

# Wrong People Are in Jail, While the Guilty Walk Free

The cat is out of the bag. The genie will not go back into the bottle. The Truth is obvious for those who are willing to see.

Without breaking my arm from patting myself on the back, I want to let you know how vindicated I feel. I was there on January 6. I saw it with my own 2 eyes. It was all lies. There was no violent insurrection. ALL of the violence on that day was perpetrated by the Government.

It was a set up. Our elected officials, both Republicans and Democrats conspired to change the narrative. As Chuck-you Schumer said the other day "we all saw it with our own two eyes."

Saw what you piece of crap? The fake movie that the government/media whorehouse put together? You know the one...the false story-line that stole the freedom of hundreds of honorable men and women who showed up on J6 to simply make their voices heard?

As Phil Collins famously sang...

*Well, if you told me you were drowning, I would not lend a hand*

*I've seen your face before, my friend, but I don't know if you*

*know who I am*

*Well, I was there and I saw what you did, I saw it with my own two eyes*

*So, you can wipe off that grin, I know where you've been*

*It's all been a pack of lies...*

Justice is coming. I can feel it in the air tonight. See the Glenn Beck Video below before it's pulled.

Literally hundreds of elected officials and media whores should hang. Literally. That is the penalty for treason. The behavior of those who manipulated the Truth for political gain is death-penalty treasonous. There is no soft way to say it. [Here](#) is what they are guilty of. Their crimes carry the death penalty.

They should hang. They destroyed thousands of innocent lives with their antics. Where do the innocent Americans go to get their lives and reputations back? Mass Character Assassination.

Exculpatory evidence is a benchmark of American Juris Prudence. [To quote:](#)

*In criminal law, exculpatory evidence is some fact, testimony or document that, if used at a criminal trial, might help prove that the accused was not guilty of the charges. **Exculpatory evidence includes anything that might directly show the innocence of the accused or that might show an excuse, justification, or defense** to the charges.*

*Under what is called the Brady Rule, government prosecutors MUST turn over any exculpatory evidence to the criminal defense team... the court affirmed that, if government prosecution fails to tender to the criminal defense team evidence that is "favorable to an accused" – that might be exculpatory – then **such failure violates due process rights of the accused.***

Chuck Schumer wants to hide exculpatory evidence. [Watch this](#). A sitting US Senator wants exculpatory evidence purposely withheld from those charged. So does REPUBLICAN Mitch McConnell. [Watch](#). Is it just me or do Schumer and McConnell appear to be playing on the same team? See video below

Where are the Republicans coming to the defense of the J6ers and their right to a fair and speedy trial? Where is Donald J. Trump? Those imprisoned stood up for HIM!! Where has he been?

The courts are useless. There is no longer EQUAL justice in the Just-us department.

[Check out this article](#). Our judges are scared. The Bench has become politicized. We now have "Democrat" judges and "Republican" judges. "Obama" appointed and "Trump" appointed...as if justice was a football game where two versions of Just-us fought against each other. Whatever happened to HONEST, IMPARTIAL judges? *"Truth has fallen in the street and equity cannot enter."*

Fake-Conservative Liz Cheney and her J6 committee presented NO exculpatory evidence in their recent kangaroo trial. Her daddy, Bush's henchman, taught her well. Political dynasties and family-inherited political positions have made a mockery of our Republic. WHO you know trumps WHAT you know in this phony pay-to-play injustice system. George Soros is buying prosecutors all across this nation.

Today, in America, justice is no longer blind. UNEDITED video is fake. EDITED video is Truth. Just ask Schumer and McConnell. Truth lies on the cutting room floor.

I wish I knew the solution. How do you get justice in a rigged system? To whom do we appeal?

This will not end well. We will not be able to “hide” our way out of the Government’s clutches. Our Government hates God. It especially hates Christianity. That is why they arrested the J6ers. They were the leaders. They were the ones who would not simply bow their knee to the Luciferian edicts of Demonic government. Lock up the leaders...the sheep will scatter.

*“If ye love wealth better than liberty, the tranquility of servitude better than the animating contest of freedom, go home from us in peace. We ask not your counsels or arms. Crouch down and lick the hands which feed you. May your chains set lightly upon you, and may posterity forget that ye were our countrymen.”* Samuel Adams

*“If you will not fight for right when you can easily win without blood shed; if you will not fight when your victory is sure and not too costly; you may come to the moment when you will have to fight with all the odds against you and only a precarious chance of survival. There may even be a worse case. You may have to fight when there is no hope of victory, because it is better to perish than to live as slaves.”* Winston Churchill

Judgement Day is coming. It will not be pretty. Start with the J6 committee. Merrick Garland. Nancy Pelosi. We must demand that Justice be served. Release all the tapes to the public.

The wrong people are in jail.
