

# Why Haven't They Been Arrested and Indicted?

By: Devvy

October 16, 2023

During this unprecedented persecution of President-Elect Donald Trump, we continue to hear members of the Democrat/Communist Party USA bellow "No one is above the law."

Let's look at the law: **8 U.S. Code § 1324a – Unlawful employment of aliens**

(a) Making employment of unauthorized aliens unlawful

(1) In general

It is unlawful for a person or other entity—

(A) to hire, or to recruit or refer for a fee, for employment in the United States an alien knowing the alien is an unauthorized alien (as defined in subsection (h)(3)) with respect to such employment, or

(B) (i) to hire for employment in the United States an individual without complying with the requirements of subsection (b) or (ii) if the person or entity is an agricultural association, agricultural employer, or farm labor contractor (as defined in section 1802 of title 29), to hire, or to recruit or refer for a fee, for employment in the United States an individual without complying with the requirements of subsection (b).

(2) Continuing employment. It is unlawful for a person or

other entity, after hiring an alien for employment in accordance with paragraph (1), to continue to employ the alien in the United States knowing the alien is (or has become) an unauthorized alien with respect to such employment.”

Simply put: It is in violation of federal immigration law to hire an illegal alien, period. That’s why E-Verify was created – to assist employers with making sure they weren’t violating federal immigration law. Here in Texas, it’s a bad joke. Only state agencies and contractors are required to use E-Verify. Thank you, former governor Rick Perry and damn glad you’re gone.

When our current governor, Greg Abbott took office, did he do what had to be done – cut off the magnet of jobs by making E-Verify mandatory for ALL employers in this state? When pigs fly. [Governor Abbott Signs E-Verify Bill \(SB 374\) Into Law \(84R\)](#), June 10, 2015 | Austin, Texas. State agencies while private sector employers can continue hiring illegals. [Bill](#). What’s the status for your state regarding E-Verify? [See here](#).

[Abbott refuses to call up the Texas State Militia](#). I’ve covered this many times. By not forcing E-Verify he’s encouraging illegals to cross the border and find employment in our state. Yes, Abbott continues to send buses of illegal aliens to Chicago, but [unless and until you take away the financial incentive, the hordes will keep coming](#).

No one is above the law? Then why were none of the presidents or CEO’s below arrested and indicted for aiding and abetting an illegal alien they knew was here illegally? From my April **2010** column, Illegal aliens: declaring war on the enablers.

[Should officials of the FDIC be prosecuted? April 19, 2005](#) – “The Federal Deposit Insurance Corporation is encouraging banks to sign up illegal aliens in the banking system, calling the growth of the market “a compelling incentive for U.S.

banks to enter this largely untapped market.” And the FDIC program demonstrates that unbanked Latin American immigrants can be brought into the financial mainstream.

“But there are clear laws on the books for the integrity of the immigration system. United States criminal code, “It is a crime punishable by 10 years in jail for aiding and abetting someone in this country illegally for commercial gain.” And the Bank Secrecy Act of 1972 makes it clear banks must know their customer, and any illegal activity must be reported to the government.”

[Why haven't these state legislators been indicted? December 21, 2009](#) –

“But, what about state legislators who have voted to give these criminals driver’s licenses so they can work? Remember what the usurper in the White House, Obama/Soetoro said, “When I was a state senator in Illinois, I voted to require that illegal aliens get trained, get a license, get insurance to protect public safety. That was my intention. The problem we have here is not driver’s licenses. Undocumented workers do not come here to drive. They’re here to work.”

“They’re here to work? They have no right to even be in this country, much less help themselves to jobs that belong to Americans. Marxist Hussein Obama wants to reward them by stealing the fruits of your labor to train them, give them driver’s licenses and steal American jobs – in violation of federal immigration law. This is the morally bankrupt individual people voted for to bring “change” and “hope.”

“This rot has seeped into the state houses as well. Four states of the Union allow these criminals to have driver’s licenses: Hawaii, New Mexico, Washington and Utah. Those state legislatures are aiding and abetting criminals who have violated federal laws. **Those legislators and the governors have signaled loud and clear that it’s a good thing to reward those who break the law and rub it in our faces.** What happens when an illegal with a Utah driver’s license hits and kills an

American citizen in San Diego and then skips across the border? Are we then supposed to thank Utah's legislature for the carnage they let loose?"

[Why hasn't the Director of the U.S. Census Bureau been indicted? February 2, 2010](#) – "Keeping with the Obama Administration's mission to conduct the most diverse outreach campaign in history, the director of the U.S. Census Bureau is touring Mexican border towns with high illegal immigrant populations to personally assure that those who fill out questionnaires this spring will not be deported.

"This is a safe thing for everyone to do regardless of your immigration status," the president's handpicked census director (Robert Groves) told residents of a renowned illegal alien "colonia" in south Texas this week. He visited several dilapidated makeshift homes off of a dirt road in a Laredo neighborhood called San Carlos to stress that census data will be kept confidential and not turned over to immigration authorities."

[Nebraska Hustles To Keep Illegal Alien Medical Coverage – April 19, 2010](#)

"On the heels of a federal crackdown, lawmakers in Nebraska are scrambling to pass legislation that will allow pregnant illegal immigrant women to continue receiving free, taxpayer-financed medical care. The state has for decades offered the costly perk to pregnant illegal aliens, whose "anchor babies" are automatically United States citizens. However, the federal government recently notified the state that it was illegally determining eligibility for publicly-funded medical care known as Medicaid."

"Nebraskans: How does it feel to be raped by the enablers in your state legislature? Of course, there is no such thing as a "anchor baby".

[County Gives \\$100k To Group That Aids Illegal Immigrants April](#)

20, 2010

“In a disgraceful waste of tax dollars, a community group that assists illegal immigrants in the U.S. and helps them evade arrest has received \$100,000 from a county that ironically has increased immigration enforcement in the last year.

“The public funds went to [Progreso Hispano](#), a nonprofit in Fairfax Virginia that proudly helps illegal aliens and aims to empower them and improve the quality of their lives and communities. The charity also counsels illegal immigrants who get arrested and offers a handy guide for “undocumented” residents dealing with federal agents.

“Progreso Hispano openly advises the areas illegal aliens to refrain from providing government officials with information about their immigration status, not to carry papers from another country, not to open the door if authorities come to their home, not to run and to sway co-workers to collectively remain silent and ask for an attorney in the event of an immigration raid.

“The Fairfax County Supervisors that recently approved the public funds aren’t bothered by Progreso Hispano’s work and predict it won’t negatively affect future allocations, according to the local newspaper that broke the story this week. One supervisor says she has no problem with “extending outreach” that informs people on how to comply with the law.”

From my Dec. **2009** column on the same issue:

“At a time when unemployment is running at 17 million out of work and 37.2 million on food stamps, those MILLIONS of jobs held by illegal aliens belong to Americans:

**Illegals build F-22 hangers on Air Force base** – Real good for national security. And, don’t try to feed me the horse crap that illegals do jobs Americans won’t:

1,200 Illegal Workers Fired in Minnesota. “First of all, it is clear that illegal aliens are, indeed, doing the work Americans and lawful immigrants very much want to do. The fact that when 1,200 illegal aliens were fired as a result of a field investigation conducted by ICE (Immigration and Customs Enforcement) all of those jobs were quickly filled, presumably by United States citizens and lawful immigrants. This makes it abundantly clear that as I noted in a recent commentary, “A job freed up by removing an illegal foreign worker creates a job for an American worker.”

How about the citizens of Nevada – a state on the brink of financial collapse?

**No. Of Illegal Aliens On Welfare Doubles In Nevada.** There is no such thing as an “anchor baby.” It is hogwash that must be stopped. Legal research on Fourteenth Amendment [is in this file](#). “It is clear the framers of the Fourteenth Amendment had no intention of freely giving away American citizenship to just anyone simply because they may have been born on American soil. Again, we are fortunate enough to have on the record the highest authority tell us, Sen. Lyman Trumbull, Chairman of the Judiciary Committee... and the one who inserted the phrase.”

Should this surprise anyone? Rewarding criminals only brings more:

“A new survey by Zogby International finds that people in Mexico think that granting legal status to illegal immigrants in the United States would encourage more illegal immigration to the United States....A clear majority of people in Mexico, 56 percent, thought giving legal status to illegal immigrants in the United States would make it more likely that people they know would go to the United States illegally.”

Nothing has changed:

[Rogue Agency Orders Banks to Give Loans to Illegal Crossers,](#)

Oct. 13, **2023** – That would be the useless Consumer Financial Protection Bureau which needs to be abolished.

[Biden Admin Threatens Banks That Refuse To Lend Money To Illegal Immigrants](#), Oct. 12, 2023

Really? Well, fake president Biden: Banks cannot loan money to illegal aliens under federal law. See below. Go get your daily ice cream cone and take a nap.

[Court will review constitutionality of consumer-watchdog agency's funding](#), Feb. 27, **2023**.

“The Supreme Court on Monday agreed to take up a major case involving funding for the Consumer Financial Protection Bureau, which was formed in response to the 2008 financial crisis. A federal appeals court ruled in October that the funding mechanism for the CFPB violates the Constitution, but the Biden administration, which had asked the justices to weigh in, says that allowing the lower court’s decision to stand could raise “grave concerns” for “the entire financial industry.”

What hog wash. That agency is just another politically correct (pushes equity, inclusion, blah, blah, blah.) cancer which borrows their budget from the “Fed” with the interest slapped on our backs. [2023’s budget is a whopping \\$750.9 MILLION bux](#). SCOTUS heard oral arguments on Oct. 3, 2023

Providing financial aid to an illegal alien is in violation of federal immigration law.

8 USC 1324[a](1)(A)[iv][b](iii) – [Bringing in and harboring certain aliens](#)

Section (B) A person who violates subparagraph (A) shall, for each alien in respect to whom such a violation occurs–

(i) in the case of a violation of subparagraph (A)(i) or (v)(I) or in the case of a violation of subparagraph (A)(ii),

(iii), or (iv) in which the offense was done for the purpose of commercial advantage or private financial gain, be fined under title 18, imprisoned not more than 10 years, or both;

(ii) in the case of a violation of subparagraph (A)(ii), (iii), (iv), or (v)(II), be fined under title 18, imprisoned not more than 5 years, or both;

(iii) in the case of a violation of subparagraph (A)(i), (ii), (iii), (iv), or (v) during and in relation to which the person causes serious bodily injury (as defined in section 1365 of title 18) to, or places in jeopardy the life of, any person, be fined under title 18, imprisoned not more than 20 years, or both; and (Sanctuary cities that release KNOWN violent illegal aliens out onto the streets)

(iv) in the case of a violation of subparagraph (A)(i), (ii), (iii), (iv), or (v) resulting in the death of any person, be punished by death or imprisoned for any term of years or for life, fined under title 18, or both.”

State legislatures that have passed a “law” which allows an illegal alien to get a driver’s license are putting Americans in jeopardy because illegals if not caught, just skip back across the border after killing you or your family. Every one of those legislators is guilty and should be punished. And I believe reading the statute, families can sue them personally, not a city. The statute says ANY person. Elected officials and appointed judges are not exempted.

[‘Sanctuary Church’ Helped Illegal Alien Evade Deportation Before He Allegedly Killed Father of Five](#), Aug. 9, 2019 – “As

Breitbart News reported, 40-year-old illegal alien Miguel Ramirez Valiente from El Salvador is accused of hitting and killing Sean Buchanan, a father of five children, on

August 2. Valiente has a criminal record dating back to 2011, including a drunk driving charge in 2017.”

[Gunman who killed three daughters in California church was in US illegally](#), March 5, 2022 – “A gunman who killed his three daughters and another man in a church in Northern California was in the U.S. illegally, and had not been handed over to Immigration and Customs Enforcement (ICE) after a prior arrest due to California’s “sanctuary state” law that limits cooperation with federal immigration enforcement, authorities said Friday.

“The Sacramento County Sheriff’s Office said that David Fidel Mora-Rojas was in the country illegally and was arrested on Feb. 23 for driving under the influence, assaulting an officer and medical staff.”

**Their blood is on your hands, Gov. Gavin Newsom.**

[Angel Mom, Whose Daughter Was Killed by Illegal Alien, Regrets Supporting Biden](#), Feb. 2, 2022 – “Angel Mom Rhonda Exum, whose 19-year-old daughter, Adrienne Sophia Exum, was killed by an illegal alien who is now being shielded from deportation by the Department of Homeland Security (DHS), says she regrets voting for President Joe Biden...”

“Thanks to Biden’s so-called “sanctuary country” orders, which ban ICE agents from arresting and deporting most illegal aliens including convicted criminals, the agency has dropped its detainer on Padilla, suggesting that **they do not consider him a priority for deportation**... “It’s very unfortunate ... I’m thinking that he was going to be punished ... but again, **it’s like they don’t care**,” Gamboa said. “It’s not only that he hit her, he took off and ran.”

Gee, you’re just figuring that out now? I am so very sorry for her loss, but if Americans had taken the time – and forget damn party loyalty – to really look into career crook Joe Biden and what he said and did while in Congress, they would never have voted for him.

**American lives mean NOTHING to those running the WH.** More Americans have been killed or murdered by illegal aliens since Ronnie Reagan opened the flood gates in 1986 than died on 9/11 a 50 times over.

Billionaire poster boy for gluttony: [Illinois Gov. Took Rental Assistance from Citizens, Gave It to Illegals](#), Oct. 13, 2023 // [Illinois will no longer allow landlords to consider immigration status](#), July 13, 2023. **WRONG.** Federal law trumps state legislatures who pass “laws” in violation of federal immigration laws and they should be legally held accountable. What this so-called new law does is put landlords in legal jeopardy: 8 U.S. Code § 1324 – Bringing in and harboring certain aliens

(a) Criminal penalties

(1) (A) Any person who– (**ANY person means just that**) (iii) knowing or in reckless disregard of the fact that an alien has come to, entered, or remains in the United States in violation of law, conceals, **harbors, or shields from detection, or attempts to conceal, harbor, or shield from detection, such alien in any place, including any building** or any means of

transportation;”

That new “law” which goes into effect in January is an obvious violation of the federal statute above. If you live in Illinois: **He who shouts the loudest gets heard:** To your local sheriff, your state GOP reps and senators, the head of the State Republican Party. If you have a GOP Attorney General raise polite hell. Don’t allow you or your family to become a victim of illegal aliens who rape, rob and murder and will now be protected for housing.

[Chicago residents sound off on illegal immigrants in neighborhood: ‘They disrespect us, rob us, harass us’](#) – Woodlawn residents told city officials they were fed up with migrants partying and drug dealing, July 28, **2023**

Live in Harris County, TX (Huge county which includes the putrid “progressive” Houston)? [Harris County judge suggests illegal immigrants could receive universal basic income](#), “Progressive Harris County Judge Lina Hidalgo claimed during a hearing that the universal basic income program she supports could apply to illegal immigrants, June 7, 2023. **WRONG.** See statute above: “Any person who– **(ANY person means just that – it doesn’t exempt elected officials)** (iii) knowing or in reckless disregard of the fact that an alien has come to, entered, **or remains in the United States** in violation of law.”

[Crippling Healthcare Cost of Illegal Immigration](#), June 20, **2023** – “Texas has been required to shell out up to \$90 million per year to provide medical care to illegal aliens under its Emergency Medicaid program...In Florida, for Fiscal Year 2021, illegal aliens cost state hospitals about \$312 million. Meanwhile, in Illinois, a statewide healthcare benefits program for illegal aliens has ballooned from a projected \$2 to \$4 million cost to what has now become a \$1.1 billion program for taxpayers.

“Locally, in Yuma, Arizona, executives with the Yuma Regional

Medical Center said that in just one year, taxpayers were left with \$26 million in unpaid medical bills from illegal aliens who showed up to the hospital requesting free care. ...

“[T]he Federation for American Immigration Reform reported that illegal immigration costs the nation’s hospital systems at least \$23 billion annually – \$8.2 billion of which is uncompensated medical care for illegal aliens.”

**The people of NYC screwed themselves by electing a thoroughly incompetent globalist, Mayor, Eric Adams.** Mr. Sniffer, Joe Biden, does not have the authority to override federal immigration law. Only Congress makes immigration laws.

**Get on the phone today to your U.S. House rep and Senator. FED UP. I’m sick and tired of being raped in taxes to pay for illegals. I’m sickened every time an illegal alien murders an American. This has to stop. Why wasn’t it stopped back in 2005 or 2010 or 2017 after Trump was sworn into office?**

Oh, that’s right, Trump’s back stabbing advisors chose a squishy do-nothing for U.S. Attorney General, Jeff Sessions and then dumped him for an even bigger stealth back stabber, Bill Barr. And now we have two illegitimate office holders
