

Why Does Our Congress Keep Giving Amnesties Against Our Interests?

On the Neil Cavuto Show on Fox News this week, he interviewed a democratic U.S. senator about the DACA amnesty. The senator repeated excuse after excuse as to why 800,000 adults deserve amnesty.

The senator lambasted Congress for not passing the 2013 Comprehensive Immigration Act, but neglected to tell the audience that S744 contained a provision for allowing 20,000,000 (million) illegal aliens a free citizenship package.

What he didn't say: that bill contained a clause to increase legal immigration from 1.1 million annually to 2.0 million annually. In other words, double the flood of immigrants into our country. Within 20 years, that number would add 40,000,000 (million) more foreign born to our country plus their children which averages a million births annually. That's not just 2 million annually, that's a total of 80 million in less than 30 years. At this time, we remain on course to add 100,000,000 (million) by 2050.

You must ask yourself, what kind of idiots run our country over a demographic and sociological cliff?

In that S744 bill in 2013, it made no attempt to pass E-Verify to stop all employers from hiring illegals under threat of court and prison. Thus, the illegal flood of humanity could not help but accelerate.

But not mentioned: Congress passed seven amnesties since 1986 because they refuse to stop the illegal flow or even touch the legal flow of 1.1 million annually. That flood of humanity changes the very culture, makeup, language and ethos of our country—into a quagmire of everybody else's country.

Look at this amnesty chart:

HERE ARE THE 7 CHAIN MIGRATION AMNESTIES THAT CONGRESS HAS ALREADY PASSED

1. **Immigration and Reform Control Act (IRCA), 1986:**A blanket amnesty for some 2.7 million illegal aliens.
2. **Section 245(i) Amnesty, 1994:**A temporary rolling amnesty for 578,000 illegal aliens.
3. **Section 245(i) Extension Amnesty, 1997:**An extension of the rolling amnesty created in 1994
4. **Nicaraguan Adjustment and Central American Relief Act (NACARA) Amnesty, 1997:**An amnesty for close to one million illegal aliens from Central America.
5. **Haitian Refugee Immigration Fairness Act Amnesty**

(HRIFA), 1998:An amnesty for 125,000 illegal aliens from Haiti.

6. **Late Amnesty, 2000:**An amnesty for some illegal aliens who claim they should have been amnestied under the 1986 IRCA amnesty, an estimated 400,000 illegal aliens.

7. **LIFE Act Amnesty, 2000:**A reinstatement of the rolling Section 245(i) amnesty, an estimated 900,000 illegal aliens.

Our own elected officials flood our country with no end in sight. They create a totally dysfunctional and fragmented society. You watch it weekly on news reports where everyone demonstrates for their cause, but not the American cause.

We watch organizations that spend millions to take down the United States Government. They charge into Congressional offices with sit-down strikes and threats of violence. They shoot our police in the streets. They prepare to blow us up or kill large numbers in terrorist attacks.

Today, women march to oust an elected president, Black Lives Matter march against the very concept of America, La Raza advocates for a Mexican state within America, Moslem Brotherhood immigrants promote Sharia Law to create a parallel society, DACA illegal aliens march for amnesty, 20 million illegal aliens demand amnesty for violating America's borders.

All the while, they wave their flags from their countries such as Mexico, Nicaragua, Honduras and the real kicker, just visit Detroit, Michigan or Minneapolis, MN and you will see Moslem black jihad flags flying from cars and homes of immigrants.

Today, Congress expects to give 800,000 kids dragged across our borders illegally—a free pass. But it's not 800,000. Reports from www.NumbersUSA.org state that the number of DACA illegals could reach 3.8 million. In other words, the mainstream media rarely tell us the facts or the truth. The cost could exceed \$100 billion. Plus flood the country with

more chain migration into the tens of millions.

Again, I ask you to take these two videos and send them to every person in your network. These two simply videos show where our U.S. Congress forces our country into a nasty future of overpopulation, sociological chaos, linguistic chaos, religious confrontation and total cultural breakdown. That's what's coming unless we stop it.
