

Where is the Kamala's Joy?

Simply put, if you want smart kids, teach phonics in K-3. Remember, the Communist Democrats do not want smart kids asking a lot of questions and accumulating a lot of stuff. Dems want obedient, non-thinking students who will follow their directions, accept their lies without question, and become their new voter base. We have become the hive mentality, We are the Borg. This is the Agenda of the Democrat party.

So far, the Democrat immigration policy is focused on losing children. 300,000 of them. According to Newsweek,

“A recent audit by the [Department of Homeland Security](#)'s Office of Inspector General uncovered that U.S. Immigration and Customs Enforcement ([ICE](#)) failed to monitor over 300,000 unaccompanied migrant children after their release from government custody. ICE has no assurance UCs (unaccompanied migrant children) are safe from trafficking, exploitation, or forced labor,” Inspector General Joseph Cuffari's report warned.”

How do you lose 300,000 children? You hire incompetent people that are more focused on their DEI hire, than the job they must do. Not to worry, we are told Kamala will fix the border. Do you really expect her to fix the mess she created?

We also just found out that according to the Bureau of Labor Statistics' just-released revised jobs report that the Regime fudged the statistics. The Regime, lies and had 818,000 more

jobs which now have to be subtracted from 2023-2024 totals. Interesting how the propaganda machine called MSM reported this. They said, Jobs report: US economy added 818,000 fewer jobs. They think we are stupid. Sadly, some people are, and will add the jobs. This is the point. They should have said "subtracted". To follow up, they also didn't report that most jobs were part-time and the majority of the jobs went to unvaxed illegals. This is a loss of about 70,000 jobs per month.

To add insult to injury, the DEI Secretary of Commerce, Gina Raimondo said when asked, " I am not familiar with that." How can you be Secretary of Commerce, and not know the annual jobs numbers?

Another talking point is the Trump tax cuts, and how they only benefited the wealthy. Let's face it, the Commie Dems have only 2 policies high on their hit parade: Trump and Abortion. They can't understand why the people they screwed are leaving the party in droves. They lie all the time about the Trump tax cuts, which are about to expire. To set the record straight, the Trump cuts helped everyone. Kamala's policies are right out of the Communist play book. They will adversely affect all of us. Here are a few:

- Price Control – *causes inflation, shortages, black market*
- Open Border – [Fact check: Harris was Biden's second border czar despite recent media claims](#)
- 25% Tax on unearned capital gains income – *bye bye equity on the things you own.*
- Universal government controlled healthcare- *you will lose your doctor*
- Entitlements for illegals – *paid by taxpayers while Vets*

live on the street.

- Wars – *more money for Palestine and Ukraine*
- No Tax on Tips- *proposed after Trump*
- Killing Babies – *late term abortion so they can sell body parts. Planned Parenthood is now offering free vasectomies and abortions.*
- BBB eliminates fracking – *but now she favors fracking- Kamala lies*

I could go on and on, but the Trump team did it for us.

Where did all of this hate, now called joy...come from? How did they infiltrate our government? How did all of these America-hating groups get so entrenched in our government, agencies, and our education? What can we do about it? They got here because we were trained to be tolerant. Tolerance to them is a weakness. Never talk about politics and religion we were told. This is the result. What can we do. Register 5 people a week to vote and make sure they vote. Pay attention in your state and vet candidates who will pass legislation to stop illegal invaders from voting. Listen to my show and share my articles.

Unreported News:

When the OBiden administration in a [major disaster pulled out of Afghanistan](#), and gave our resources to the Taliban, we said it was just a matter of time before they go after the women. I was called lots of names including a liar. I was a moron, who knows nothing. Once again I was right. The AP detailed the contents of "Article 13" of the ministry's new laws, which relates to rules for women. The article said women must veil their bodies at all times while in public, including wearing a face covering to avoid tempting men. Their clothing is also not allowed to be too tight or too short. The document further states that women are forbidden from singing or reading aloud in public, and they are not allowed to look at men unless they are related by blood or marriage. Females are also not permitted to travel alone. This is the same playbook of Hamas. I wonder if the Hamas protesters have any clue. Maybe they should be jailed with the new Hamas/Taliban rules and burqas as the new prison garb.
