire

September 7, 2023

The Republicans left me. I did not leave them.

I do not remember for sure who said that, but I believe that is the heart cry of millions of Americans in flyover country.

The Republicans used to be known as a "Christian" Party...back in the days of the Moral Majority and Rev. Pat Robertson's fight to return America to the moral high ground.

There was a time when the Republican Party STOOD for something...right against wrong...good against evil...Christ against Lucifer...other than invasive wars.

That was before the days when the Republican Party traded Christianity for Conservatism.

If we really want to Make America Great Again, the Republican Party must become Christian with a backbone again. As Jesus warned, a saltless message is good for nothing.

Conservatism is Pretend SALT...A watered down version of Biblical principles designed to curry the favor of voters without coming across as...well...too Christian. Jesus told us that "no man can serve two masters." I am a Christian who happens to vote Republican. I am not a Republican who just happens to be a Christian. I used to think they were one in the same.

But not so much anymore. Fool me once shame on YOU...fool me

twice, shame on ME. I am done drinking the Rush Limbaugh Kool Aid...Republican good, Democrat bad. I am done with RINO's...but also done with CHINO's...Christians In Name Only. The Republican Party is full of them.

One of the CHINO's years ago tried to promote the BIG TENT approach to politics. That was the idea that if you really did not take strong positions on the moral issues that the Party would thrive based on all-inclusive positions that were sure not to offend anyone. That birthed such groups as the Log-Cabin Republicans. You know...the sexually deviant Republicans who voted for strong fiscal policy.

Somebody stupid sold that as a wise move. Enlarging the tent simply poked more holes in the foundation. Psalm 11:3 warns us, "If the foundations be destroyed what can the righteous do?" Answer...vote for unrighteous conservatives. Non-Christian, sin promoting, immoral values promoting "conservatives" became the flavor of choice. CHINOs elect RINOs. Get it?

Paul Ryan, Mitch McConnell, Lindsey Graham, Chris Christy, John McCain, Jeb Bush, John Boehner, Kevin McCarthy, Poppy Bush, Bill Barr, GW Bush, Dick Chaney, Liz Chaney, just to name a few. "Conservatives," FAKE SALT, that Christians hired to fight the Spiritual War that IS politics.

Lest we forget our dear friend CONSERVATIVE Barry Goldwater:

*"Mark my word, if and when these preachers get control of the [Republican] party, and they're sure trying to do so, it's going to be a terrible damn problem. Frankly, these people frighten me. Politics and governing demand compromise. But these Christians believe they are acting in the name of God, **so they can't and won't compromise.** I know, I've tried to deal with them."*

That was long before COVID exposed the phony, fearful, compromised Church.

Let there be no doubt. Compromise is surrender. Christians cannot win elections, they tell us. We need to hide our faith under a bushel and call ourselves CONSERVATIVE! Maybe we can trick the voters into electing our team. After all, the Name of Jesus is sooo divisive...

Perhaps you haven't noticed , but at the heart of the MAGA movement is Christianity. Maybe not organized "religious" Christianity, but MAGA's values are Christian. The establishment Republicans HATE Christians...they hate our values, they hate the idea of MAGA, yet we capitulate to their wicked schemes. BOTH parties are rushing us headlong into the New World Order.

Wasn't it Poppy Bush, a Republican, who first announced the New World Order to the world?

President Kennedy, a Democrat, before the CIA murdered him, [warned us](#):

*"For we are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on covert means for expanding its sphere of influence—on **infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice, on guerrillas by night instead of armies by day.** It is a system which has conscripted vast human and material resources into the building of a tightly knit, highly efficient machine that combines military, diplomatic, intelligence, economic, scientific, and political operations."*

The Republican Party has been infiltrated by non-believers. They no longer represent CHRISTIAN values. They didn't even fight for honest elections. They sold us out to China Joe and the phony Ho.

Look around. The "Injustice Department" has locked up over a thousand "Republicans" in the DC Gulag without a trial. Those who do make it to trial end up in a kangaroo court designed to punish them. ANTIFA walks free...MAGA does time. DC hates

MAGA. They don't hate Trump, they hate US and our Christian values.

Not a peep from the "Republicans" in Washington. We corn poke Christians, "deplorables" Hillary called us, are an embarrassment to the Establishment Republicans. They wish we would all just go away. They are looking the other way as our own two-headed Government beast removes Christian influence from the scene of the crime.

Pro-lifers are thrown in jail for simply defending the lives of the pre-born. The Supreme Court overturns Roe V Wade and the Republicans act like it never happened. Baby murder continues unabated. Why? Because CHINO's elect RINOS.

You do not have to be a Christian to not want your SON to be homecoming QUEEN! Why can't they understand that?

[George Carlin](#) was right. He told us that Washington is one big club and we "ain't in it."

The Democrats hate Christians and the Republicans are embarrassed by us. Ask [Oliver Anthony](#).

That is why MAGA is such a threat. Donald Trump was God's wrecking ball. Stop with the moral judgements about whether he was "Christian" enough. The Bible is replete of stories of God using un-Godly men to advance the cause. You do not have to be a man of God in order to be God's man.

"You shall know them by their fruit."

Christians are being thrown in jail. Soon they will be fed to the Lions.

Has anyone seen or heard anything from the Republicans?
