

# Why are western countries importing more Muslim terror?

Muslims prove themselves terrorists every week of the year. Their Qur'an mandates killing all people who fail to accept the prophet's violent mandates. (Chapter) Sura 9:123—"Convert or kill all non-believers."

The Qur'an contains 109 verses that call Muslims to war with non-believers for the sake of Islamic rule. Some prove graphic, with commands to "chop off their heads and fingers, and kill infidels wherever they may be hiding."

Sura 9: 191- "And kill disbelievers wherever you find them."

The burning question of the 21st century: why are Western countries importing millions of Muslim refugees that turn their countries into third world terror camps?

Sweden deformed itself from one of the most successful and peaceful countries on Earth into a Muslim quagmire. An astounding 91 percent of Muslim immigrants live on cyclical welfare—never to contribute to Swedish society.

Swedish women fear for their lives on the streets of Malmö and Stockholm. They face rapes, beatings and molestation at every juncture of their days.

Norway, once as neat, clean and peaceful as Sweden, now houses 400,000 Muslims that suck the life out of Norwegian society. Women fear for their lives in Bergen, Oslo and Trondheim.

In London, England, with 2.5 million Muslims, you see two different cities in one. The Islamic side of London and the British side of London. British fear treading into the "Sharia Law" no-go zones of London.

The same holds true for Belgium, Holland, France, Austria,

Italy and Germany.

One German I interviewed named Wolfgang S. said, "We are not allowed our opinions anymore in our country. Angie Merkel controls the conversation."

Whether it's the Charlie Hebdo massacre or the Paris, France slaughter or the Brussels, Belgium carnage—why haven't the leaders of those countries shut down all Muslim immigration? Instead, they keep taking on refugees by the hundreds of thousands. In fact, Germany absorbed 2,000,000 refugees in 2015 alone.

France faces horrific consequences in its already Islamic lawless society. Over 70 'no-go zones' manifest in Muslim ghetto pockets all over France. Police dare not enter. Muslims' sadistic Sharia Law allows Muslims to continue their barbarism against women, children and animals in such Islamic strongholds.

Europe faces civil war at some point. Why not avoid it by deporting all Muslims? Send them back to their own Sharia Law dominated societies. The Middle East offers endless land to house them.

The same holds for Canada and America! Why on God's green Earth would Congress allow that Muslim Barack Obama to continue importing millions of Muslims into America? Does Congress enjoy a death wish for America?

Weren't 9/11, Fort Hood, Boston Marathon, Chattanooga, Fort Dix, Shoe Bomber, Underwear bomber, Times Square Bomber and San Bernardino enough lessons for all of us? Virtually 9 out of 10 Muslims in Detroit, Michigan live on welfare. They manage four wives, on your tax dollars, known as extended family. They practice arranged marriages for their 10-year-old girls. We now experience honor killings and female genital mutilation in America. How many more lessons do we need? Notice you will not hear a peep out of any U.S. Muslim imams after any bombings like San Bernardino.

Muslims cannot in any way become Americans. The Koran forbids it. Their entire context of religious-political Sharia Law demands subjugation to their religion with no allegiance to the U.S. Constitution. The Koran forbids women's rights, marital choice, free speech, gay rights and religious rights. Our way of life remains completely out of bounds to Islam. This 4-minute video explains our plight.

In 2015 there were 2,860 attacks by members of the religion of peace in 53 countries with 27, 596 killed and 26,145 injured. (Source: [www.religionofpeace.com](http://www.religionofpeace.com)) This website documents Muslim killings all over the world. It's pretty sickening.

Why the Islamic conquest of the peaceful country of Belgium?

"The European Union has no official capital, and no plans to declare one, but Brussels hosts the official seats of the European Commission, Council of the European Union, and European Council, as well as a seat of the European Parliament."

Why do Europeans allow Islamic 'no-go' zones where terrorists live and plan their next event?

"These ghettos, which are in fact large areas of Brussels, are considered off-limits to Europeans and radical Muslims will likely comprise the majority of the population within 20 years. 'I think we have to sensitize people, make them understand the advantages to having Islamic people and Islamic laws, and then it will be completely natural to have Islamic laws and we will become an Islamic state,' a Muslim politician from Brussels, Redouane Ahrouch, said to a reporter in 2012. "'In Belgium, of course! I am for the Sharia. Islamic law, I am for it. It is a long-term struggle that will take decades or a century, but the movement has been launched.'" (Source: Right Side News, March 28, 2016)

We know Islam's final intention: to conquer and dominate all other religions and countries—to install Sharia Law worldwide. We know it's barbaric, sadistic, cruel and stands against all human decency as well as civil society.

So why the silence and inaction? Why doesn't anyone stand up and speak out? Geert Wilders speaks in Holland. Ms. Marine La Pen speaks in France. Robert Spencer speaks in America at [www.jihadwatch.org](http://www.jihadwatch.org) and Pam Geller [www.nakedislam.com](http://www.nakedislam.com) speaks out in New York.

But the rest of America acts like a bunch of sheep being led to the slaughter.

If you don't speak out, your kids face a religious war or a civil war in America just like Europe. Muslims don't mess around. They yearn for death as a martyr. You need to join the organizations I suggest below in order to give yourself power to change the course of history. If not, you will become a victim of history whether it's Brussels or Paris or San Bernardino. We know they're coming, so we must stop Muslim immigration if we expect to save our country. Remember: there are no peaceful Muslims because as their numbers grow, they fall in line with the Qur'an and it's eternal violence against non-believers.

If you want to get a piece of what we face with Islam in America, this is best video on the subject: it's titled 'The United States of Islam.'

If you don't want a Paris, France or San Bernardino event in your community, it's time to call for a total "Immigration Shutdown Now."

Call your senators and House rep: 1 202 224 3121. Demand a stop to all immigration and stop to any Syrian immigration.

Definition of slogan: "Immigration Shutdown Now means the American people want a total shutdown on all legal and illegal

immigration. That means we want all illegal immigration stopped by arresting, prosecuting and jailing employers of illegal aliens. We deport all illegal aliens by taking their jobs away and as we catch them. We want English mandated as our national language. We demand a cessation of Muslim immigration in order to protect our culture, language and way of life. We can't save the world but we can destroy our civilization. We demand a stable population that allows everyone to live, work and thrive into the 21st century. Especially our children." FHW

That's why you need to take action. Send this series to everyone in your network. Educate them. Urge them to take action by joining these websites to become faxers of prewritten letters and phone callers. We must force Congress into an "Immigration Shutdown Now!
